Dear Oliver Tambo

Once more, we should like to thank you for your participation in our hearing on South Africa last March in Copenhagen. We are convinced - and we have evidence to substantiate this - that the hearing contributed significantly to a continued debate, in this country, on the situation in South Africa today.

We have now published a report on the hearing containing the text of the messages given by you and our Prime Minister on that occasion and also excerpts of the lectures delivered by the other participants in the hearing.

I enclose the report with my best regards and wishes for the future.

Yours sincerely,  
MELLEMFOLKELIGT SAMVIRKE

ERZ ERICHSEN.
