Dear Billy

I am pleased to attach an interim progress report on the expenditure of funds from Matla Trust/FRESA allocated towards the 1993 bursary programme of the Batlagae Trust. A final report will be submitted in the first quarter of 1994 together with an annual general report on the activities and projects of the Batlagae Trust as well as audited financial statements for the organisation. As you are aware, it was originally anticipated that significant political -change in the country would render the educational services of the Batlagae Trust redundant by the end of 1993. Clearly, this is sadly not the case, and the Batlagae Trustees have decided that it will be necessary for the Trust to continue to . provide its present services to returned exiles at least until the end of 1995, by which time it is hoped that a new political and educational dispensation would have been implemented that caters for the significant and specialised needs of returned exiles. The Batlagae Trust has been more than happy with the co-operation that it has received from Matla Trust/FRESA and we sincerely hope that we will be able to continue our association in 1994. In this regard we would like to request ongoing assistance from Matla Trust/FRESA over the next two years, and would be ready to submit formal proposals to this end if Matla Trust/FRESA would be willing to consider such an appeal.

On behalf of the Batlagae Trust I would like to record my gratitude to Matla Trust/FRESA for the committed and significant financial and moral support that we have received. Should you require any additional information, please do not hesitate to contact me. I look forward to hearing from you.

Kind regards
