Dear Sir,

AFRICA DIARY

Further to my letter dated 1st May 1991 to which no reply has been received.

With reference to your 1990 subscription to the above journal, I would advise that we are now chasing the publisher to supply issues.

Please check your records, and advise which issues have been received, if any, and whether we should request the publisher to send back copies of the missed issues.

I look forward to hearing from you shortly.

Yours faithfully
