Dear Cde Tikly

It was our pleasure meeting you on 4 November. Following the issues we discussed in our meeting I wish to confirm the following :

i) That a plan is being finalised for our Senior Research Officer, Mr Mona, to visit Lesotho, Harare, Lusaka, Daar-es-Salaam and Cairo during the months of

January and February.

ii) That the Researcher together with representatives of the liberation movements that have records in the various sites will sort, pack, and relocate the records to the University of Fort Hare.

iii) That limited funding is available for sorting, pecking and transfer of records.

iv) It would be appreciated if the ANC Archives Committee/Research Department can consider allowing the ANC Archivist linking with this plan.

v) That if the plan is acceptable we can meet and discuss the details.

It would be appreciated if the issues raised above can serve before the ANC Archives Committee meeting today.

I must further confirm that the University would welcome a research project focusing on SOMAFCO. As soon as further details are available we should then discuss the

logistics pertaining to appointment and attachment of the Researchers to the University in manner that generates reciprocal benefits both for the University and the ANC Department of Education.

Looking forward to hearing from you.

Yours sincerely

A
