Dear Sir/Mad:

RE:QUESTING FOR TRAVELING FUNDS:

I am applying for funds which I can use them for going back home, The reason of requesting for funds is because I am not working over here, The reason is that I got injured at work in 1987 on the neck, And also I had a slip and fall, In 1988 I landed by head, I am not getting any workman's compensation, Not getting the un-employment funds at all, Even the Social Services, If my God did not bless me with all kinds of gifts that I have I will be a hobo or a piece of a laughingstock here in America, I only live by repairing of Televisions and Video recording Machines, That is how I am able to eat and have a shelter,

I remain with thanks, And hoping my application will receive a favorable consideration.

Yours truly

K.T. Pemba. (Mr.)
