Dear Mr. Mangcotywa,

Thank you for letter dated 4/3/92 and the accompanying list of scholars for whom you wish to receive assistance.

After consultation with Mr. Wolfgang Lauer and Archie Abrahams at NCCR Head Office we were informed that all NCCR Regional Offices have been given an allocation for educational assistance. Therefore, the applicants on your list should in the first instance be funded from the NCCR education allocation.

Should you have queries, please contact either Mr. Lauer or Mr. Abrahams.

Yours sincerely,
