Dear Sir/Madam

Re: Sponsorship application for Mr & Mrs S.S. Martin

The office of the A.N.C. Chief Representative presents its compliments to C.U.S.O. and has the honour of thanking you for the continuous support given us, and has confidence that this will continue for much longer.

We hereby certify that Mr. Stanley Martin and Mrs. Martin are bona-fide members of the A.N.C. and therefore request you to assist in according them scholarships to further their studies in London. They have been accepted at the London College of tourism for a course commencing on the 23rd September 1991.

They are a responsible couple and Mrs Martin is presently working with the office of the A.N.C. Chief Representative here in Lusaka. We also have confidence that they will use this opportunity to the fullest.

Find enclosed copies of their acceptance from L.C.T. We are confident that this matter will meet with favourable consideration.

With assurances of highest consideration.

Your Sincerely
K.G. Lobe
