Dear Mr. Davis

I have pleasure in enclosing a copy of our 1993 Annual General Report, together with the Audited Financial Statements for the same period. A copy of the Yeoville Educational Polyclinic Report for 1993 is also enclosed. We do apologise for the delay in forwarding these documents to you, but we were faced with a series of unforeseen delays by our auditors.

This report is intended to supplement the detailed individual report submitted or due to be submitted to your organisation for its 1993 funding to the Batlagae Trust. Should you have

any queries about the enclosed documents, please do not hesitate to contact us.

We would like to reiterate our sincere thanks for your support of the important work of the

Batlagae Trust. We can assure you that your interest and commitment has gone a long way towards helping us to ensure that young returnees are in a position to make a meaningful contribution to the reconstruction and development of South Africa.

With best wishes

Yours sincerely

am i
