Dear Mr Schwenniger,

For some time now you have received information on Southern Africa from me, both in my capacities as Director of the Information Centre on South Africa as well as Representative of Chief M.G. Buthelezi, President of INKATHA and Chief Minister of KwaZulu.

I will be paying a visit to the Federal Republic of Germany in the week from 25 till 28 February and would greatly appreciate the possibility of a discussion with you on Southern Africa.

My stay in Bonn is scheduled on February 27th and 28th. My office will contact you by telephone in a few days time to hear whether we can make a definite appointment.

With kind regards.

Yours Sincerely,

*R. Steenwijk*
