Labor Committee, AgrainSt Apartheid, The Patrice Lumumb'a Coalition.

Gatsha At A Glance i

WHO IS GATSHA BUTHELEZI AND WHY DOES JESSE HELMS  
WANT TO GIVE HIM A MILLION OF YOUR TAX DOLLARS?

Mangosuthu Gatsha Buthelezi of South Africa is seeking political Support from the American people. That is a tough job, given that supporters of his Inkatha party are responsible for much of the so-called "Black on' Black violence" that has taken 10, 000 lives since 1984. Buthelezi's backers in the US. claim he represents six million Zulu-speaking South Africans, and is a moderate anti-apartheid leader opposed to the "radical " ANC and their call for sanctions and corporate disinvestment. Jesse Helms and other Congressional conservatives , want to give Buthelezi \$1 million to "support democracy in South Africa. " But Americans should take a closer look at Buthelezi before they agree to pick up his tab. They may not like what they see.  
MYTH REALITY

Gatsha Buthelezi is a moderate As Chief Minister of the KwaZul'u bantustan, .one of ten tiny and

anti-apartheid leader. impoverished reservations set aside by the white government for Blacks, Buthelezi is an integral part Of the apartheid system. Last year alone he received \$700 million in subsidies directly from the regime. There is overwhelming evidence of police collaboration with Inkatha fighters, and he has his own KwaZulu'Police force led by whites. If apartheid ends, Buthelezi's. money and power will end with it.

He has the support of the Zulu Thousands of Zulu-speaking supporters of the ANC have been people, His Inkatha party, with killed by Inkatha yin KwaZulu since .1987. Bantustan-officials

one million members, is the demand that jobseekers, housing applicants and pensioners largest in South Africa. produce party cards, while students registering for school are automatically enrolled in Inkatha. In. national opinion polls, Buthelezi's popularity ranks below even apartheid President F.W. de Klerk among Black South Africans.

Buthelezi believes in non- According to independent observers, almost all of the. fighting violence, while the ANC wants between ANC and Inkatha supporters has been. instigated by

violent revolution. Inkatha. Hundreds of people have been killed by so-called "cultural weapons" -- spears, clubs, machetes and axes, carried to

public rallies by Inkatha members, yet Buthelezi has threatened all-out civil war if these Weapons. are banned. In 1987 Buthelezi told Inkatha leaders that, "Going to war...is something we 'as Zulu leajde'rs understand, and it is something that brings out the best in us."

Buthelezi and Inkatha believe in KwaZulu authorities routinely ban and disrupt ANC activities in

freedom and democracy. the bantustan, and, in places like Esikhanini Township, refuse the ANC permission to meet. Buthelezi rejects Mandela's proposal for a freely elected constituent assembly to draft a democratic constitution.
