Att: Cde. Steve Tshwete

Dear Comrades,

On the occasion of the 20th anniversary of the founding of the ANC we would like to send to you our congratulations.

Let us take this opportunity to assure you of our continuing solidarity with the liberation struggle in South Africa, and in particular with the African National Congress, especially in those important months and weeks of transition.

We wish you all success in reaching agreement on the formation of an Interim government to prepare elections for a constituent assembly, which in turn can lay the foundations for your and our long desired goal: the transformation of South Africa into a free, democratic, non-racist and non-sexist country.
