Dear Ms Kimaryo

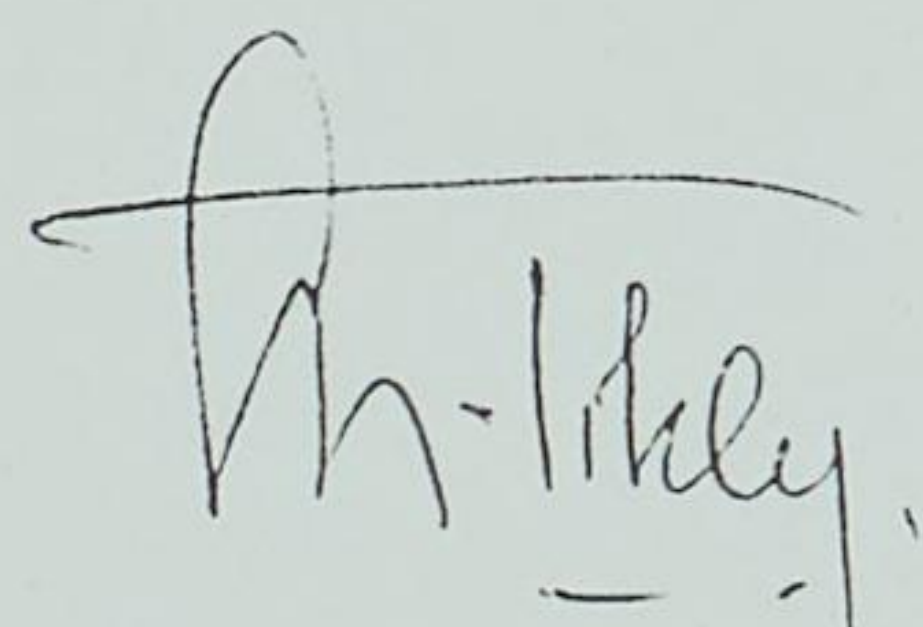

Thank you very much for your letter of 11 September 1994, in which you advise that UNICEF will kindly extend support to the Batlagae Trust's pre-school programme for 1995.

We are very appreciative of this pledge of support for a programme which we believe to be a vital component in ensuring that our young children, and particularly our returnee children, receive the opportunity for a good educational beginning and sound development. This is of major importance if South Africa is to be in a position to rebuild itself and to offer a bright future for all its citizens.

I confirm that we will forward the relevant bank account details in due course to enable UNICEF to effect a payment of \$100 000.00 early in 1995. As has been the practice in the past, we will submit an interim report on this funding during mid 1995, and a final report, together with the Trust's Audited Financial Statements, will be submitted early in 1996.

Thank you, once again, for UNICEF's support of our young returnees. Your commitment is very much appreciated.

Yours sincerely

Dear Mr. Tikly

SUBJECT: UNICEF SUPPORT TO SOUTH AFRICAN RETURNEE CHILDREN

I am writing, on behalf of our Representative-Designate, Ms. Scholastica Kimarayo, to hereby acknowledge receipt of your recent letter, dated 11/08/1994, requesting for UNICEF assistance to the early childhood development needs of returnee South African children.

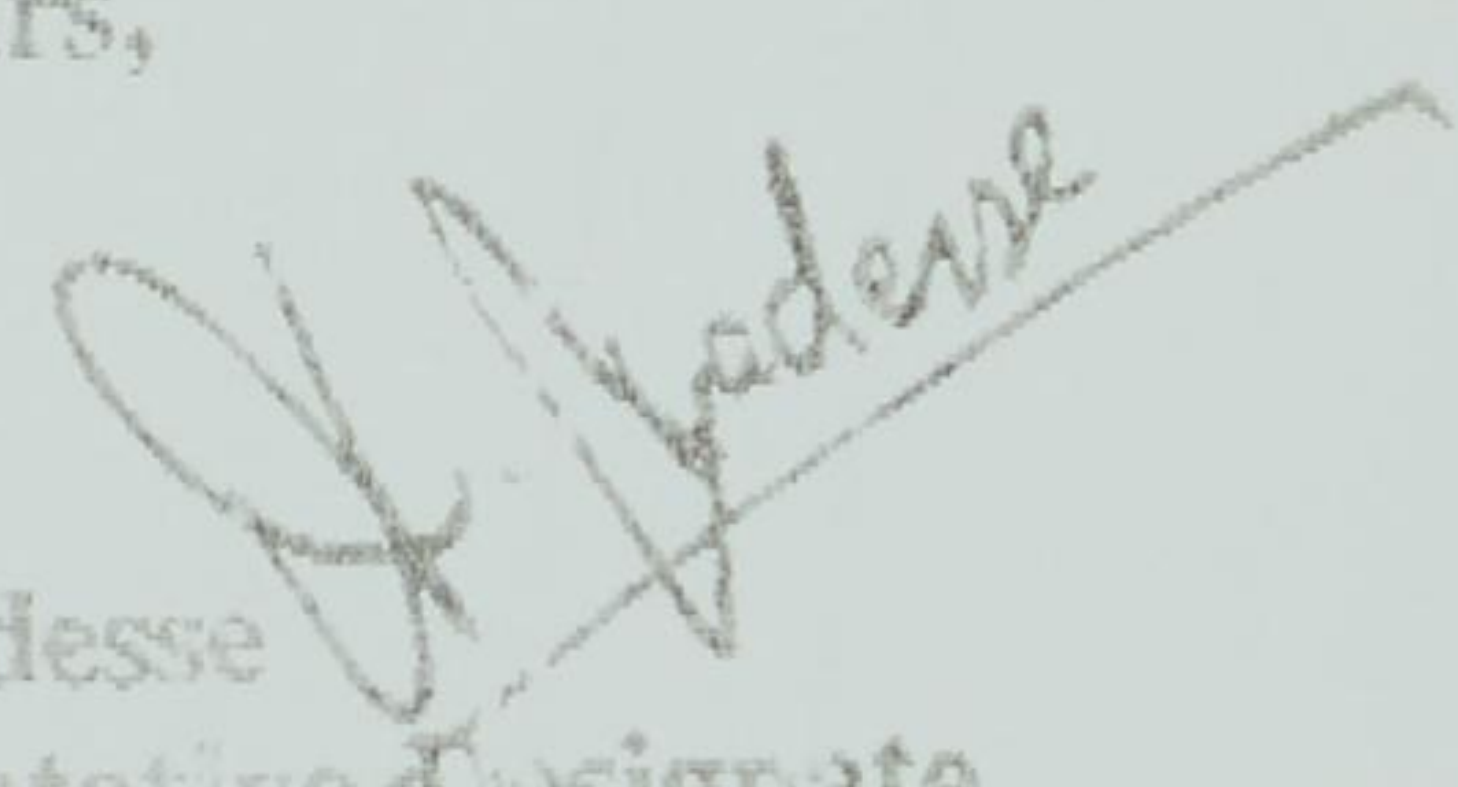

The rehabilitation of the livelihoods of South African children in especially difficult circumstances, including returnee children, has been an important programme objective for UNICEF in South Africa. We feel that your efforts to meet the early childhood development needs of returnee children is an important contribution to this rehabilitation, as well as reintegration, process. It is therefore my pleasure to advise you that UNICEF is prepared to extend similar support to Batlagae Trust's 1995 pre-school programme, as in the 1994 programme, that is the same amount of US \$ 100,000.00.
