Va muoipthd that :11 construction and installation weak
on this human; v1.11 ho emplotod by tho and of February. Homer,
baton the wk of the office: there cm proceed offieiently. 11; will
be noceuary to transfer switchboard ma tale: mcilitiu from thou-
prosent location to the new premium I mason you make tment-
for thin to be done in the lat wok of February or the first week in
M.

It v1.11 probably be menu!) to delay handover temporarily
while this work 13 being done. Hny I stress, homvcr, that the delay
:hould nut be too long; an unoccupied building invites thieves.
