Dear Comrade Eddie,

re: GDR UNIVERSITY OFFER

In reference to your letter dated March 6 and following our telegramme of March 24, in which we suggested that for the above-mentioned offer you should select all three from amongst the Group from the FRG. We will wait for further instructions from you.

We will be grateful if you could let us have a list of the offers we have so far so as to facilitate our selection and timely presentation of our candidates.

We have now presented application forms for Lumumba together with other relevant documents including academic reports from SOMAFCO. We hope they will all be accepted.

Please accept our comradely greetings in the Year of the Freedom Charter.

Amandla-Maatla!!!
