LUSAKA.

Dear Comrade Henry,

re: SOCIAL WORKER AT THE PRIMARY BOARDING

Mzee you ^{will} recall that at one of our meetings of the Education Secretariat we decided that NONKULULEKO D. SINEKE should be earmarked for work at the Primary Boarding Section. The purpose of this was to try to create an atmosphere of parantis en loco.

I have now been told that she may not be ^a suitable candidate to play this role. It is true that we need her skill. I now propose that she be deployed at the Education Orientation Centre.

I have another proposal. Comrade Eunice Motsepe has completed the course at the National Social Welfare Training Institute in Dar es Salaam. My proposal is that she should be persuaded to work at the Primary Division (Boarding).

Mzee I hope that you will vet this suggestion with alacrity either way.

My best regards.

In the Year of Advance to People's Power!
