Date 20 November, 1989

I have the honour to extend an invitation from the Government of the United Republic of Tanzania, to Comrade Walter Sisulu, together with any one of his colleagues who were released with him, to visit the United Republic of Tanzania as guests of the Government.

In the spirit of solidarity, it would be an honour and an inspiration to the Party, the Government and the People of Tanzania to host, meet, listen to and see this prominent son of Africa, and a veteran leader of the African National Congress, who has sacrificed so much of his life for the cause of freedom.

It is in that context that the Government of the United Republic of Tanzania hopes that this invitation will be considered and an appropriate reply be given.

Accept, Comrade Secretary General, the assurances of my highest considerations.
