Dear comrade,

The representation hereby acknowledge list of names for placement in Hungary as your letter dated 15/04/85 refers. We therefore, would like to notify you that without medical reports the list is but of less assistance. We hope you will send reports soonest.

Secondly, concerning the report you requested on the incident of the dragging of Thobeka, we have informed the Regional Chief Of Staff, Uncle, verbally and in written form to write the statement. Up to now we are still waiting.

As regards your note Comrade Dikeledi Motsepe, we have informed the relevant department which undertook to assist her.

Lastly, find a statement from a SWAPO Comrade Iithembu, who claimed that he lost 140 US Dollars whilst he was with Comrade ^{Tamo} Fhany Molefe in August 1984 in Geneva.

The report is self explanatory, we hope you will assist to settle this matter.

Looking forward to your favourable response.

AMANDLA!
