The Lych Gate Notice Board

Last year, when Phase One of the Kingswood Foundation Trust's fund-raising scheme was drawing to a close, and the new effort in the shape of Phase Two was being launched, the Old Boys thought it fitting that there should be some tangible recognition for the efforts of those involved in Phase One. What better memorial to these men than something that would serve a long-felt need in the form of a central notice-board for the boys, as well as reminding present and future generations of the loyal support of Old Boys?

Thus it was decided to erect a notice-board in the "quad" behind School House, where once there stood the unsightly tin-shanty

Mrs. Neville Turner opening the new Lych Gate Notice-board.

lavatories etc. of earlier times. Accordingly the job was done, and the plaque on the Lych-Gate notice-board was unveiled by Mrs. Neville Turner, wife of the chairman of the Foundation Trust, on Foundation Day, March 14th, 1968.

Today Old Boys revisiting the school will hardly recognise the area between the rear of School House and the Melville Dold teaching block — well-trimmed lawns and paths, having as their focus the Lych Gate notice-board. What was nigh to being an eye-sore in the heart of the school, is now a pleasant courtyard, appropriately known as Foundation Close.

Thus the Lych Gate serves a three-fold purpose: it is commemorative; it is utilitarian; it is aesthetic.

Our New Kombi

"How do you transport your teams these days?" "Oh, the school bought a Kombi recently which helps a great deal, but we still rely heavily on private cars."

"One Kombi does not seem to me to be adequate," commented Dennis Carlstein.

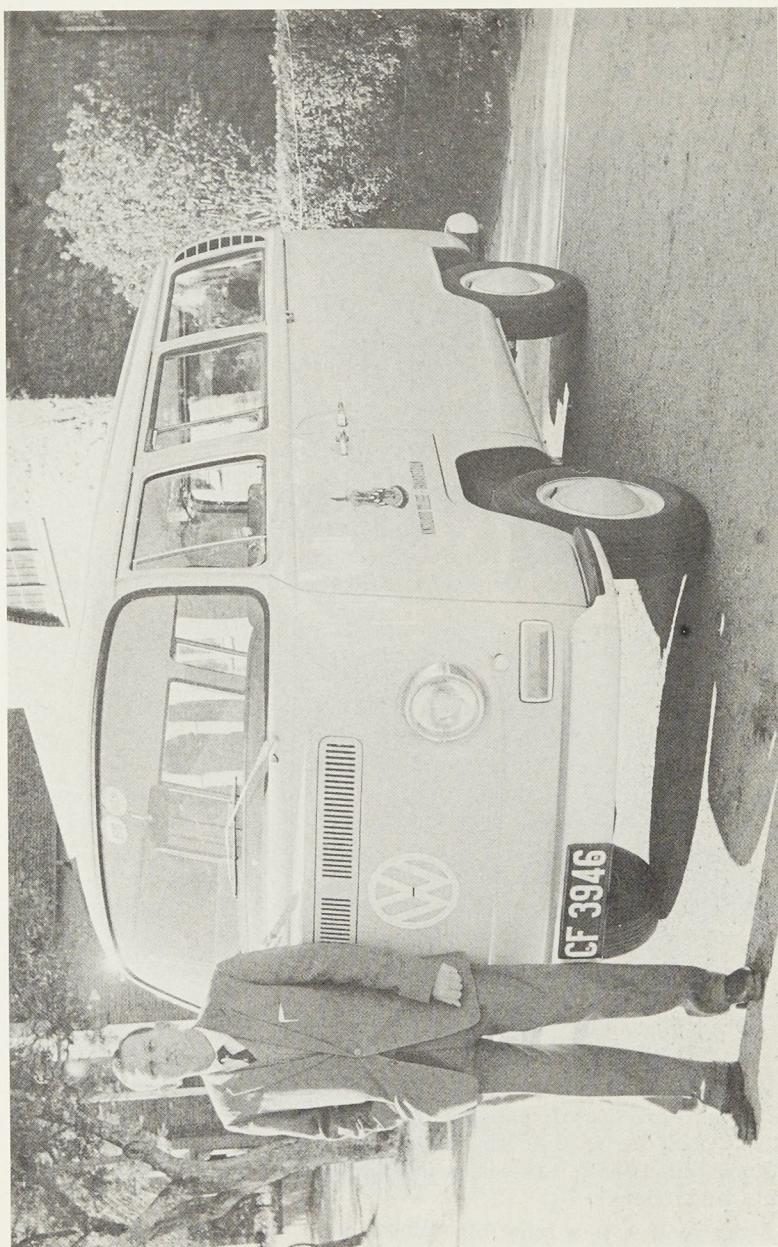

The above conversation took place on the evening of the 14th March this year at an informal gathering of old boy cricketers after the traditional cricket matches on Foundation Day.

On the Thursday before Easter Dennis Carlstein was back in Grahamstown from Welkom with his family to spend the weekend with O.K. friends at the sea. With him he brought the brand new 1968 model Kombi pictured here, complete with the school badge painted on the doors, as a gift to the College. We were naturally both proud and thrilled at this magnificent gesture.

So now we have two of these very versatile vehicles. One takes a tennis team; the two together can take a whole rugger or cricket team. Other school activities also are feeling the benefit e.g. groups from the Scientific Society have visited nearby research stations.

We still have problems when taking two or more teams away, or when larger groups of athletes or swimmers are involved and we hopefully look forward to the day when there may be even further additions. But already the strain is much lighter on the cars of staff, parents and friends.

Kingswood says a very big "thank you" to Dennis Carlstein for his magnificent gift.

OUR NEW KOMBI

Headmaster's Annual Report

OCTOBER, 1967

Mr. Chairman, Dr. and Mrs. Busschau, members of the College Council parents and friends:

I have the honour to present the College's report on the activities and achievements which have kept both staff and boys so busy during the past year. As you will see, many members of staff have contributed to this record.

Examination Results:

The senior Matriculation class of 1966 did not appear to us to be highly endowed academically. We did know that very many of them were hard working.

You may then imagine our delight when the Matriculation pass lists reached us in the middle of January. If ever my oft-repeated contention that it is the boy who works who wins, was to be demonstrated, then the 1966 Matriculation class did so.

- (a) Joint Matriculation Board Matriculation and School Leaving Certificates: 11 First Class passes, 17 Second Class passes, 5 Third Class passes, with no few than 19 distinctions spread over six different subjects.

In addition a small group of boys, who appeared to have no chance of gaining a Joint Matriculation Board Certificate, were entered for the National Senior Certificate and seven out of 14 passed, one with university entrance.

- (b) In the Junior Certificate examination, written mainly by boys who are still in the fourth forms (Standard 7), the following results were obtained: 12 First Class passes, 31 Second Class passed, with 15 distinctions.
- (c) Taalbond: Voorbereidende — Hoër Graad met Lof 1, Hoër Graad 11, Gewone Graad 39. Laer — Hoër Graad 5, Gewone Graad 67. Hoër — Gewone Graad 16.

Staff:

After a long spell of unprecedented stability it is inevitable that when changes come they take us by surprise. Mr. Watson's decision to leave the teaching profession in search of a far more lucrative way of life is one which I deplore; he is such a good schoolmaster. In their three years in charge of School House Mr. and Mrs. Watson have won the respect of boys, parents and the staff. Mr. Gavshon is reluctantly answering the call of his ageing parents to return to the United Kingdom. Mr. Nel is, for one year,

curtailing his class teaching so that he can spend more time developing his musical talents at Rhodes University. Mr. A. M. M. Rossouw, after a long and distinguished career, is retiring to his home at Jeffreys Bay.

Mrs. I. Murray has for the past five years been motoring back and forth some 36 miles each day to teach Biology to the senior forms. Only the dedicated wife of an Old Kingswoodian and the mother of two Kingswoodians would have kept up this grueling routine for so long. We are truly grateful.

Mr. S. H. G. Morgan has spent one year with us taking most of the physical education classes. He returns to University next year and then comes back to Kingswood as a permanent staff member.

New appointments have already been made to fill all the vacant posts. Mr. K. H. Douglas is to be transferred from Wood House to School House and Mr. L. R. Victor has been appointed the new Housemaster of Wood House.

New Teaching Aids:

The enlarged language laboratory has taken over six months a-building, due mainly to our very wet winter. However, we have in our possession all the apparatus and furniture needed for the full tally of thirty booths. Surely we can expect to have the use of this new building, together with the gymnasium, by the beginning of next year.

The overhead projectors are slowly coming into use. The problem of the effect of glare on the teachers' eyes was not foreseen and has taken a little time to overcome. At present we have only nine of these projectors; I have no doubt by this time next year I shall be looking round frantically for the ways and means of doubling this number.

The Carey Memorial Gate:

The new gate which has just been built at the entrance leading to the area between School House and the Dold teaching block has transformed the whole appearance of this area. It has also pointed to quite a lot more face-lifting which must take place along Burton Street.

The gate is the gift of the sons and daughters of the late Mr. Oliver T. Carey. It has been built as a memorial to the memory of an Old Kingswoodian who was the father and grandfather of Old Kingswoodians and present Kingswoodians.

It is gifts such as this that bind the generations in their love for their old school, whilst at the same time bringing an enhanced sense of their heritage to the present boys in the school.

In the course of my truly-wonderful long leave Mrs. Dacam and I were quite overwhelmed by the kindness we received from parents and old boys. Accounts of our meetings with the Kingswood connection in Windhoek and Salisbury will appear in the next issue of the Kingswood Magazine.

For the second consecutive year the Synod of the very large Methodist Grahamstown District have elected me as one of their two lay representatives to Conference, this year in Pietermaritzburg. This honour I take as a special vote of confidence from the Church in what the staff are achieving in this school.

Chaplain's Report:

The year has seen great strides in the quality of worship produced in the Chapel both in morning prayers and in the Junior Chapel Services. Visitors to the evening services are struck by the quality of leadership that is provided by the boys of the Junior Leaders Committee. I am equally happy in the splendid reliability of the members and the fine atmosphere and sense of eagerness that there is to take part in, and be part of, the worship.

We have had some memorable services too. At Christmas time we had the annual Carol Service. At this service we also received and unveiled the "W.H.S. Window" given to the Chapel by past members of the Wesleyan High School for Girls. The music prepared for the occasion by Mr. Stewart Thompson as he conducted both Choir and Brass Band set a new standard, and the large choir of boys gave a polished performance. There were numerous "Old Girls" of W.H.S. present and we were able to bring them a nostalgic moment when the grandsons of two present distributed some old W.H.S. hatbands that had somehow miraculously survived the ravages of time. These were much appreciated.

In other departments the work goes steadily ahead. Assisted by Mr. T. C. Hartzenberg and Mr. A. M. M. Rossouw regular weekly prayers are held on Wednesdays in Afrikaans. Their help and fine contribution is much appreciated.

In the teaching sphere no new books have been added as text books to the curriculum, as the opportunity presented by an overseas trip has suggested that new aids and valuable new books might be procured from publishing houses in Britain. We are well served here, but the range and therefore the choice is somewhat limited.

H. F. KIRKBY.

PRIZE LIST 1967

Form 4: 1st on Year — M. G. Collett; 2nd on Year — G. A. Dewar; English — P. G. Sole; Latin — A. P. Rein; Afrikaans — J. A. van Wyk; History — M. G. Collett; Physical Science — G. A. Dewar; Mathematics — G. A. Dewar; Geography — M. G. Collett; General Proficiency — D. J. F. Pitman, M. H. Stephenson, N. H. Aggett.

Form 5: 1st on Year (White Memorial Prize) — G. Leigh; 2nd on Year — A. P. Stevens; English — G. Leigh; Latin — G. Leigh; Afrikaans — B. M. Pringle; Physical Science — A. P. Stevens; Mathematics — M. P. G. Dean; Science and Mathematics (Foundation for Science Prize) — G. Leigh; History — A. P. Stevens; Geography — A. P. Stevens; Bookkeeping — L. B. Turner; General Proficiency — J. T. Cook, T. J. Spiegel; Diligence — C. D. Collett, T. A. James, D. T. Burnett.

Junior 6th: 1st on Year — G. H. M. Pitman; 2nd on Year — R. A. Knott; Mathematics — G. H. M. Pitman; Additional Mathematics — J. J. Raymer; English — H. J. Livingstone; Latin — R. A. Knott; Afrikaans — D. N. Oosthuizen; Physical Science — G. H. M. Pitman; History — M. D. Copeland; Geography — R. M. L. Dold; Bookkeeping — R. M. L. Dold; Chemistry — A. P. Momberg; Biology — D. Meyer; General Proficiency and Mathematics — A. C. Barnes; Diligence — C. G. Coetzee, I. C. Hinds; Commerce — I. S. Dove.

Senior 6th: 1st on Year (Ayliff Memorial Prize) — A. E. L. Dold; 2nd on Year — M. L. Rein; English (E. Ross Timm Prize) — R. R. Lock; Latin (E. G. Gane Prize) — A. E. L. Dold; History (Maskew Miller Prize) — R. F. Grundleger; Geography (J. H. Buzmann Prize) — A. E. L. Dold; Physical Science (Dallas Milton Prize) — M. L. Rein; Mathematics (A. T. Williamson Prize) — A. E. L. Dold; Mathematics and Science (Maurice Timm Prize) — A. E. L. Dold; Afrikaans — A. E. L. Dold; Bookkeeping — R. F. Grundleger; Biology — D. H. Sparks; General Proficiency — J. H. C. Butler, M. G. Collett; Diligence — B. H. Young, T. J. Friderichs, A. V. Dickie.

SPECIAL PRIZES

Music: B. J. Drew.

Cadle Cup (Best Instrumentalist in the Band): D. H. Sparks.

Cathrine Cup (Smartest Cadet): Drum Major B. A. Sephton.

Thomas Hughes Prize (English Composition): R. R. Lock.

- R. A. Moore-Dyke Prize** (Race Relations Essay): 1, C. N. Nash;
2, M. L. Rein.
- Abe Bailey Prize for Bilingual Public Speaking:** P. A. Solomon.
- Kay Adams Memorial Prize for First Aid:** D. K. Thomas.
- Special Service Prizes:** J. R. G. Collett, K. A. Hall, D. L. Hobson,
H. J. Livingstone, R. H. Sparg, P. J. van Niekerk.
- Old Kingswoodian Prize (Best in National Junior Certificate 1966):**
A. P. Stevens.
- Judge Prize (Good Fellowship):** P. H. Kamp.
- Robert Godlonton Prize** (for the most academically successful
Senior): A. E. L. Dold.
- Knight Memorial Prize (Head Prefect):** P. H. Kamp.

DISTINCTIONS GAINED

- Matriculation 1966:** I. W. Beinart (Mathematics, Physical Science),
A. Bradlow (Physical Science), H. D. Collett (Mathematics,
Physical Science, Geography, Additional Mathematics), R. J.
Kemp (English), W. N. Knott (History), L. Michaelides (Mathe-
matics, History, Physical Science), W. L. Michell (Physical
Science), D. B. Momberg (History), G. J. Philip (Mathematics),
A. D. Spiegel (Mathematics), T. D. Long (History), D. N.
Murray (History), M. D. Stewart (History).
- National Junior Certificate:** J. G. Collett (Geography), J. T. Cook
(Geography, Science), M. P. G. Dean (Mathematics), A. M. du
Toit (Afrikaans), N. E. Featherstone (Geography), D. L.
Hobson (Geography), G. Leigh (Mathematics, Science), B. E.
Parfitt (Geography), J. Sandler (History, Science), A. P.
Stevens (History, Mathematics, Science).
- First City Regimental Sword of Honour:** Senior Student Officer
A. E. L. Dold.
- Summa Cum Laude** (Honours Awards): Academic — I. W. Beinart,
H. D. Collett, L. Michaelides; Athletics — A. P. Forsyth, P. H.
Kamp; Rugby — C. J. Swemmer.

JUNIOR PRIZE LIST

- Standard 1:** 1st on Year — Dean Wallace.
- Standard 2:** 1st on Year — Michael Moss; 2nd on Year — Charles
Berrington; Steady Progress — Dallas Sephton.
- Standard 3:** 1st on Year — Carey Hobson; 2nd on Year — Ewart
Lee.

Form I: 1st on Year, Arithmetic and History — Michael Bradfield;
2nd on Year, Arithmetic and Nature Study — Brian Miles;
Afrikaans — Alexander Meiring; General Proficiency — Charles
Wade; General Improvement — Kevin Wright.

Form II: 1st on Year, and 1st in most subjects — Philip Collett;
2nd on Year and Latin — Ian Rubin; Afrikaans John Truter;
General Proficiency — Richard Pearce, Ray Hobson, Jean van
Niekerk; General Improvement — Michael Bester, David Brown,
Murray Douglas, Stefanus Oosthuysen, Duke Staples.

Form III: 1st on Year and Arithmetic — Peter Dold; 2nd on Year,
English and Afrikaans — Sydney Turner; Latin and Science
— Theo Lombard; Mathematics and History — David Raymer;
Geography and History — Robert Charlton; General Proficiency
— Stephen Barlin; Steady Work — John Clews, Charles Hughes,
Robert Lewy and Michael Shaw; Improvement in History —
Michael Solomon.

SPECIAL AWARDS

Scripture: Jeremy Staples.

Speech: Robert Tarr.

Music (Dorothy Read Prize): Stephen Barlin.

Woodwork: Harry Moss.

Johan Buxmann Rugby Shield: Athol Hudson.

Jack Ellis Memorial Cup: Athol Hudson.

Jagger Scholarship: Sydney Turner.

AWARDS OF ACADEMIC STANDARD BLAZERS 1967

Senior Matriculation Form. 65% aggregate:

Butler J.; Collett M. G.; Dold A. E. L.; Grundleger R.; Kirkby R. E.;
Lock R.; Nash C.; Rein M.; Soloman P.; Wallace J.

Junior Matriculation Form. 65% aggregate:

Barnes; Coetzee; Copeland; Dold R. M. L.; Dove I; Fraser D.; Knott R.
A.; Livingstone H.; Pitman G.; Raymer J. J.; Thompson J. C.; Watson D.

Fifth Forms. 70% aggregate:

Cook J. T.; Dean M. P. G.; Leigh G.; Pringle B. M.; Spiegel T. J.; Stevens
A. P.; Thomas J. D.

SCHOOL HOUSE

The house was most distressed to hear of Mr. Ken Watson's sudden decision to leave schoolmastering for a business career. We cannot afford to lose men of Ken's calibre for he was a brilliant teacher of both able and not-so-able boys as his many distinctions and lack of failures proved over and over again. He was also an inspiring and successful games coach and sports administrator. Fur-

thermore in his three years in control of School House he won the affection and respect of boys staff and parents as an outstanding Housemaster. He and his charming wife will be missed by us all and we wish him great success in his new venture.

Mr. and Mrs. Ken Douglas were transferred from Wood House to fill the vacancy caused by Mr. Watson's retirement.

K.D.

CHUBB HOUSE NOTES — 3rd Term 1967

The house started the term well by winning the Muirhead Cup for the Inter-House Road Relay.

We congratulate Claude Ansley who became the first Kingswood athlete to break 2 minutes for the 880 yards. In doing so he very deservedly gained his Honours. E. Dold, R. Liddiard and A. J. Howarth received colours.

M. Whitehead represented E.P. Command in the Inter-Provincial Bisley at Pretoria. Well done Michael. Chubb came second to Wood in tennis with Munt Davies, the house captain, receiving colours while M. Kent received a standard.

Calvin Swemmer, cricket captain, received a colours re-award. Dickie and Kent both represented the School 1st XI and gained team blazers.

Five Chubb scholars gained First Class Matrics. Evan Dold particularly distinguished himself with three distinctions in Mathematics, Physical Science and Geography. C. N. Nash with distinctions in English and Physical Science was also awarded academic honours. Congratulations to A. J. Howarth, R. C. Liddiard (distinction in Maths) and C. D. Pritchard-Davies (distinction in History) for their First Class Passes.

1st Term 1968:

Calvin Swemmer was appointed Head of House and he is assisted by the following house prefects: G. Stretton, R. Sparg, K. Miles and D. L. Watson. M. Kent is School Prefect at Jacques House and R. Dold is a house prefect there. Tick Barnes is School Prefect of Intermediate House and A. B. Hobson and G. Collett are Intermediate House Prefects.

In Nuffield Week, held in East London during the December holidays, Calvin Swemmer gained selection for the Eastern Province XI. Calvin was re-elected Cricket Captain of the School 1st XI and was awarded Honours. M. Kent received Cricket Colours and Miles and Stretton represented the first team on numerous occasions.

Chubb came second in the Inter-House athletics and rather surprisingly won the tug-o-war. M. Kent was awarded his colours for Athletics while one of our new boys, Hayward Cillié, gained a standard.

Tick Barnes was the popular and efficient Captain of School Swimming and gained colours as did Ian Katz, another new boy. Tackies Botha and John White were prominent and successful divers.

Our grateful thanks go to Mrs. Jordaan, Sister Clayton and Sister Goodman and to Miss Warne and Miss Hobson for all they have done for us this year.

GANE HOUSE NOTES — 3rd Term 1967

Gane was very narrowly beaten by Wood House for the honours of winning the overall Interhouse Shield. The issue was in doubt right up until the very end of the year and Pete Kamp and his supporters are to be congratulated on a very fine year.

Gane scholars excelled themselves this year in the academic field with no fewer than seven out of the sixteen first class Matric passes. Academic Honours for two or more distinctions in Matric were gained by M. G. Collett (Maths and Physical Science) and by R. E. Kirkby (English and Maths.). Further distinctions were gained by Jukes Butler (Maths), T. L. Carey (Maths), R. F. Grandeleger (History), and J. C. Wallace (History). T. J. Fridericks also gained a First Class Matric.

In Athletics Dweet Kirkby and Pete Kamp performed superbly to win Honours while athletic colours were awarded to Ken Shaw.

In cricket Ken Shaw went to the Nufield Trials in East London and was awarded colours. Dweet Kirkby also gained cricket colours. Bruce Turner and Trevor Karg were regular members of the School 1st XI. In shooting Doets Knott was awarded a standard blazer.

In 1968 Colin Coetzee was appointed as Head of the House and he is assisted by the following house prefects: John Rayner, Ian Hinds, Geoffrey de Jager and Douglas de Jager.

In Cricket Ken Shaw gained Honours, Bruce Turner colours and Trevor Karg a standard. Ian Hinds was Captain of Gane House Swimming and Vice-Captain of the School team and he was re-awarded his Standard Blazer. Peter Gosling was also re-awarded a Standard. Marlin Colley was the School under 14 Swimming Captain and as the new u-14 Victor Aquarium he broke most of the school's u-14 records.

Our thanks go to the Sisters at the Sanitorium, to the Caterers at the Hall and to our Matron for all their care and attention during the past year.

WOOD HOUSE JOTTINGS 1967

The combined efforts of an enthusiastic house under the skilled and confident leadership of Paul Forsyth resulted in the house winning the Interhouse Shield for the sixth time.

The athletic season was most successful. Both Paul Forsyth and Jeremy Gallett gained the coveted Honours award for their outstanding performances, Alex Anastasia gained colours and E. Funck, S. Douglas, K. Hall, P. J. van Niekerk and J. Wellington were awarded standards.

In shooting, Christopher Step gained Honours and Stephen Dunk gained Colours. The House easily won the Inter-house Tennis thanks largely to H. B. Hobson (Colours), J. R. G. Collett and D. L. Hobson, both of whom gained standards.

T. Fincham and P. F. van Niekerk did very well in the school play; and in the final Matriculation Examination three of our top scholars: R. Lock, M. Rein and I. Stubbs distinguished themselves and the house by gaining Academic Honours. (Two or more distinctions in the Matriculation Examination). Congratulations also to P. Solomon and K. Bloch for their very creditable distinctions in Mathematics.

In 1955 when Wood House was changed from an intermediate to a senior house, Mr. and Mrs. Ken Douglas took charge of the house. After thirteen busy, happy and successful years they were transferred by the authorities to School House and their place has been taken over by Mr. and Mrs. Len Victor, to whom we wish every success in the future.

Our grateful thanks go to our Matron, Mrs. Walker, to Sister Clayton and Sister Goodman, and to Miss Warne and Miss Hobson for all their kind help and ministrations to us throughout a long year.

K.D.

WOOD HOUSE JOTTINGS 1968

An unusually hectic first term made time fly so quickly that it was all over amazingly quickly. The boys took part in all their activities with tremendous enthusiasm — their studies, cricket, tennis, swimming, athletics, rugby, shooting, societies, Wyvern, and the band all serving to keep everyone busy.

Our School Prefect, Pierre van Niekerk, was elected Head Boy of the School — a well-deserved honour. It was a great pity that Pierre's shoulder trouble forced him to withdraw from rugby but he did a valuable job in paving the way to our Open cricket team's

victory in their first match of the Inter-House competition. John Wellington's accurate bowling helped change the course of this match. The under 16 side also did well in winning their first match against powerful opponents. Tubby Hall and Zeph Eliason went on tour with the First Rugby Team and we wish them a successful season.

Denys Hobson was elected tennis captain, and Gavin Douglas was the House swimming captain and the school under 16 captain. The House commonroom is adorned with fourteen silver trophies consisting largely of the "spoils" gained by the Collier brothers and our swimmers G. Douglas, S. Douglas, A. Smith and B. Sandberg. H. Livingstone and I. Dove won the Inter-House quiz trophy for Wood House. We were all thrilled to hear that Gavin Douglas had won his way into the Eastern Province Schools swimming team and that he was awarded Honours at the end of the swimming season. The House won the Inter-House swimming.

Some big improvements are being made to the House. Fluorescent lighting has been installed in all the dormitories and plans are now afoot to construct more study cubicles so that every boy in the house will have his own study cubicle.

Our assistant Housemaster, Mr. A. P. Louwrens, is congratulated on his marriage to Miss Susan Vogel of the U.S.A., and we should like to thank him for his interest in the house and the valuable job of work he is doing as assistant.

Mrs. Walker, Sister Clayton, Sister Goodman, and Miss Warne are all thanked for their part in keeping the morale of the boys high.

L.R.V.

JAGGER HOUSE NOTES — 3rd Term 1967 — 1st Term 1968

The end of a year seems to come all too soon these days. This final term was no exception. It always brings plenty of exam preparation and tension and the farewells for those who are leaving. Our leaving Matrics brought us no first classes this time but made up for it in a way by producing no failures either. The house moved up one notch in the academic inter-house competition and won the Inter-House Athletics Shield once again. Apart from that nothing spectacular happened.

We said farewell to a good band of prefects and matrics and also to Mr. Len Victor as our Assistant Housemaster. We thank him for his efficient and loyal assistance and congratulate him on his appointment as House Master of Wood House as from January 1968.

We did welcome, at the beginning of the third term, our second American exchange scholar, Jeff Atwood. We are pleased to report

that we have another fine young man who has adapted himself with the minimum of effort and seems to be enjoying his stay.

At the end of the year the house voted again for our two House Awards. The John Thompson Award for the Sportsman of the Year was won for the second time by David Wilson — a fine effort. The Peter Ellis-Smith award for Good Fellowship was won by Dennis Bryan — a popular and well deserved award.

I would like to thank the prefects for a year's work well done and wish those who have left us the best of luck for the future.

We began the New Year with a full complement without being as crowded as we have been sometimes. The places of the leavers were all filled from Intermediate House with the exception of one. Robert Walker, in Junior Matric, was our only new-comer, having come from Queens College. He has been a popular acquisition and an asset to the house and the school.

This year's team of Prefects is led by Dawid Oosthuizen and consists of Neil Fraser, Mark Robus, Alan Momberg, Guy Pitman and Quentin Campbell who does duty as the Dold Block Prefect. They have developed into a loyal and efficient band and are doing a good job.

Mr. André Lemmer was appointed as Assistant Housemaster. He has spent the first term as a bachelor living in Dold Block. During the first holiday he marries Miss Isobel Porter and will live in town but continue to come in for duties. We wish them both every happiness and a long and happy association with Jagger.

New lights are being installed in the dormitories to provide adequate lighting for boys to read without strain. A split pole fence and a car port have helped to improve the appearance of the back of the house — all welcome improvements.

Finally a word of thanks to Mrs. Hartzenberg and Mrs. Aubrey and to the Sanatorium staff for their assistance whenever needed.

T. C. HARTZENBERG.

INTERMEDIATE HOUSE NOTES

As was right and proper, the last term of 1967 was devoted largely to whole-hearted preparation for the end of year exams. The efforts of the boys in the house were well rewarded because, of the twelve fourth formers in the school who obtained First Class National J.C. Certificates, nine came from Intermediate. The boys who thus distinguished themselves were: F. G. Carey, M. G. Collett, G. A. Dewar, R. Gloster, C. R. Osborne, D. Pitman, A. P. Rein, B. G. Sandberg and the dark horse, A. J. Watson. Our special congratulations go to M. G. Collett and G. A. Dewar who

set up an all-time record by each obtaining five subject distinctions, thereby earning themselves very well deserved standard blazers. Another record was established by Paul A. Lynch, the first newboy ever to win the Arthur B. Hobson Award for Good Sportsmanship — and his initials had nothing to do with his election! Among other inter-dormitory competitions, there was a shoot fired in early October. The result was a tie — each team of six turned in a score of 465 out of a possible 600. Best individual scores came from R. Ballantyne (92), B. Barnard (85) and J. Rippon (85).

The start of 1968 saw A. C. Barnes, G. H. Collett, T. W. Fincham and A. B. Hobson appointed as Prefects in the house. The care and control of fifty six lively adolescents, including sixteen rather helpless newboys, demands a very special brand of patience. Hats off to our "cops" for their whole-hearted service.

House activities included two quizzes in which South Dormitory established a slight lead. During a spell of wet weather we held six Inter-Dorm. Road Runs. Those whose stamina and determination enabled them to lead the field were: R. O'Neill, H. Moss, L. Whitehead, R. Friderichs, B. Gibbons, R. Lewy and P. te Groen.

A brand new interest and excitement for Third Formers was provided by Mr. R. Q. Tarr when he founded the Fishing Club. Numerous afternoon expeditions were organised to fish for large-mouth black bass in the dams of Mr. Harry Moss and John Berrington. The catches were outstanding. The heaviest fish landed, a monster of 5½ lbs., fell to the rod of Duke Staples. Our sincere thanks go to Aunt Bunny for making the trouble to cook the fish.

Half Term Holiday was spent at Kasouga. Despite threats of rain and cold wind the weather turned out fine; the carefully warped and waxed sand-skis provided plenty of fun.

INTER-HOUSE POINTS: 1967

| | CHUBB | GANE | JAGGER | WOOD | TOTAL |
|-----------------------|-------|------|--------|------|-------|
| Academics | 88 | 146 | 126 | 120 | 480 |

SCHOOL CINEMA

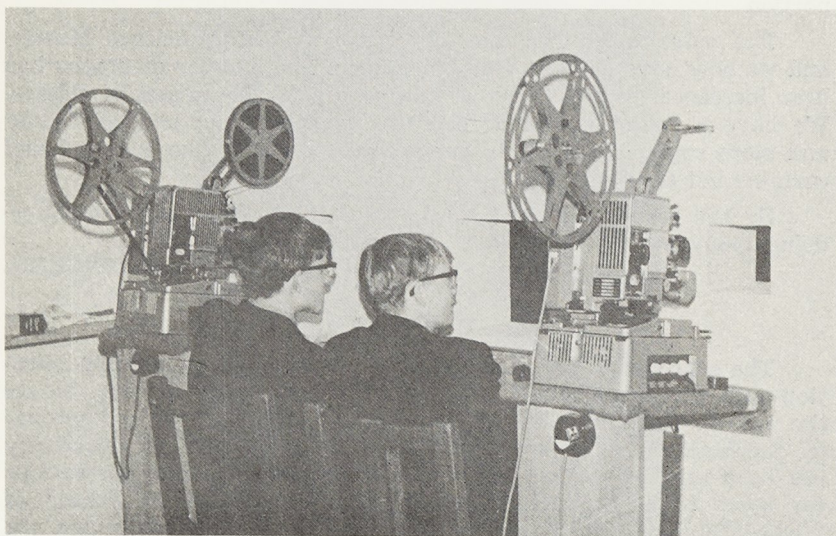

The facilities for showing movie films are being put to very good use by most of the School Societies and, in addition, regular feature films are enjoyed by the boys every third Saturday.

The projection crew have almost perfected the change-over technique so that changes between reels can hardly be detected. The projection crew are also called upon to operate and instal public address facilities, stage lighting and sound effects, both for the School and town. Their help with GADS productions of "Trap for a Lonely Man" and highly successful "Noah" were much appreciated, as also were their efforts in providing the public address for Carols by Candlelight.

The following were members of the Technical Staff: A. J. Collier, A. H. Smith, D. H. Hobson, B. Vorster and S. Turner.

Feature films screened included: Van Ryan's Express; The Yellow Rolls Royce; Summer Holiday; The Parent Trap; Macbeth; The Truth about Spring; Tokyo Olympiad; Invitation to a Gun-fighter; The Birdman of Alcatraz; Father Goose; Mutiny on the Bounty.

PHOTOGRAPHIC SOCIETY

We started this year with a lot of new, keen members. After a few weeks of working in the Darkroom, they soon had the hang of things.

However, towards end of term our enlarger bulbs fused and no bulbs could be procured from anywhere in town. So the club was inactive for a while. Although, after the loan of some bulbs from Mr. Leach's enlargers at Wallaces Chemist, we were able to continue with our activities again.

There is the hope of organizing a competition next term and another in the third term. Both lots of prints will be exhibited at parents week.

A. Smith.

LANGUAGE LABORATORY

During the Christmas holidays the move was made to instal the equipment in our new and enlarged laboratory. Owing to delays in completing the flooring and channelling by the builders, everything could not be connected up until some time during the term. Consequently the laboratory was partially out of commission for the first term — being available for small groups only during the latter portion.

The move was undertaken by Mr. Len Victor, Science Master, and we now have a really fine laboratory. The number of booths has been increased by 6 to 30 so we can cope with the largest of classes. We have a sound-protected recording booth, accoustic tiled ceiling and more cupboard space. In due course we would like a carpet and curtains but that will come.

By the second term all the booths will be fully operational — doing many hours per week.

T. C. HARTZENBERG.

WYVERN

The school newspaper has now entered its sixth year of publication and the hundredth issue should see the light of day before the end of 1968. This year, the format has been greatly improved by the insertion of bold headlines and the standard of readability has been raised considerably. For these most acceptable innovations we must thank Mr. Keith Bryer. His experience as Editor of "Grocott's Mail" before he joined Kingswood staff made him the adeal man to guide the paper. And Gregor Leigh, the 1968 Editor, has produced all the enterprise and zeal one would expect from a boy with his journalistic background.

Other members of the Editorial Board who have helped to give Wyvern the "new look" are:

Assistant Editor: J. T. Cook.

Production Manager: A. P. Stevens.

Distribution Manager: A. P. Rein.

Sports Editor: R. I. Stewart.

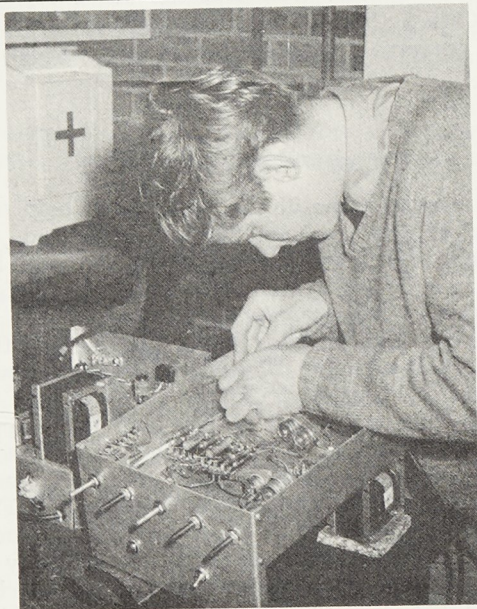

Societies Editor: D. Pitman, B. Sandberg.

Reporters: J. T. Atwood, R. N. Velkes.

We are most grateful to Mrs. Bob Heffer for her unfailing cheerfulness when faced with the ordeal of typing thick wads of almost illegible copy!

SCIENTIFIC SOCIETY

The Laser is an instrument often spoken about but seldom seen. Members of the Society were privileged to have a laser apparatus demonstrated to them by Mr. H. Helm of the Rhodes University Physics Department. After explaining in some detail how it works he performed experiments with this remarkable beam of intense red light which gave conclusive evidence of the wave-nature of light.

Roger Dold at work on his 12 watt Hi-fi amplifier.
(Photo : D. Burnett)

Films on Particle Accelerators and the Mohole Project gave members some insight to the vast scope of research physics and the incredible sums of money which were being spent on the quest into the unknown.

A record number of boys took part in building their own amplifiers and the Post Matric physics laboratory was a hive of activity for a whole term. Amplifiers were built by: G. H. Collett, R. M. L. Dold, J. J. Rayner, A. P. Stevens. G. Leigh, B. Vorster, R. Stewart, M. Whitehead, I. Berrington, P. F. van Niekerk, P. Gosling, A. Smith, T. J. Spiegel and D. Elvey. J. White and A. Bosworth built radio-control apparatus.

An excursion to the Jupiter Research Station provided members with an opportunity to see for themselves some original research being undertaken. The group saw the complex radio apparatus, recorders, timing devices, and antennae used to "listen" to the strange noises emitted by the planet Jupiter. D. Pitman expressed the gratitude of the Society to Mr. M. J. Botha for going to the trouble of showing the apparatus to the members and for his clear explanation of how it all worked.

A film shown by Mr. Weller of the 3M Company proved most entertaining. Called "The Bold Men", it dealt with some of the amazing feats performed by men in this adventurous age.

L.R.V.

CADET CORPS NOTES

The 1967 Annual General Inspection was held on Monday 2nd October as an integral part of Parents' Weekend. Thanks to the loan of portable stands by Rhodes University the large crowd of visitors had a good view of the proceedings on Knights Field, and Mr. Victor's public address system worked with its customary efficiency. During the parade Senior Student Officer A. E. L. Dold was presented with the First City Regiment Sword of Honour by Commandant A. Chemaly, Officer Commanding the Unit. This award was not only well merited but singularly appropriate since Dold's father, Commandant G. A. L. Dold, was Officer Commanding First City Regiment for several years after the last war. In his closing address the Inspecting Officer, Commandant F. A. Patterson, Officer Commanding 6 S.A. Inf. Ba. complimented the Corps on the high standard of drill. He mentioned particularly the excellent playing and marching of the Brass Band, trained by Capt. S. J. Thompson, and the efficiency of the First Aid Detachment who had been prepared for their demonstration by Mrs. G. C. Mortimer of the S.A. Red Cross Society. A special word of thanks is due

to Mrs. Mortimer. The very high standard of First Aid instruction, both in theory and in practical, which she has given to our Cadets, has resulted in nearly all Junior Matrics being awarded their certificates.

A heavy November drizzle nearly spoilt the Remembrance Sunday wreath-laying ceremony on Church Square. Rain-soaked uniforms prevented the corps from attending the traditional Memorial Service at Commem. But at a ceremony held in the Dining Hall Miss H. S. Wood of Port Alfred presented her late brother's sword, the H. S. Wood Memorial Sword, to C.S.M. R. G. Clarke, for outstanding service to the Corps.

At the end of the year we suffered a severe blow when Fd. Ct. G. W. R. Nel resigned in order to give himself more time to devote to his musical studies at Rhodes University. A most efficient Master Officer, Fd. Ct. Nel demanded and achieved a very high standard of smartness in A Company. Commitments in other school activities caused the simultaneous resignation of Fd. Ct. J. B. Wegerhoff and A. Fd. Ct. L. Schroeder. To re-enforce our officer strength Fd. Ct. J. J. de Jager joined us to take over the training of the recruits in B Company — and a very good job he is doing of it too. This appointment permitted the promotion of Fd. Ct. A. F. Burrell to Company Commander of A Company, a post for which his long experience of cadet work makes him particularly well fitted.

On the strength of a promotions course he'd during the last few weeks of the year, the following appointments were made for 1968:

A Company:

Student Officers: D. Fraser, C. G. Coetzee, J. C. Thompson,
G. H. Collett, N. Fraser.

C.S.M.: M. C. Kent.

Sergeants: Q. E. Campbell, R. Cornish, H. J. Livingstone, R.
M. L. Dold, D. Watson.

C.Q.M.S.: S/Sgt. D. N. Oosthuizen.

Coy. Clerk: Cpl. D. W. Erskine.

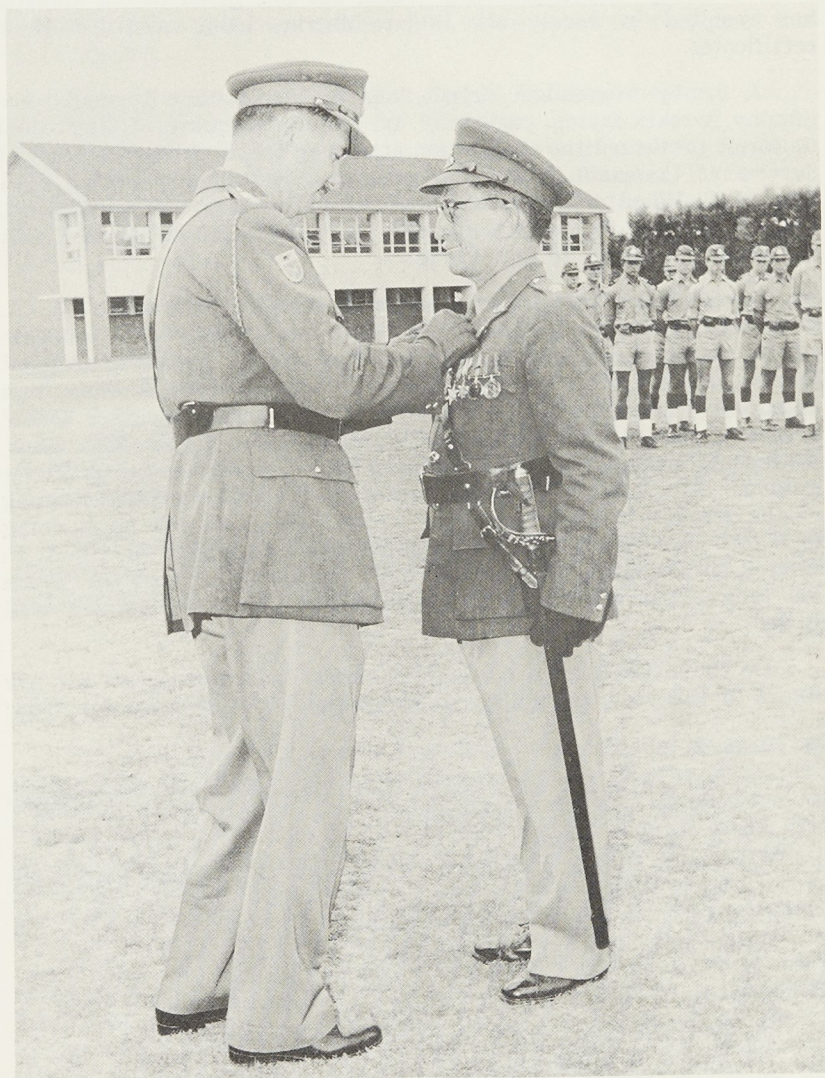

B Company:

Student Officers: G. H. Douglas, A. R. Henry.

C.S.M.: J. Wellington.

Sgts.: T. Karg, I. Crafford.

In the first few weeks of 1968 training in A Company was directed towards the holding of a rather special parade. On 23rd February Col. J. R. Dutton, Officer Commanding Eastern Province Command, honoured the Corps by personally presenting the Cadet

Col. J. R. Dutton, Officer Commanding Eastern Province
Command, presenting the Cadet Corps Medal to
Major D. R. Butler.

Knight Field—23rd February, 1968

Medal to Maj. D. R. Butler, for 20 years efficient service in cadet work. A large number of local military dignitaries were present.

Fair weather, for a change, blessed the Foundation Day Parade on Sunday, 17th March. The smartness of the marching, and the volume of the singing from the gallery of Commem., were a fitting tribute to the memory of the 72 Old Kingswoodians who died in the last World War.

SHOOTING

The Inter-Detachment Bisley was arranged at a time which proved most awkward for our teams in that it was fired on Speech Day. Although they put up a very good score during practice most of our marksmen had disappointing shoots on the day of the competition, upset possibly by having to rush down to Port Elizabeth early in the morning. Some rather dubious scoring by incompetent officials unsettled nearly all the competitors. G. J. Lombard and M. J. Whitehead were selected to represent Eastern Province in the Senior and Junior teams respectively. For the fourth successive year, Eastern Province won the Grand Challenge Shield at the Inter-Command Cadet Bisley.

One of the most enjoyable shoots of the year was that against St. Andrew's. In a closely contested match St. Andrew's were the eventual winners beating our Senior team by 10 points, and our Juniors by 4 points.

Scores were:

Seniors: R. Knott 388, G. Lombard 379, C. Step 398, S. Dunk 389.

Juniors: R. Stewart 389, B. Billingham 386, J. Muller 380, M. Whitehead 377.

The Spence Trophy Competition attracted keen competition from Rhodes, Grey, Graeme, St. Andrew's and Kingswood. The competition was won by the strong Rhodes A team with 1,525, followed by St. Andrew's A with 1,512 and Kingswood A with 1,499 points. C. J. Step won the individual competition after a shoot-off with T. J. Thompson (Old Kingswoodian 1964) of Rhodes with a brilliant 99% on the metric target.

C. J. Step was awarded Honours for his brilliant shooting throughout the year; Colours were awarded to S. P. Dunk and G. J. Lombard. Standards were attained by R. Knott, J. Muller, R. Stewart, M. Whitehead and B. Billingham.

The Col. Minnaar Trophy for the best Senior Marksman was awarded to C. J. Step and he also won the Fletcher Trophy for being the best rapid-fire marksman. The Jones-Phillipson Trophy

for the most improved under 16 marksman was awarded to B. W. Billingham, and the Deary Trophy was awarded to M. J. Whitehead. A Kingswood swagger stick was awarded to G. J. Lombard for his services to shooting on the range and in the armoury.

In a recent 100 metres match, W. Liversidge and D. Pitman shot well, and an under 15 team had a convincing win over St. Aidan's. The team was represented by J. Hedderwick, D. Pitman, M. Dean, W. Liversidge, N. Aggett and A. Rein. The highest scorer was A. Rein with 92%.

Captain of shooting this year is T. W. Fincham, and M. J. Whitehead is armoury sergeant.

L.R.V.

BRASS BAND 1967

This was another busy year for the band who were very ably led by Drum Major Brett Sephton.

During the first term we played at the Foundation Day Parade and later during the term we enjoyed a very pleasant day at the Bathurst Show.

The band were very smart on the occasion of the Delville Wood parade during the second term and later during the same week we were the guests of Dale College at a fête held in the main sports stadium in King William's Town. Here we were well entertained and well received and to my mind this was one of the best parades I have ever seen.

We escorted Dick Ferreira into town after his mammoth ride early on in the third term and then played and marched at the Grahamstown Gymkana. Then followed the Annual General Inspection and Remembrance Day parade. The band also played at the Carol Service and had to play all the hymns at the Leaving Service as the Commem. organ was faulty.

D. Major B. Sephton was awarded the cup for the smartest cadet and Sgt. D. Sparks was awarded the cup for being the best instrumentalist. Special mention must be made of Sgt. Sparks who played the Last Post and Reveille so well on numerous occasions.

Special thanks to our hosts at Bathurst, King William's Town and the Gymkana for entertaining us so well and a word of praise for all the members of the band who have worked hard to make such a success of the band.

Members of the Band:

Drum Major: B. Sephton. Sgts.: V. Oxenham, D. Sparks. Cpls.: M. Rein, A. Anastasiou, G. Tucker, I. Stubbs, G. Skinner. L/Cpls.: M. Muller T. Fincham, G. J. de Jager, G. D. de Jager, T. Spiegel, M. Plumstead, T. Walker. Privates: A. Collett, K. Cornish, J. Sandler, P. Steyl, H. Humbly, A. Matthews, A. Watson, J. Daniels, J. Cook, W. Fordred, A. Barnes, R. Lones, D. Swan, R. Thomley, P. van Niekerk, R. Warneke, G. Leigh, M. Stephenson.

Marches Played:

Sussex by the Sea, Washington Post, Colonel Bogey, Light of Foot, Great Escape, Dominique, Advance in Review Order, Trumpet Voluntary, Pageantry, Duke of York, Manhattan Beach, Welsh Hymn Melody.

Carols and Sacred Music:

While Shepherds Watch; It Came Upon a Midnight Clear; Hark the Herald; Die Stem; Carmen (School hymn); In the Cross of Christ; There is a Green Hill; When I Survey; When God of Old; Love Divine; Praise my Soul; My Heart and Voice; We Bless Thee Lord; Immortal Invisible; O God our Help; For the Might of Thine Arm; Who would True Valour See; This, this is the God; Forth in Thy name.

S.J.T.

Grocott's Mail — 3/10/1967 KINGSWOOD ONE-ACT PLAYS

The evening of one-act plays by the Junior and Senior Dramatic Societies of Kingswood College provided very pleasant entertainment for those parents who came down to Grahamstown for the long weekend. The plays were preceded by the Junior Choir under the direction of Mr. Stewart Thompson.

The Junior Choir sang very well and impressed with their disciplined and charming manner of presentation. The songs all concerned the sea and were linked further by narrators who introduced each song.

"Kings in Nomania" by Percival Wilde, presented by the Junior Dramatic Society and produced by Mrs. Carol Tarr, went down extremely well with the audience. The choice of play was a happy one and ideally suited to junior school children. The story concerns a young boy king and a bootblack in the kingdom of Nomania, who are brought together by chance and injustice on Christmas Eve. Yanku, the bootblack, is condemned to death for finding a precious jewel that dropped from the King's ring, and failing to hand it over thinking it to be merely a piece of glass. The boy king pardons Yanku through a mistake on the part of his grown-up advisors and he and the boot-

black become firm friends. The story is a delightful fairy tale. Nomania is a minute kingdom in Europe. The army, air force and police force consists of one man. Yanku holds a court of his own in the poor part of the city, and deals out simple but effective justice to the members of his gang. Snigran, the miser, is the wicked landlord who charges Yanku and his mother an exorbitant rent for their house.

ACTORS

A very pleasing performance was given by Peter Roux in the part of Yanku and Graham Barlin as King Zoril II, was outstanding, especially when sitting on the throne reciting a very difficult and thoroughly boring ceremonial speech, prompted by his ministers whenever he became "stuck". Stephen Barlin as Snigran tended to shout at times but managed to convey the nastiness that was required of the part. Marfa, Yanku's mother, played by Garth Newell, was a difficult role for a boy to play but the actor gave the best emotional portrayal of the play. The heralds, played by Theo Lombard and Michael Burchell, gave very competent performances.

Costumes were good but the lighting suffered, possibly through lack of equipment. The shadows on the curtains were disconcerting at times. It was pleasant to see that the make-up did not force the attention of the audience to it, and even the difficult task of making the Gendarme, played by Rolland Bryan, look suitably military, was done without the result being ludicrous.

"THE SNIPER"

"The Sniper", by Uys Krige, presented by the Senior Dramatic Society and produced by Mr. B. R. Pitman, was undeniably the most successful of the plays. The play has a deceptively simple plot. The story concerns the discovery, by a South African Jewish officer (Capt. Meyer), of two wounded Germans in Lombardy, May, 1945. The Germans are terrified that they will be shot as they are convinced by propaganda that this is the practice of all allied forces. This is the main reason for the stubborn resistance of the shattered German troops, who fight on regardless of their obvious defeat. This stubborn rearguard action causes considerable damage and slows down the allied advance. Snipers have killed 17 men under the command of Colonel Venter alone. Colonel Venter himself arrives shortly afterwards, discovers that one of the Germans has killed his godson and becomes determined to execute him as a sniper.

IRONY

The crux of the play revolves around the ironic situation in which a Jewish South African officer argues for the life of the German

soldier. At the end of the play there is a very tense moment when the audience waits for the shot to be fired which kills the German. Venter himself does this as his men refuse to obey him.

The play has one simple climax — the death of the “sniper” — but throughout the action there is a continuous shift in the value of truth so that at the end of the play all pre-conceived ideas about Germans, Jews, and absolute right and wrong, have been examined and found wanting. The moral of the play is the futility and utter stupidity of war.

ACTORS

There is no change of scene in the play and consequently a considerable burden is placed on the characters, especially Captain Meyer (Alan Barnes), who nevertheless gave a very competent performance. His only fault was that he did not make enough use of light and shade in his voice — a failing of most of the characters.

The German soldiers, played by Guy Pitman and Ross Henry, managed to speak with convincing foreign accents and their characterisations were generally sound. The Italians, “11th hour Partisans”, were very well done by Neil Nash, Brian Mathews and Timothy Fincham.

Colonel Venter, played by Jonathan Parkin, had flashes of brilliance but was in general rather too much the “British officer” at times.

In general, the play was highly successful and well worth seeing.

DEBATING SOCIETY REPORT

After an initial meeting in which the committee was chosen with Ian Dove as chairman and Jury as secretary, the Debating Society started its activities proper with a meeting in the library on the 13th February. The debate, “Is being “with it” really worth it?” had a successful opening with thought-provoking speeches from the four main speakers — Dove, Fincham, Attwood and Crafford.

Speakers from the floor made a contribution to the Debate which as a consequence became very lively on several occasions. Among the speakers from the floor who made conspicuous contributions were M. Collier, Rubike, Stewart, Spiegel, Van Niekerk, Vorster, Sparg, McKerron, Meyer. It was especially heartening to see how Form III boys, who constituted a large percentage of the 65 boys present, conquered their initial shyness and then stood up and had their say.

The next meeting planned, incorporated a Public Speaking Competition on Road Safety in order to choose 2 boys to represent

the school in an Inter-School Road Safety Contest, as well as a debate on whether Modified cars constituted a Road Safety Menace.

Owing to a crop of Mark-Readings and clashes with other school-activities, the meeting was held on an evening during which many were unable to attend. Nevertheless there were enough boys present to ensure a lively debate. The main speakers — Collier, Burnett, Dove and De Jager all set a high standard of public-speaking on this contentious topic.

They were supported (and opposed) by contributions from the floor. Among those who spoke were Meyer, Lombard, Attwood, Rubin, Hobson, Rein, Nyland, etc.

The final outcome of the meeting was the choice of De Jager and Dove to represent the school in the Road Safety Competition. We wish them luck!

Several attempts were made during the latter half of the term to arrange debates with St. Andrew's, St. Aidan's, Victoria Girls' High, etc., but clashes in holidays, exam timetables, etc. threw everything awry.

Nevertheless debates with these schools have been provisionally arranged for next term; so it can be expected with some certainty that the debating society will once again gather momentum.

A. Lemmer.

MUSIC SOCIETY

Owing to the final examinations and a very eventful term for every boy at Kingswood, the activities of the Society had to be postponed often or, as in the case of Mrs. Cawood's lecture on "Rhythm in Music", cancelled. I am very grateful that Mrs. Cawood has agreed to deliver this lecture in the course of 1968.

The members have, however, been able to attend four concerts in town. The first was a concert given by the Free State String Quartet. Their rendering of works by Haydn, Debussy and Smetana, were indeed good, but I am afraid the boys did not enjoy the concert very much.

For the first time the Society attended something in a much lighter vein. "On Trek", a folk-song evening given by Des Lindberg. No need to say that the boys thought that this concert was a roaring success.

After this interlude, the boys heard Walter Klein, a world famous pianist. This was according to some members, "an evening to remember".

The opera "Inquisitive Women", presented by CAPAB, gave most of the boys their first opportunity of hearing an opera.

1968 Might well be a record year, as the society has now almost fifty members who will regularly attend concerts and lectures.

The first concert of the year was given by the Cellist Tibor de Machula, a world famous artist. This was a new experience to the members, and I was very pleased to find that they even appreciated the modern works. Most of them preferred Kodaly to Beethoven!

The members were also thrilled to attend a folksinging evening in the Rhodes theatre.

DIE AFRIKAANSE VERENIGING

Ten spyte van die naderende eksamens en al die bedrywigheide van die derde termyn 1967, het die Afrikaanse Vereniging 'n besonder besige termyn agter die rug.

Dr. Jonkheer, lektor in Afrikaans en Nederlands aan die plaaslike universiteit, het die Vereniging oor die Nederlande en België toegesprek. Dr. Jonkheer se pragtige kleurskryfies het daartoe bygedra om die aand besonder interessant te maak. N. Nash het die spreker namens die Vereniging bedank.

Die jaarlikse tweetaligheidsdebat was van 'n besondere hoë gehalte. Die A. Bailey-prys vir die beste spreker is aan P. A. Solomon toegeken, nadat hy en C. D. Pritchard-Davies weer eens teen mekaar te staan gekom het.

Die Vereniging kan ook van geluk spreek dat hulle die puik aanbieding van „Die Bruid in die Môre” deur Hugo Claus, kon bywoon. Die welbekende skrywer, André Brink, het die spelleiding waargeneem. Daar is gevrees dat die seuns nie die dialoog sou kon volg nie, maar blykbaar was hulle in staat om die drama te volg. Hulle het dit beskou as een van die beste stukke wat hulle nog gesien het.

Ten behoeve van die Kinderhuis te Riebeeck-Oos is 'n Marionette-spel plaaslik aangebied. Slegs enkele lede het hierdie vertoning bygewoon en dit terdeë geniet.

Die eerste termyn van 1968 is vir die Vereniging 'n terugslag, want gebrek aan belangstelling het veroorsaak dat geen aktiwiteite gereël is nie. Ek vertrou dat dit gedurende die volgende termyn weer sy vroeëre sterkte sal herwin.

Ten slotte, 'n woordjie van dank aan mnr. A. M. M. Rossouw vir al sy raad en bystand gedurende die vierjarige bestaan van die Afrikaanse Vereniging. Ons is werklik jammer dat hy nie meer hier is om ons met raad en daad by te staan nie. Ons wens hom en sy gade Gods rykste seën toe vir die toekoms.

KINGSWOOD SWIMMING TEAM: E.P. INTER-SCHOOLS CHAMPIONSHIPS.

Back Row : I. Assin, R. Charlton, R. Simpson, P. Gosling, P. Streijl, J. Rubin, M. Schuddin, S. Barlin.

3rd row : A. Smith, M. Abraham, K. Kearns, I. Katz, A. Collier, A. Paris, A. Momberg, B. Sandberg, C. Borha, J. White.

2nd row : M. Robus, M. Colley (u14 Capt.), Mr. J. Wegerhoff, A. Barnes (Open Capt.) Mr. P. Joubert, G. Douglas (u16 Capt.), E. Collier.

Front row : S. Abraham, R. Newman.

SWIMMING — 1967/68

This swimming season has been the best ever in Kingswood's history, culminating in the Eastern Province Inter-High Schools Gala where we came 2nd behind Grey. In the last three years Kingswood has now come 4th, 3rd and 2nd. Gavin Douglas was chosen to represent E.P. Schools at the S.A. Schools Swimming Championships in Klerksdorp, and Peter Steijl for the E.P. Schools Lifesaving team to the S.A. Schools Championships in Welkom.

Our successes were even more noteworthy for the fact that very few of our swimmers manage to get club training during the 2 month vacation. Their enthusiasm and diligence at training sessions, both in and out of the water, resulted in a greater degree of fitness, and those who worked on the Exer-genie exercisers soon achieved their best-ever times. Not a single swimmer failed to improve on his previous season's best times. The hoodoo of breaking the 100m. freestyle Colours time (64.0 secs.) was overcome early this year, and in the end M. Robus, G. Douglas and A. Collier all broke 64.0 secs. Many of the boys have now realized that achieving a Colours time is not the be all and end all of their swimming career: they are going for faster and faster times all the time. For example, A. Paris swam a 2.42.7 in the 200m. backstroke, a full 7.3 secs. below Colours time, but unfortunately there is no such event in any Schools Championship. This is one boy who must continue swimming when he leaves school: his time now (and he is u16) is very close to the S.A. National qualifying time for 200m. backstroke. In P.E. Gavin Douglas swam the 110 yds. freestyle in 1.03.9 (heat) and 1.04.4 (final). These times are equivalent to 1.01.9 and 1.02.4 in our bath!

The boys should also aim at greater all-round ability. Most of our swimmers are now not specialists any more. The 3 senior Victor Aquarium winners proved this by being way ahead of their next rival in their respective divisions: Open: E. Collier; U16: A. Collier; U14: M. Colley. Those who are also coming on nicely in this respect are P. Gosling, K. Kearns and B. Sandberg.

This season we took part in 9 galas, 2 in Kingwilliamstown and 2 in Port Elizabeth. Four masters are now connected with swimming: Mr. Wegerhoff is master-in-charge and coaches senior swimming, while helping Mr. Joubert with water-polo. Mr. Joubert coaches diving, while Mr. Osborn does the Junior Swimming. Mr. Smith, the Phys. Ed. master, has re-introduced Lifesaving: Many boys have been awarded lifesaving certificates or medals and we also took part in the E.P. Schools Lifesaving Championships. I had the privilege of being manager of the E.P. Schools Swimming Team to the S.A. Schools Championships in Klerksdorp this year, and at the end of this report I have included the highlights of these and the S.A. Schools Lifesaving Championships in Welkom.

Time trials, held early in February, saw many swimmers doing their best-ever times. Most boys improved on these times later in the season, but perhaps the best performances (which could not be improved on) were the following:-

B. Sandberg 3.04.5 200 m. Breaststroke.

P. Steijl 3.05.5 200m. Breaststroke.

E. Collier 2.46.2 200m. Individual Medley.

The former 2 boys should break 3 mins. next season, and the latter must aim at breaking 2.40.0.

The season started in October last year with the 10th Albany Boys' Schools Gala at St. Andrew's where we gained 10 first places and set up 3 new records:-

M. Colley U14 66 2/3 yds. backstroke 46.9.

S. Barlin U14 100 yds. breaststroke 1.21.6.

U16 Medley relay team 3.04.5.

This latter team proved to be our outstanding combination this season: A. Paris backstroke, A. Smith breaststroke, A. Collier butterfly and G. Douglas freestyle.

The Annual River Race at Kasouga saw 2 new records being set up, in the Open by E. Collier (16.08.6) and in the u16 by G. Douglas (15.12.4). B. Larsen was injured at the start of the open race by diving against a rock submerged in the water. After a swim in the sea, the boys thoroughly enjoyed a braaivleis. Overall, Wood House won from Jagger.

An exciting and very hard played inter-house water-polo competition was held in November, Jagger running out winners closely followed by Gane.

The Wistyn Cup was won by Wood House: Inter-house Swimming Relays Gala, this being a new event on our programme. A number of Open buffer events were held during which A. Paris set up a new school backstroke record of 1.17.0.

Very early this year the Kingwilliamstown Swimming Club held their Annual Gala: most of the top E.P. and Border swimmers took part. Numerous Colours and Standard times were set up, while our best performances included:-

M. Colley 2nd U14 100 yds. Backstroke (1.12.3).

A. Collier 2nd U16 100 yds. Butterfly (1.13.9).

G. Douglas 3rd U16 100 yds. Freestyle (58.8).

E. Collier achieved Colours in the 220 yds. Breaststroke (3.08.0) and 100 yds. butterfly (1.09.2), A. Paris in the 100 yds. Backstroke (1.10.0) and A. Momberg in the 100 yds. Backstroke (1.10.2).

The following weekend, again in Kingwilliamstown, we came 4th in an E.P. and Border Inter-schools Gala behind Grey, Selborne

and Dale. Our best performance was put by E. Collier in winning the open 4 x 33 1/3 yds. Individual Medley in a new record time of 1.31.7 (Colours). The Open Medley Team (A. Momberg, P. Steyl, E. Collier and C. Botha) also set up a new record of 1.15.4. In coming 2nd or 3rd the following also broke existing records:-

M. Colley 45.8 U14 66 2/3 yds. Backstroke.

A. Collier 44.1 U16 66 2/3 yds. Butterfly.

K.C. U16 Medley Team 1.18.0.

Other outstanding results were as follows:

A. Paris 2nd U16 100 yds. Backstroke (1.09.3 Colours).

A. Momberg 3rd Open 100 yds. Backstroke (1.11.0 Colours).

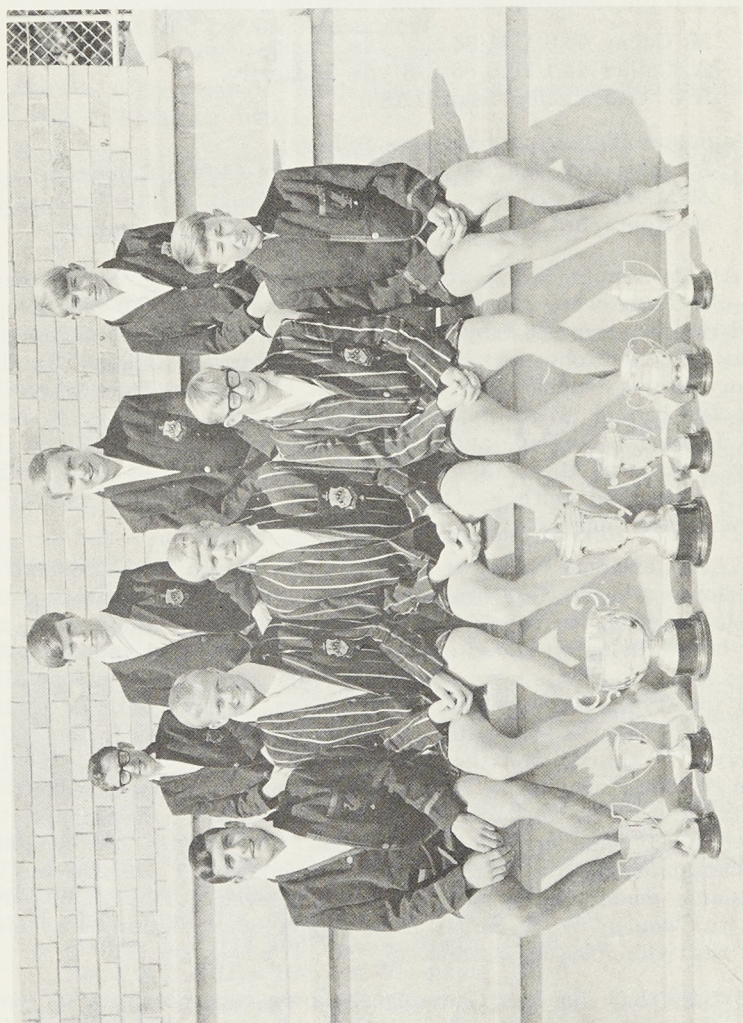

M. Robus 3rd Open 100 yds. Freestyle (57.9 Colours).

At the Annual Kingswood — Graeme Gala, we beat Graeme 140—87. There were 21 new Gala records as well as 10 new Kingswood records, the latter by M. Abraham, G. Douglas, E. Collier, M. Colley (2), M. Robus, A. Paris, M. Schuddinh, A. Collier (2). The Albany Junior Schools Gala was held at the Rhodes Bath where we came 2nd behind St. Andrew's. First places were gained by R. Newman, I. Sawers, G. Wade and C. Sparkes, as well as the U12 and U13 relay teams and the U13 medley team. A number of open buffer events were held, with E. Collier winning the individual medley in a new record time of 1.33.1 (Colours).

The Inter-house Gala was our best ever: 23 school records and 40 inter-house records were broken. All the long distance events, more than 100 metres, were held in the week prior to the Gala, while the inter-house diving was held on the next day. The U16 and Open 800 metre freestyle events were new events this year. M. Robus won all 4 Open freestyle events (800m., 400m., 200m., 100m.) with A. Collier winning the same U16 events, but tied with G. Douglas in the 100m. freestyle. E. Collier won the Open individual medley events and the 200m. breaststroke, while A. Momberg won the 2 Open backstroke events. A. Collier took the U16 individual medley events and the butterfly, B. Sandberg the breaststroke U16 events, and A. Paris the backstroke U16 events. M. Colley (who won 7 events) and M. Schuddinh made a clean sweep of the U14 events. The Senior Birch Cup was won by Wood House from Jagger, and the Junior by Mercury with Olympics as runners-up.

At the E.P. Schools Championships we came 2nd behind Grey, our best performance ever. The fact that only Gavin Douglas made the E.P. Schools Team, and that we won only 1 event (U16 Medley Relay) testifies to the great effort put up by everyone in the team. It was also significant that all K.C. boys who went to P.E. made the finals, i.e. in the 110 yds. events, 2 out of 9 finalists were from K.C. The new

WOODHOUSE : INTER-HOUSE SWIMMING WINNERS.

Back row : G. Kahn, J. Thompson, P. F. van Niekerk, M. Schuddinh.

Front row : A. Smith, E. Collier, G. Douglas (Capt.), A. Collier, B. Sandberg.

red and black hats, which our boys wore, drew much favourable comment from spectators. Those who achieved Colours times were as follows:

G. Douglas U16 110 yds. freestyle 1.03.9 in the heat (1.04.4 Final).

A. Collier U16 110 yds. butterfly 1.17.1 in the heat.

E. Collier Open 110 yds. butterfly 1.21.0 in the heat (1.21.9 Final). Open 220 yds. individual medley 2.53.6.

M. Robus Open 110 yds. Freestyle 1.05.6.

After returning from the S.A. Schools Championships in Welkom, Gavin Douglas was awarded Honours. This award was justly deserved on the basis of the following:

- (a) Consistently good performances of a Colours standard.
- (b) Helping junior and other swimmers.
- (c) Exceptionally diligent training.
- (d) Selection for E.P. Schools.

My thanks go to all those staff members and boys who helped to officiate at the Galas. Special thanks go to Mr. Ken Douglas for his interest and help at time trials and training sessions, and also to those people who provided transport for our away Galas.

The butterfly award times have been revised as follows:-

Colours: 1.18.0.

Standard: 1.24.0.

Next season's award times are now as follows:-

| FREESTYLE | COLOURS | STANDARD | BREASTSTROKE | COLOURS | STANDARD |
|-------------------|----------------|-----------------|--------------------------|----------------|-----------------|
| 440 yards | 5.23.0 | 5.38.0 | 220 yards | 3.09.0 | 3.19.0 |
| 400 metres | 5.15.0 | 5.30.0 | 200 metres | 3.05.0 | 3.15.0 |
| 220 yards | 2.29.0 | 2.36.0 | 110 yards | 1.26.0 | 1.30.0 |
| 200 metres | 2.25.0 | 2.32.0 | 100 metres | 1.24.0 | 1.28.0 |
| 110 yards | 1.06.0 | 1.09.0 | 100 yards | 1.15.0 | 1.18.0 |
| 100 metres | 1.04.0 | 1.07.0 | | | |
| 100 yards | 58.0 | 1.01.0 | | | |
| BACKSTROKE | | | BUTTERFLY | | |
| 220 yards | 2.54.0 | 3.04.0 | 220 yards | 3.19.0 | 3.29.0 |
| 200 metres | 2.50.0 | 3.00.0 | 200 metres | 3.15.0 | 3.25.0 |
| 110 yards | 1.17.0 | 1.21.0 | 110 yards | 1.22.0 | 1.28.0 |
| 100 metres | 1.15.0 | 1.19.0 | 100 metres | 1.18.0 | 1.24.0 |
| 100 yards | 1.11.0 | 1.14.0 | 100 yards | 1.10.0 | 1.15.0 |
| | | | INDIVIDUAL MEDLEY | | |
| | | | 220 yards | 2.54.0 | 3.04.0 |
| | | | 200 metres | 2.50.0 | 3.00.0 |
| | | | 133½ yards | 1.34.0 | 1.38.0 |
| | | | 110 yards | 1.16.0 | 1.21.0 |
| | | | 100 metres | 1.14.0 | 1.19.0 |
| | | | 100 yards | 1.11.0 | 1.14.0 |

J.B.W.

JUNIOR SWIMMING

Swimming is a voluntary sport and keen boys are encouraged to train under supervision on afternoons free of other sport. In all 114 boys availed themselves of this opportunity and, to encourage training, a record was kept of any distance a boy swam over 1/12 of a mile in one session. The total mileage recorded amounted to 210 miles. A record of the junior competitive results is recorded elsewhere in this magazine.

J.L.O

LIFE-SAVING

At the beginning of this term, life-saving was re-started at Kingswood. Due to the excellent response, we were able to accept the invitation to the Eastern Province Life Saving Society's Gala, which was held in Port Elizabeth on the 1st March.

A team of 15 boys went down and did extremely well, gaining four first places, two second places and two third places. The results were as follows:-

Boys U14:

- (1) 25 yds. Breaststroke Method of Rescue:
1st M. Abraham.
2nd M. Colley.
- (2) 25 yds. Brick Rescue:
1st M. Abraham.
3rd M. Colley.
- (3) Medley Relay:
1st K.C.
(M. Abraham, M. Colley, M. Schuddinh, S. Barlin).

Boys U16:

- (1) Medley Relay:
2nd K.C.
(A. Smith, P. Gosling, K. Kearns, B. Sandberg).

Open:

- (1) 25 yds. Double Rescue:
1st P. Steijl.
- (2) Medley Relay:
3rd K.C.
(E. Collier, A. Collier, G. Douglas, A. Paris).

Peter Steijl was chosen to represent E.P. at the S.A. Life-Saving Championships which were held in Welkom on the 23rd March, and did extremely well, finishing 2nd in two individual events:- 25 yds. Double Rescue; 25 yds. Breaststroke Method of Rescue.

It is hoped that more boys will be able to participate in some form of life-saving at the beginning of next season, and will thus be able to compete for one of the many certificates that are awarded by the society. At present, 13 boys are awaiting the results of the Bronze Medallion which they did this term, while Katz has just completed the tests for the Silver Medallion.

B.M.S.

DIVING

Once again this year diving got off to a good start with the boys keen and working hard. Only our second year of diving and the divers were executing many complicated dives. Most of last year was devoted to the learning of the basics of diving and these elementary steps having been mastered, the divers are now eager to get on to the more advanced stuff.

All our divers showed a marked improvement through the season but special mention must be made of J. White whose performance improved amazingly. C. Botha, M. Abraham, G. Kahn and others all maintained their consistently high standard of neatness and precision.

Once again we are happy to note down another accident free record and thanks must go to the divers for complying with safety rules and maintaining a responsible attitude to the sport.

The future looks bright with the possibility of the school acquiring a trampoline in the near future. This will enable divers to practice throughout the year, thus eliminating the disadvantages of a very short swimming season.

While this year did not see any of our divers representing Eastern Province, local competitions showed the talent we have available in the school.

The season showed lots of ability and I am sure that much valuable experience has been gained by all. We look forward to the next season and anticipate even greater things.

Awards:

Standard Blazer (re-award) to C. Botha.

Standard Blazer — J. White.

P.J.

DIVING RESULTS 1968

INTER-HOUSE

1, Chubb 95.64; 2, Wood 64.03; 3, Jagger 62.73; 4, Gane 60.43.

INDIVIDUAL RESULTS

1, J. White (Chubb) 48.24; 2, C. Botha (Chubb) 47.40; 3, G. Kahn (Wood) 37.13; 4, I. Hinds (Gane) 36.90; 5, K. Kearns (Jagger) 32.90; 6, M. Abraham (Jagger) 29.83; 7, P. van Niekerk (Wood) 26.90; 8, C. W. Collett (Gane) 23.53.

Results of Competition against St. Andrew's at St. Andrew's 7/3/68

UNDER 14: *1, Abraham (K.C.) 26.30; 2, Scott (S.A.C.) 18.08; 3, Sinclair (S.A.C.) 16.43.

UNDER 16: *1, White (K.C.) 49.67; 2, Betts (S.A.C.) 38.35; *3, Kahn (K.C.) 36.32;
4, Bridges (S.A.C.) 35.76.

OPEN: 1, Bridges (S.A.C.) 65.99; *2, Botha (K.C.) 55.51; 3, Kemp (S.A.C.) 40.00.

E.P. SCHOOLS

UNDER 14: 1, Difford (Grey) 26.83; 2, Engelbrecht (Muir) 25.21; *3, Abraham (K.C.) 20.68;
4, Sinclair (S.A.C.) 16.43.

UNDER 16: 1, Huber (Grey) 49.69; 2, Galloway (Muir) 48.18; *3, White (K.C.) 45.91;
4, Betts (S.A.C.) 45.65.

OPEN: 1, Bridges (S.A.C.) 62.31; 2, Huber (Grey) 51.40; *3, Botha (K.C.) 45.55;
4, Petersen (Union High) 35.58.

S.A. SCHOOLS SWIMMING CHAMPIONSHIPS

These were held in the Strathvaal Baths, Stilfontein on Saturday 16th March. A very high standard of swimming was seen despite the cold rainy weather. We travelled by train and stayed in a lovely 2-star hotel, the Van Riebeeck, in Klerksdorp. We arrived early on Friday morning, the swimmers going for a training session in the Klerksdorp pool while the divers went out to Stilfontein which is 8 miles from Klerksdorp. That afternoon everyone went out for another session at the Strathvaal Baths.

The Championships themselves were very exciting with E.P. putting up their best performance ever in coming 5th. Actually, at one stage, we were lying 3rd, and this was well into the evening session. However, we could not hold off the N. Transvaal and O.F.S. challenge in the final relays, and the provinces ended up as follows:

| | | | |
|--------------|-----|----------------|----|
| 1. Transvaal | 209 | 6. E. Tvl. | 83 |
| 2. Natal | 146 | 7. W. Province | 77 |
| 3. O.F.S.) | | 8. Griquas | 59 |
| N. Tvl.) | 118 | 9. Border | 54 |
| 5. E.P. | 100 | 10. W. Tvl. | 11 |

Three Springboks took part: Karen Muir, Katinka Germishuis and Nancy Harris, in addition to a number of S.A. Schools. Representatives, such as Robyn May, Colleen Adnams and Geraldine Steynburg (who may still make the S.A. team to the Olympic Games). Karen Muir broke records in both events in which she swam: 110 yds. Backstroke U.16 and 220 yds. Individual Medley U.16.

A number of E.P.'s swimmers gained 1st places: Robyn May (New S.A. Schools Record in the 220 yds. Freestyle), Cathy Freeman (U.14 Butterfly), Clive Wilson (U.16 Breaststroke), Lesley Lloyd (U.14 220 yds. Freestyle — new record), Sally Henderson (U.14 220 Individual Medley). Our U.14 freestyle relay team also won its event.

K.C.'s representative, Gavin Douglas, did very well in the 4 x 110 yds. freestyle relay, clocking 65.0 secs. The other Grahamstown

representatives also did well, especially Peter Bridges, the E.P. captain, 2nd in the Open diving and Lyn Blackbeard, also 2nd in the Girls Open Diving.

We could not attend the party after the Championships as the train left at 11.45 p.m., so a party was held on the train. There were many bleary eyes when we arrived back in P.E. on Monday morning. Everyone then made their way home, some of us travelling back to Grahamstown. The Springbok swimmer, Brian Elliot, accompanied the team as Assistant Manager and Miss Hart, from V.G., was one of the Chaperones.

S.A. SCHOOLS LIFESAVING CHAMPIONSHIPS

These were held in Welkom on Saturday, 23rd March. Kingwood's representative was Peter Steijl, who came 2nd in the Open Relay and 4th in the Open Double Rescue race. In an unofficial event, he came 2nd in the Breaststroke Method of Rescue. The team also travelled by train, but were disappointed to find that boys and girls had to part company in Welkom, the boys staying at one of the mining hostels and the girls at the Y.W.C.A.

The Gala started at 7 p.m., the different provinces marching round the bath, led by one of Welkom's school cadet bands. The Gala was a triumph for E.P., who managed to pip N. Transvaal, the holders, by 1 point. The achievement was even more notable for the fact that this was E.P.'s first attempt in these Championships.

J.B.W.

Awards: 1967/68 Season:

1967: Standards: B. Larsen, A. Momberg, C. Pritchard-Davies.

1968: New Awards:

- (i) Honours: G. Douglas.
- (ii) Colours: G. Douglas, M. Robus, A. Momberg, A. Collier, I. Katz, P. Steijl (Lifesaving).
- (iii) Standards: K. Kearns, M. Colley, B. Sandberg, M. Abraham, J. White (Diving).
- (iv) Tracksuits: Colts — I. Assin, S. Abraham, R. Newman, M. Schuddinh, R. Charlton.
Senior — I. Katz, K. Kearns, J. Rubin.

Re-awards:

- (i) Colours: E. Collier, A. Barnes, A. Paris.
- (ii) Standards: G. Pitman, I. Hinds, P. Gosling, A. Smith, P. Steijl (Swimming), C. Botha (Swimming, also Diving).

10th ALBANY BOYS' SCHOOLS and RHODES GALA
St. Andrew's Bath — Saturday, 28th October 1967.

- 1, Open 100 yds. Butterfly: J. Butler 2nd (72.9) Std. E. Collier 3rd (73.2) Std. (1st 67.6).
- 2, U14 100 yds. Freestyle: M. Colley 2nd (71.0) R. Charlton 4th (75.7). (1st 66.1).

ATHLETICS

This report of course is a bit like writing up history. The first events it records are those which took place in the latter term of last year since the South African Athletic Season begins in October and ends at Easter with the various Junior and Senior Championships.

Last year was one that was outstanding in at least two respects,

and possibly three. I do not remember a year when the Athletic events have been so be-devilled by rain. This is a strange thing to say when we have come through one of the worst droughts, but measured athletically this is nevertheless true. To begin with, the Eastern Province Inter-Schools Athletic Championships that are normally held in March managed only to go through half of the day and early in the afternoon had to be called off when the going on the track became impossible. This was singularly unfortunate for us because Peter Kamp's under 19 team would have registered one of the best victories that we have ever achieved in this competition. This was disappointment number one. The next came the following Saturday when it simply poured and the Interhouse relays had to be postponed until the third term. We had seen enough to know that the team was a very good one and our hopes were high for the end of the year.

The third term opened with a very successful Junior and Senior Road Relay. The Mercury team won this first ever Junior Road Relay in 56 mins. 23.8 over a course that is exactly similar to the senior save that the "loop" has been cut off. Pegasus were 2nd, Achilles third and Olympics fourth. The Senior event went to Chubb House ably led by Evan Dold who turned in the 2nd fastest time of 12/39 seconds. Gane was second, with Russell Kirkby putting in a terrific run to break Lindsay Sabatta's record by 11.4 secs. to set a new time 12/ 2.6 (0/ " = mins). Wood were third and Jagger fourth.

The next events of consequence were the Inter-House Relays Junior and Senior, postponed from the first term. As always this proved a most keenly contested competition. It produced records in the Javelin (when Wood House represented by P. Forsyth, A. Anastasia and E. Funck set a new distance of 480 ft. 3 in. to break the old mark by 67 ft. 7in); the Discus was improved by 34 ft. 5½ inches and the High Jump by 2¼ inches to take it to 15 ft. 10. Chubb had this distinction, while Wood were responsible for the Discus. The overall winners were Jagger. They managed to pip Wood House by 3 points gaining 41, Chubb were third with 32 and Gane fourth with 29.

The Annual Cross Countries produced some splendid running in all age groups. The under 12 was won by J. Oosthuysen, second was Murray Douglas third J. Truter, 4th L. Swart.

Under 14: 1st P. Lynch 23 mins. 45 seconds (Record); 2. C. Ingram; 3. P. Sole; 4. D. Pitman.

Under 16: 1. J. Wellington 27 mins. 4.8 seconds (Wood); 2. J. Collett (J); 3. R. Dold (G); 4. N. Theunissen (W).

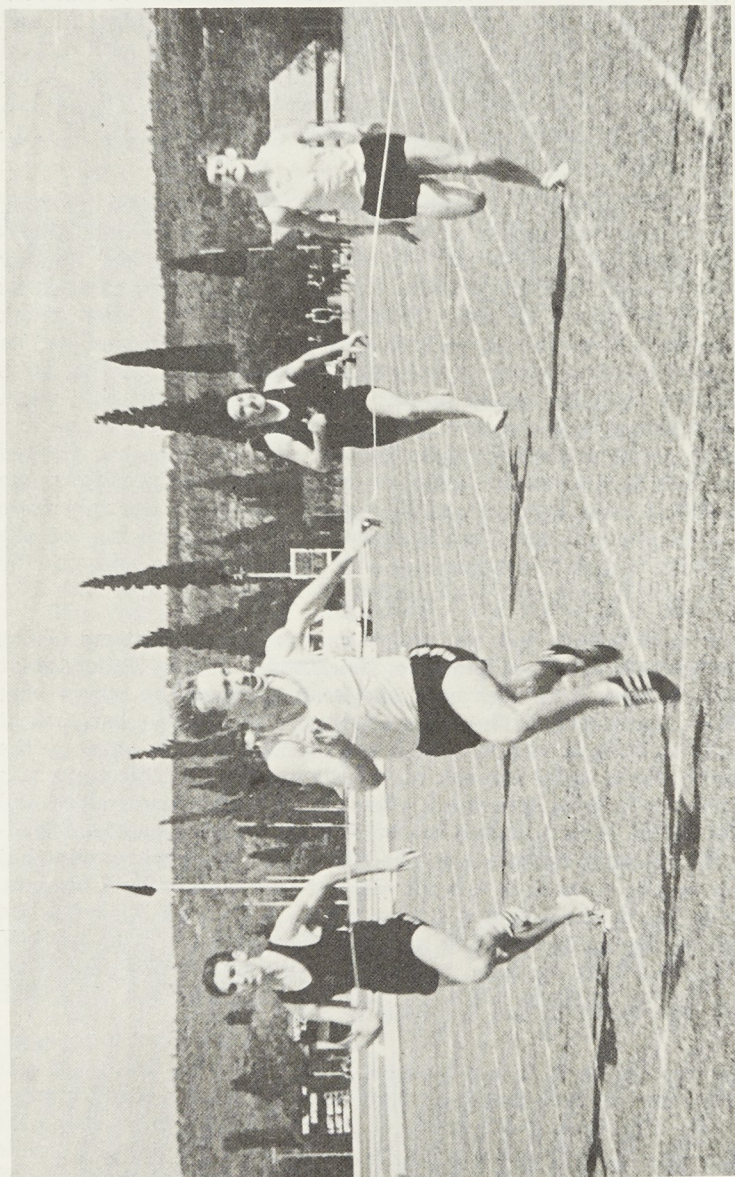

Open: 1. R. Kirkby (G) 26 mins. 14.4 this shattered the old time set by D. Momberg by ninety seven seconds (Record). 2. E. Dold (C); 3. R. Liddiard (C); 4. J. Howarth (C).

The next meeting of consequence was the Junior Triangular between Graeme, St. Andrew's and Kingswood. This under 14 event has become a fine meeting and is now very keenly contested. We ran concurrently with it a new Pentathlon competition for Under 16 and Open athletes. A. P. Forsyth won the Open from M. Kent with a total of 444 points, M. Kent achieved 440. D. van Niekerk won the Under 16 with a tally of 452 points. Now back to the Junior Triangular. Kingswood won by chalking up $28\frac{1}{2}$ points to Graeme's 19. St. Andrew's were third with $18\frac{1}{2}$ points.

I began by saying that athletic events were bedevilled by rain. The long awaited Triangular against Grey, St. Andrew's and Kingswood was scheduled to take place on the following Tuesday. Sunday the weather broke. It cleared again on Monday evening and then at 7.30 a.m. There was a message from Grey to say that their track was underwater. Grey were then invited to travel to Grahamstown, as there seemed more prospect of holding the competition on the grass track of Gane field. No one could have thought it possible that when the Javelin throwers began their event we should have had the day of thrilling performances which indeed we did. The weather cleared at about lunch time and with a little re-arrangement of the programme we managed to hold every event. Hence we prevented the rain from robbing us a second time. The Kingswood team put up one of the best performances that a triangular side has ever done and won by $8\frac{1}{2}$ points from St. Andrew's who gained 26. Grey were third with $17\frac{1}{2}$.

Now came the big test. St. Andrew's were the organisers of the Hirsh Shield and this took place on the Rhodes Track. Things went well and our hopes were high until the lunch interval the relays were held. Then, in a strong field, at the last baton change the baton went to ground, not dropped, but knocked out of the receivers hand by the lifting knee of the third runner. A complete accident! This team was one of the most experienced relay sides that we have ever fielded and had come within .1 of a second of the E.P. Record the previous Wednesday at a training rehearsal on the Rhodes track. It was a slip that cost us dear and eventually Queens ran out the winners by $1\frac{1}{2}$ points. Largely owing to the splendid achievements of D. van Niekerk who gained three firsts a second and a third we managed to win the S. F. Edwards Shield that has been presented to the under 16 competition. It was a day of thrilling athletics and the standard was very high indeed.

This brought the formal season to a close, but three of our athletes continued and brought further lustre to their already impressive records. D. Wilson (440 yards), C. Ansley (880 yards) became the first boys to break 50 seconds for the $\frac{1}{4}$, and 2 mins. for the $\frac{1}{2}$ mile whilst at school. This they did at the Stirk Bowl competition and

Kamp wins the 100 yards sprint.

together with W. Jackson who is the most impressive Shot Putter we have had since Des Whitehead left, all got into the Senior Men's E.P. Team before the year was out. D. Wilson in his last race for E.P. covered himself with glory running from behind to come second to J. Cyrus, also of E.P. with the splendid time of 49.1. In so doing he beat the reigning under 19 champion P. Schneiders of Defence. Ansley set a time of 1 min. 58.8 secs. whilst Jackson achieved 44 ft. 10½ in. with the Open (16 lb.) Shot. J. Gallet, the most determined Hurdler that I've seen, achieved the seemingly impossible for a school, clocking the same time as the winner for the 120 yards Men's High Hurdles to come second at the Stirk Bowl. Our normal hurdles for the Triangular are 3 ft. These are 3 ft. 6 ins. Since he has done this, D. van Niekerk has attempted as an under 17 and looks very promising indeed.

So we come to the short but intensive 1968 first term season. W. Jackson returned and has led the side well. He has set a fine example and has twice this term represented E.P. Seniors. He managed to gain selection with D. van Niekerk to go to the recent Juniors at Bloemfontein. Both did their personal best, Jackson throwing 47 ft. 3 inches to come 5th (Booyesen of S. Tvl. won in 56 ft. 3 inches) and D. van Niekerk was fifth in the under 17 Pole Vault with a leap of 11 ft. 6 inches. This was won at 13 ft. 6, but the winner has already done 14 ft. So both our Shot Put and our Pole Vault have a long way to go. The season opened with the journey to P.E. after five days training, the heat being held in the last week of Cricket. We managed to come second to a very strong Pearson side in the under 19 section, but were a good 8 points behind. Actually this was much better than we had dared to hope. But some fine distance running by S. Douglas, and also some 400 metre running by H. Cilliè a new comer, together with steady support from K. Shaw who won the High Jump, helped us to keep in the fight and run out eight points better than the third who was Brandwag. 47 High Schools took part, so the competition was heavy.

We returned to be hosts to Graeme, P. J. Olivier and St. Aidan's in the Annual Quadrangular Relays. St. Aidan's unfortunately had to pull out and so we fielded a Kingswood B. Side. This competition takes place in three divisions, Open, Under 15 and Under 13. We had a very good afternoon of events and managed much to our surprise to win all three sections as we did last year. Graeme did very well particularly in the under 13 section, and both the P.J. and the Graeme Medley sides proved too much for us.

The final event was the 1968 Inter-House Relays. This was again very keenly competed and after some tremendous reversals of opinions and expected form Jagger again ran out winners gaining 56½ points, Chubb were next with 39½, Wood third with 33 and Gane fourth with 31. Achilles won the Junior 31½, Pegasus 25½, Mercury 21, Olympics 12.

INTER-HOUSE ROAD RELAYS — Wednesday, 6th September 1967 at 4 p.m.

Record for (a) The course: 79 mins. 2.4 secs. Gane 1966; (b) The fastest lap: 12 mins. 2.6 secs. R. Kirkby, Gane 1967. Standard (for leg): 13 mins. 20 secs. Colours: 12 mins. 25 secs.

Teams in order of competitors

C — Chubb; G — Gane; J — Jagger; W — Wood.

1st Leg M. Kent C 13.36.8; G. J. de Jager G 14.8.4; D. Erskine J 14.6.6; J. Wellington W 13.4.4.

2nd Leg C. Ansley C 13.31.0; G. D. de Jager G 13.46.0; J. Collett J 13.26.8; F. Tyson W 13.59.2.

3rd Leg A. Hobson C 13.22.0; J. H. C. Butler G 13.26.1; W. Francis J 14.8.0; I. Schröder W 14.8.8.

4th Leg R. Liddiard C 13.5.4; C. Coetzee G 13.37.3; D. Bryan J 14.13.4; J. Gallett W 13.18.0.

5th Leg A. Howarth C 13.18.0; M. G. Collett 13.7.0; J. Ellmore 14.4.6; N. Theunissen W 13.46.2.

6th Leg E. Dold C 12.39.0; R. E. Kirkby G 12.2.5; D. van Niekerk J 14.26.4; S. Douglas W 13.4.2.

Total Time: 1, Chubb 79.34.6; 2, Gane; 3, Wood; 4, Jagger.

TEAM RESULTS: 1st, Chubb (Muirhead Cup); 2nd, Gane; 3rd, Wood; 4th Jagger.

INDIVIDUAL RESULT: (for fastest leg times) 1st, R. Kirkby 12.2.6 Rec. (Bruce Niland Cup); 2nd, E. Dold 12.39.0; 3rd S. Douglas 13.4.2; 4th J. Wellington 13.4.4.

KINGSWOOD RELAYS — Gane Field — 9th September at 11 a.m. and 2.15 p.m.

- 1 POLE VAULT (Inter-House) Record 31 ft. (Chubb 1957). C: K. Buisman, M. Whitehead, M. Kent. G: K. Shaw, T. Carey, J. Rautenbach. J: D. van Niekerk, D. Oosthuizen, R. Piers. W: J. Wellington, P. Solomon, Z. Eliason. 1, Jagger. 2, Gane. 3, Wood. 4, Chubb. Ht. 26' 0".

FIRST TERM ATHLETIC AWARDS

Track Suits:

A. B. Hobson, N. Theunissen, D. Barnes, B. Vorster, D. Oosthuizen, B. Matthews, J. Colley, K. Miles, C. Coetzee, M. Ackermann, P. Gosling, I. Crafford.

Standards:

S. Douglas (3000 metres), R. Dold (3000 metres), D. Murray (3000 metres), V. Brittle (High Jump Re-award), D. Burnett (Long Jump Re-award), H. Cillié (400 Metres), K. Hall (Pole Vault Re-award).

Colours:

W. Jackson (Shot Putt and Discus), D. Erskine (100, 200 and 400 Metres), D. van Niekerk (Pole Vault Re-Award), M. Kent (110 Metres Hurdles), K. Shaw (High Jump Re-Award).

As a concluding post script we must record that in the arrival of Mr. Andrew Louwrens on the staff the Athletic Club have gained immensely. His experience and enthusiasm have already made itself felt. Together with the splendid support we get from other members of staff, in particular Mr. Hartzenberg who is our indefatigable chief Time keeper, Mr. Tony Burrell who is a panel of officials in himself as well as being our Starter, and Mr. Butler who organises the Track judges, we have built up a reservoir of experience and efficiency that is the envy of many other schools. Mr. Ken Douglas, together with Mrs., are supplying athletes that are bringing much credit to the school and Ken also is Pole Vault and Long Jump Judge in Chief. Mr. Len Victor does our announcing and with his expert knowledge keeps our Public address system and telephonic communications in splendid trim. Mrs. Dowthwaite still remains Secretary of the Club and lends invaluable assistance with the Price Fund administration. The College is indeed fortunate to have such a loyal and helpful staff and it makes the life of the Athletics "Wallah" viable, particularly through the "blizzard periods", and he is very grateful to them all.

SENIOR CRICKET 1968 (1st Term)

Cricket was another sphere of activity where we had to say farewell to the administrative ability of Mr. Ken Watson when he left us at the end of 1967. Mr. T. Hartzenberg was asked to take charge of the administration for 1968.

Thanks to the efforts of the Council and the Field Staff we had sufficient excellent facilities to provide plenty of cricket for nearly 200 boys in the Senior School.

In addition to eight match-playing teams from the 1st XI down to the under 14, Senior and Junior Cake Leagues were successfully

run to provide competitive cricket for many of the less able but keen players.

Mr. C. Ulyate and his 1st XI are to be congratulated not only on some good results but also for the bright and positive cricket which their efforts produced.

This year also the school procured the services of Mr. Brian Goble, an ex-Griqualand West Currie Cup Cricketer, who assisted with coaching among the 3rd and 4th XI's and the under 14 A and B teams.

Once again the school is indebted to the local Umpires' Association for supplying competent umpires for our 1st XI matches whenever they could. Their services are much appreciated.

Thanks also to members of staff and other interested folk who helped transport our teams to assist the hard-worked school Kombi which has proved invaluable. And here I want to mention especially a very fine donation which came our way towards the end of the term. Mr. Denis Carlstein, an O.K. from Welkom, donated a brand new Kombi to the school for use in transport of sports teams and educational groups. We are most grateful for this fine, generous gift. With two Kombis now available our transport problems are indeed much smaller.

Finally a word of thanks to all members of staff who have again given so much time and enthusiasm to their coaching of the different divisions.

T. C. HARTZENBERG.

1st XI CRICKET 1967/68 — FIRST HALF

Captain: C. J. Swemmer.

Vice-Captain: R. E. Kirkby.

vs. ADELAIDE/SOMERSET EAST Combined — 7th Oct.

With the St. Andrew's match only one week away and one match already having been cancelled owing to rain, the 1st XI travelled to Adelaide on 7th October. Five men from Somerset East, where the second fixture had also had to be cancelled because the pitch was sodden, joined the Adelaide team at about midday and a late start was made in the game.

Shaw was the only K.C. batsman to conquer the bowling and his 53 not out included a soaring six. Extras were second top scorer with Turner (22) and a declaration was made at 127 for 6 wickets, leaving the home side ample time to make the runs.

The pitch was treacherous, however, and Swemmer, making the ball fly, was probably responsible for the fact that the only other successful bowler, Dickie, was able to return the excellent figures of 4 overs 1 maiden 23 runs 4 wickets. Swemmer himself took 5 wickets

for 31 runs. Adelaide/Somerset were all out for 79, with Henderson not out 45.

Scores in brief:

K.C. 127/6 (Shaw 53 not out, Turner 22).

Adelaide/Somerset 79 (Henderson 45 not out; Swemmer 5 for 31; Dickie 4 for 23).

K.C. won by 48 runs.

vs. ST. ANDREW'S on Lower — 14th October

St. Andrew's, captained by Ewing, elected to bat on an easy-paced Lower Field wicket.

Shaw opened the bowling with Swemmer, and dropped onto a length in his first over, unlike his partner at the other end. Shaw, after 10 overs, had bowled 8 maidens and had taken one wicket for 3 runs. Swemmer was less fortunate and, when he came off at the same time as Shaw, he had 0 for 32. Turner, Piers and Dickie each accounted for one batsman, but no bowler had had sufficient practice to bowl a consistent length — and the severity with which Verran, Galpin, Morgan and Payn dealt with the bowling was most shattering to any small confidence which the taking of a wicket might have inspired. St. Andrew's declared at 221 for 6 — scored in 190 minutes.

However, there were only 155 minutes left for play and this was not long enough either for Kingswood to make the runs or for St. Andrew's to take ten wickets. Suffice it to say that only the latter seemed possible.

Turner kept the attack at bay for almost an hour, struggling gamely. Dickie and Swemmer, each having a little luck, managed to survive more than 20 runs. The honours went to Crail of St. Andrew's who took 6 for 34 in 20 overs.

Scores in brief:

S.A.C. 221 for 6 (Verran 68, Galpin 41).

K.C. 128 for 8 (Dickie 25; Swemmer 21 not out; Turner 20).

Match drawn.

vs. SIDBURY on Gane Field — 21st October

The match against Sidbury was notable for low scoring.

Swemmer and Van Niekerk skittled the Sidbury side for 53, but Kingswood were unable to make more than 72 in reply. John Gush was devastating, taking 7 for 41.

John Mills provided some thrills in Sidbury's second innings, scoring 53 not out in double-quick time in an innings which included

five towering sixes. But the atmosphere, which is usually present in a keen tussle for a first innings victory, had disappeared. When, however, Sidbury declared at 122 for 1 wicket (made in 48 minutes) and left Kingswood the interesting target of 103 to make in 80 minutes, there was a renewed interest in the outcome.

Thanks to Turner (34 not out) and Wellington (28 not out) the runs were made with a few minutes to spare.

Scores in brief:

Sidbury 53 all out (Swemmer 4/23; Van Niekerk 4/15) and 122 for 1 wicket (Mills 53 not out; J. Lovemore 35, Wannenburg 35 not out).

K.C. 72 all out (J. Gush 7/41, Turner 19) and 104 for 7 wickets (Turner 34 not out; Wellington 28 — J. Mills 3/50).

RESULT: K.C. won by 3 wickets.

vs. GRAEME COLLEGE — 28th October, 1967

Played on Gane Field

Graeme batted first on a wicket on which it was not easy to play good scoring strokes. Accurate bowling, especially by Turner, saw to it that Graeme had only sufficient runs on the board by 3.48 p.m., when tea was taken and a declaration made at 172 for 8 wickets.

Kingswood could not hope to make the runs in the 116 minutes left for play, and no attempt was made. Nevertheless, at 42 for 6 wickets, and with 40 minutes left for play, it seemed as though Graeme might possibly snatch a victory. But with Hobson defending dourly and Karg very much at ease a further 36 runs were scored without loss.

Scores in brief:

Graeme: 172 for 8 wickets declared (Timm 43; Kidwell 37; Edge 34 — Shaw 3/49; Turner 2/24).

Kingswood: 78 for 6 (Karg 37 not out; Turner 19).

RESULT: Match drawn.

vs. ST. AIDAN'S — 11th November, 1967

Played on Gane Field.

Kingswood batted first on a good wicket and scored 190 for 8 declared at a run per minute.

The highlight of the innings was a sparkling 98 by P. van Niekerk, who had batted only once (for 2 not out) and was promoted to number four. Kirkby batted soundly at number one for 47.

Shaw wreaked havoc amongst the St. Aidan's batsmen, taking 7 for 38. Six batsmen failed to score. Swemmer and Piers shared the other wickets, and St. Aidan's were all out for 94.

Scores in brief:

K.C.: 190 for 8 declared (Van Niekerk 98; Kirkby 47).

St. Aidan's: 94 all out (Shaw 7 for 38).

RESULT: K.C. won by 96 runs.

The following awards were made at the end of the year:-

Colours:

C. J. Swemmer (Re-award), K. Shaw, P. van Niekerk, R. Kirkby.

Standard Blazers:

M. Plumstead (Re-award), M. Kent, B. Turner, A. Dickie, R. Piers.

NUFFIELD SELECTION

C. J. Swemmer is to be congratulated on being selected to play in the 1968 Nuffield Week which was held at East London.

K. Shaw took part in the Nuffield Trials and was successful with the bat, but missed selection.

The following played regularly for the 1st XI:- C. Swemmer (Captain), R. E. Kirkby, K. Shaw, P. J. van Niekerk, M. Kent, M. Plumstead, B. Turner, A. Dickie, R. Piers, D. Hobson, J. Wellington and T. Karg.

1st XI CRICKET — 1968

We looked forward to having at least seven first-teamers from 1967 back again.

C. J. Swemmer was again elected Captain and P. J. van Niekerk as Vice-Captain. They have both proved worthy of the confidence of their team-mates. Swemmer was able to inspire confidence at every turn, and Van Niekerk once more proved a real work-horse.

For the first time, it seemed, in several years, Kingswood had a 1st XI that thought it was going to make runs. This positive outlook paid handsome dividends. The bowling was usually accurate and penetrative, and it was backed by superb fielding. It proved to be a difficult side to beat.

vs. PORT ALFRED — 27th Jan., 1968

Kingswood were well entertained by the Kowie side, captained by Arthur Walker.

Port Alfred went in to bat first and thanks to Colin Ford (43) and Glyn Handley (43) they were able to amass a respectable total — 156 all out.

Swemmer switched from seam to off-spin and claimed 4 wickets for 36 runs. He was well supported by J. Wellington (3 for 24) and V. Brittle (2 for 42).

Apart from B. Turner (46 not out), who carried his bat, no one else could cope with Tarrant's superb left-arm swing bowling, and it was left to Brittle to hold up one end for 33 minutes in order to force a draw, with the stable Turner at the other end.

Scores in brief:

Port Alfred 156 all out (Ford 43; Handley 43; B. Dold 25 — Swemmer 4/36; Wellington 3/24; Brittle 2/42).

K.C. 89 for 8 wickets (Turner 46 not out).

RESULT: Match drawn.

vs. KINGSWOOD STAFF — 31st Jan., 1968

Played on Knight Field.

The boys batted first and, after losing Turner and Hobson cheaply, recovered well through some strong hitting by Swemmer (40) and fine stroke-play by Karg (66), who was run out after a splendid throw by Len Victor. Hall again chalked up a useful 29 as opener.

The boys declared at 186 for 7, rather flattering the staff by giving them only 100 minutes in which to make the runs.

Lyn Schroeder took early command of the situation and when he left with the score at 96 for 5, his personal total was 70, including eleven fours and a six. The only other staff batsman to score double figures was Andrew Louwrens with 11 to his credit. Swemmer switched from pace to spin and finished with 8 wickets for 34 runs — outstanding bowling by any standards.

Scores in brief:

K.C. 186 for 7 wickets (Swemmer 40; Karg 66; Hall 29 — Ulyate 3/38; Wegerhoff 1/58; Hartzenberg 1/26; Smith 1/32).

Staff: 118 all out (Schroeder 70; Louwrens 11).

RESULT: K.C. won by 68 runs.

vs. VICTORIA PARK — 3rd Feb., 1968

Kingswood won the toss and elected to bat on the new Victoria Park wicket with its splendid pavilion and fast outfield.

Turner and Hall gave Kingswood a start of 68 runs before Hall was caught for 28. Turner was the rock and made a chanceless 78 before he, too, was caught going for a big hit. Wellington (35 not out), Swemmer (22), and Kent (28), were others who took advantage of the perfect conditions, before a declaration was made at 226 for 9, compiled in 190 minutes.

Only the first three V.P. batsmen could reach double figures, and while there was some good defensive batting, the eventual outcome was never in doubt. Swemmer was the most successful Kings-

wood bowler, taking 5 for 24 in 14 overs with a mixture of pace and off-spin.

Scores in brief:

K.C. 226 for 9 declared. (Turner 78; Wellington 35 not out; Hall 28; Kent 28; Swemmer 22; Miles 19).

V.P. 75 all out (Swemmer 5 for 24; Van Niekerk 2 for 16; Hobson 2 for 19).

RESULT: K.C. won by 151 runs.

vs. ST. AIDAN'S — 10th Feb., 1968

Played at St. Aidan's.

St. Aidan's batted first and were able to amass only 80 runs, owing mainly to some accurate swing bowling by Shaw (5 for 21 in 15 overs) and two brilliant run-outs by Kent. Hobson made short work of the tail, taking 2 for 5.

Kingswood overtook the St. Aidan's total for the loss of 3 wickets. Swemmer (37) and Shaw (27) recovered a rather shaky start in which three wickets fell for only 31 runs. Wellington (30 not out) and Hobson (24 not out) took the opportunity to have some useful batting practice, before a declaration at 181 for 7 wickets.

St. Aidan's batted again although there was no chance of an outright decision. The game was called off at 5.30 with the score standing at 153 for 3 wickets.

Scores in brief:

St. Aidan's 80 all out (Shaw 5/21; Hobson 2/5; Van Niekerk 1/13).

K.C. 181 for 7 wickets declared. (Swemmer 37; Wellington 30 not out; Shaw 27; Hobson 24 not out; Van Niekerk 18; Kent 16).

St. Aidan's (2nd Innings) 153 for 3.

RESULT: K.C. won by 7 wickets.

vs. ST. ANDREW'S — 17th Feb., 1968

Played on Gane Field.

St. Andrew's batted first and were given a good start by Ritchie and McNaughton who put on 66 for the first wicket before Shaw bowled McNaughton. Judge was out first ball, l.b.w. to Shaw and 2 wickets were down for 66 runs. Gradwell was run out from a brilliant throw by Shaw which hit the wicket directly and 3 wickets were down for 79. Snow joined Ritchie and a partnership followed which righted matters for the visitors, before Shaw had Ritchie well caught by wicket-keeper Hall down the leg side, for 82. Snow was not out 42

when St. Andrew's declared at 192 for 7 wickets, leaving Kingswood 170 minutes in which to make the runs. It was a very sporting declaration and it made an excellent afternoon's cricket possible.

Turner, while spending 28 minutes at the wicket, seemed to be struggling to time the ball well and could only score 10 before being caught and bowled by Crail, the E.P. Nuffield opening bowler. Hall had gone early for 1, and two wickets were down for 24. Karg and Swemmer both looked very secure, in spite of giving a difficult chance each, and the position looked bright for Kingswood at 66 for 2. At this stage Rowan was brought on to bowl. With his second ball he lured Karg down the wicket and Galpin made no mistake with the stumping.

Swemmer was caught during the next over from Crail at the same score, and the scales were now very definitely tipped in St. Andrew's favour.

At 82 Wellington was bowled by Crews and two runs later Shaw was run out. 84 for 6. Van Niekerk joined Kent and a positive revolution took place in the game. In a whirlwind innings of 48, Kent hit 5 colossal sixes, including a lofted drive over extra-cover off medium-pacer McNaughton. It was cricket at its best.

Kent was out at 147 for 7, and it seemed as if Kingswood's recovery was at an end. The tempo of the innings naturally slowed down considerably with new batsman Hobson at the wicket.

Runs and wickets fell evenly now and once Van Niekerk went for 25, it was obvious that victory was high impossible for Kingswood.

Brittle came in at number eleven with 20 minutes left for play and excitement was at fever pitch as ball after ball was played with consummate care. Miles at the other end was the more aggressive, while Brittle was content just to stay there. And stay there he did. With the score at 174 for 9 stumps were drawn and one could almost hear the sigh of relief that went up from hundreds of Kingswood supporters.

Scores in brief:

St. Andrew's 192 for 7 wickets declared. (Ritchie 82; Snow 42 not out; McNaughton 38 — Shaw 3/56; Turner 2/118).

K.C. 174 for 9. (Kent 48; Karg 33; Van Niekerk 25; Swemmer 20 — Crail 4/51).

RESULT: Match drawn.

vs. GRAEME COLLEGE — 20th Feb., 1968
Played at Graeme College.

After the extremely tense match against St. Andrew's 3 days previously, Kingswood appeared to feel the effect and seemed to relax. Bowling was inaccurate and fielding below what one had come to expect of what was normally an outstanding fielding side. Chances were missed and Graeme, who batted first, took full advantage of the situation in amassing 193 all out. Kingswood were left 150 minutes to make the runs. This should have been quite well within their scope.

But Turner was brilliantly caught in the gully for 0. Hall was struck in the face by a rising ball — his second injury in two days in the same place — and he was forced to leave the field, badly shaken. Swemmer and Kent both played across Yorkers from Bokenham and 4 wickets were down for 54 runs.

Karg stroked the ball like a master, hitting eight fours in his 41, but not until the score was 102 for 7, when Hobson joined Miles, could Kingswood again feel proud of their performance. These two batted with competence and, apart from one lucky escape when an easy chance offered by Miles was not accepted, with reasonable discrimination. Close of play saw the score at 153 for 7, with Miles on 28 not out and Hobson on 20 not out.

Scores in brief:

Graeme: 192 all out. (Bokenham 38; S. van Niekerk 36 — P. van Niekerk 2/15; Brittle 2/7; Wellington 2/24; Hobson 2/30; Swemmer 2/62).

K.C. 153 for 7. (Karg 41; Miles 28 not out; Hobson 20 not out).
RESULT: Match drawn.

vs. UNION HIGH — 24th Feb., 1968
Played on Gane Field.

After the interesting and exciting match at Graaff-Reinet last year, Kingswood looked forward to the encounter with Union High.

The wicket was hard and Kingswood elected to bat on winning the toss.

Turner opened with Miles and very soon the latter was out for 3 with only 7 runs on the board. Karg joined Turner, who was having his worst run of batting form and could not "middle" the ball. Turner was next out, after a useful partnership of 69, for 26. Ten runs later Karg went for 42 (including 5 fours) and Kingswood were 86 for 3 wickets.

Two tragic run-outs followed, those of Swemmer and Shaw. Each had begun to look as if he were about to make a century in an hour-and-a-half. Disappointing though this was, the score was 119 for 5, and all hope of a large score was not lost. Kent joined Van Niekerk at the wicket and continued to produce his best cricket, hitting four 4's and two 6's in an innings of 45 not out in as many minutes.

Kingswood declared at 175 for 7 wickets at 3.10 p.m. This meant that Union High would have to score 175 runs in 155 minutes to win. This seemed possible on a perfect wicket, but no one could have guessed what was to follow.

Van Niekerk retired from bowling (after having only one over) with a strained back. He was replaced by Shaw. Turner replaced Swemmer at the Jagger end, and each took three overs to settle onto a length. In his fifth over Shaw, who was pitching the ball well up to the bat and swinging it disconcertingly, bowled opening batsman Collett. This was the breakthrough that Kingswood needed. 31 for 2, including a run-out. Wickets fell at the rate of one every two overs, and only Cawood (28) put up any resistance. Shaw had taken 6 for 20 in 15 overs (6 of them maidens), whereas Turner captured 3 for 21 in 12 overs with 7 maidens. Union High were all out for 58 runs.

Scores in brief:

Kingswood: 175 for 7 wickets declared. (Kent 45 not out, Karg 42, Turner 26).

Union High: 58 all out (Shaw 6/20; Turner 3/21).

RESULT: K.C. won by 117 runs.

1st XI vs. GREY HIGH SCHOOL — 28th February

Kingswood entertained Grey in the annual fixture on Gane Field on a day on which the overnight drizzle and early morning dull weather threatened to put paid to a day's cricket. Fortunately, however, it held off in spite of an inauspicious light rain which fell after Grey had won the toss and put Kingswood in to bat.

Hall had been injured against Graeme and it was felt that a match or two in the 2nd XI would restore his confidence, and so Karg opened the batting with Turner. The pitch was lightning fast in the opening overs and very few runs came in the first hour. The opening bowlers, E.P. Nuffield player Dutton and Wright, were replaced after 11 overs, having conceded only 8 runs between them. Karg was first to go, off perhaps the best shot he played — a square cut off off-spinner Miller which was brilliantly caught at cover 6 inches from the ground. Hobson at number 3 was caught off Dutton for 0 and Kingswood were 24 for 2. Swemmer joined Turner who was batting to find

form and mistiming his strokes. Swemmer immediately looked good, but after scoring only 17, including four 4's, he fell victim to an in-swing from Reid and was l.b.w. Turner was caught without further score and Kingswood were 47 for 4 when Shaw strolled nonchalantly to the wicket. He set about the bowling after Kent had gone cheaply, and he and Van Niekerk were together at lunch with the score at 82 for 5. After lunch a brisk scoring rate was continued until Van Niekerk was brilliantly caught at second slip. The partnership had been worth 64, of which Van Niekerk's personal tally was 24. The total — 122 for 6. Wellington, after looking sound, was out at 128 and Shaw was joined by Miles. Shaw was next to go. After a glorious six off medium-pacer Reid over the top sight-screen he was well caught at slip trying to cut. His 64 runs included 5 fours and a six. Miles, Brittle and Stretton could only delay the inevitable and the innings closed at 152.

Grey had to score a run-a-minute to win, and at several stages looked like succeeding — and would have but for some outstanding fielding and tight bowling. Van Niekerk had hurt his back and Shaw shared the new ball with Swemmer. Unfortunately Swemmer, too, was having back trouble and the brunt of the bowling fell to Turner, Shaw and Wellington, who replaced Shaw from the north end. After an opening partnership of 40 which threatened to put Grey right on top, Simpson lofted one into Kent's safe hands off Shaw. Wellington then had Tolson at number 3 caught at the wicket by Hobson and 2 wickets were down for 66. Grey had fallen about 8 runs behind the clock and when opening bat Kolnick turned one to leg off Wellington with the score at 66 for 3, a faint glimmer of hope flickered on the Kingswood horizon. But a partnership of 41 followed before Reid was run out after a misunderstanding and a good piece of backing-up and throwing by Stretton. Two more wickets fell in quick succession. Shaw had Fitz caught by Hobson off a rising ball and another good throw by Stretton ran out Minnaar. 113 for 6. When Shaw bowled Miller at 130 Grey still needed 23 to win and only 12 minutes were left — and an interesting game ended with Grey requiring only 15 runs at stumps.

Scores in brief:

K.C. 152 all out (Shaw 64; Turner 20; Van Niekerk 24).

Grey: 138 for 7 wickets (Kolnick 39; Reid 30 — Shaw 3/53; Wellington 2/40).

RESULT: Match drawn.

vs. DALE COLLEGE — 2nd March, 1968

Played on Gane Field.

Dale brought with them a formidable reputation for making big scores; and when the Kingswood openers could only muster 5 runs in

the opening partnership, and when Turner who had been having a dour, but successful, season was next out with the score on 13 for 2 wickets, it was clear that this was going to be no easy game to win.

Only Swemmer, in fact, looked at all at home against a mediocre attack. When he left, at 112 for 6, his personal tally was 70 — a brilliant innings which included shots all round the wicket. He hit 9 fours and 2 sixes. The other batsmen were clearly overawed by the Dalian reputation rather than their bowling ability and failed miserably. Only Shaw and Hobson reached double figures, and the innings folded up at 143.

Dale had ample time in which to make the runs, and at no stage looked as if they were going to make heavy weather of the task. However, they did place much of the responsibility on the head of their Captain and Border Nuffield player Wainwright, who displayed admirable temperament and as many shots all round the wicket as it is possible to expect a schoolboy batsman to make. He made the bowling look easy, which the other Dalians certainly did not.

Van Niekerk disposed of opening batsman Dugmore with only 3 runs on the board, and had the other opener well caught by Turner at slip with the score on 41.

A run-out followed at 60, and Wellington took a very good catch at wide slip to give Shaw his first wicket at 93 for 4. Wainwright was still batting effortlessly at the other end and with a little help from the others the Kingswood total was passed for the loss of 5 wickets. As if satisfied with his excellent knock of 74, which included 11 fours and 2 sixes, Wainwright was promptly stumped by Hobson off Swemmer in the final over of the match.

Scores in brief:

K.C.: 143 all out (Swemmer 70).

Dale: 144 for 6 (Wainwright 74; Van Niekerk 3/35).

RESULT: K.C. lost by 5 wickets.

vs. MUIR COLLEGE — 9th March, 1968

Played at Muir.

Muir batted first and had no answer to the swing bowling of Shaw who captured 7 wickets for 22 runs in 18 overs (7 maidens). Shaw had good support with the new ball from Van Niekerk (1 for 20 in 8 overs) and Swemmer who took two middle-order wickets for 16 runs.

Kingswood never looked in any danger of not making the runs after Turner had been bowled by a ball which kept very low, with the score on 2.

Hall hooked in inimitable style and most of the 7 boundaries in his 43 came from judicious use of this shot.

Swemmer played the most brilliant innings of the season. He middled every single ball that was bowled to him with the precision of a master, and stroked 13 fours and an effortless six over extra-cover in scoring 62 in 48 minutes — having to run only two singles and one two in the entire innings.

Karg played competently at number 3 in his knock of 26, before Hall and Swemmer took the score past Muir's total for the loss of only two wickets.

With only 75 minutes of play left Kingswood took the field again, having declared at 235 for 8 wickets.

There was no time in which to gain a second innings victory and the game was called off after 40 minutes with the Muir total at 56 for 0.

Scores in brief:

Muir 94 all out (Shaw 7/22).

K.C. 235 for 8 wickets declared. (Swemmer 62; Hall 43; Shaw 36; Karg 26; Wellington 20 not out).

Muir (2nd Innings): 56 for 0 wickets.

RESULT: K.C. won by 8 wickets.

vs. OLD KINGSWOODIANS — 14th March, 1968

Played on Gane Field.

The Old Boys batted first, but in spite of a gallant 33 by Gavin Purdon, could only total 75 runs. Roland Cooke and Barry Purdon were the only others to score double figures. Swemmer, bowling off-spinners, claimed the last 3 wickets in 8 balls for 0 runs, having conceded 6 runs earlier with the new ball. Shaw claimed his share of wickets (4 for 24), while Van Niekerk and Stretton took 2 and 1 respectively.

The Old Boys, missing such fine players as John Gush, John Mills and Denis Newcombe, were unable to produce a bowling attack capable of containing a rampant Swemmer (61 not out in 40 minutes with 5 sixes and 3 fours), and Turner who showed glimpses of a return to form in collecting 50 not out (4 fours). Hall, however, started the ball rolling with Turner in an opening partnership of 54, before he was run out.

Colin Purdon claimed the only wicket to be taken by the Old Boys when he appealed as loudly as an angry thundercloud for an l.b.w. decision against Karg. The umpire had no hesitation in granting the appeal. We trust that he was duly rewarded for his efforts!

Scores in brief:

Kingswood Old Boys: 75 all out (G. Purdon 33; R. Cooke 17; B. Purdon 12; D. Jones-Phillipson 4; D. Carlstein 3; H. Baker 2; Extras 2 — Swemmer 3/6; Shaw 4/23; Van Niekerk 2/20; Stretton 1/24).

K.C. 153 for 2 wickets (Swemmer 62 not out; Turner 50 not out; Hall 31).

RESULT: K.C. won by 8 wickets.

The following awards were made at the end of the term:-

Honours:

C. J. Swemmer, K. Shaw.

Colours:

M. Kent, B. Turner.

Standard Blazers:

P. van Niekerk (Re-award), J. Wellington, T. Karg, D. Hobson, K. Miles, K. Hall, V. Brittle.

The 1st XI played 11 matches, won 6, drew 4 and lost 1.

The first XI batting and bowling averages for the term are as follows:-

BATTING

| | Innings | Times | Not Out | Runs | Average | Highest Score |
|----------------|---------|-------|---------|------|---------|---------------|
| C. Swemmer | 11 | 1 | | 351 | 35.1 | 70 |
| B. Turner | 11 | 2 | | 246 | 27.3 | 78 |
| J. Wellington | 10 | 5 | | 131 | 26.2 | 35* |
| K. Shaw | 7 | 0 | | 183 | 26.1 | 64 |
| K. Miles | 9 | 5 | | 93 | 23.3 | 28* |
| K. Hall | 8 | 1 | | 157 | 22.4 | 43 |
| T. Karg | 11 | 0 | | 232 | 21.1 | 66 |
| M. Kent | 10 | 1 | | 180 | 20.0 | 48 |
| P. van Niekerk | 10 | 0 | | 119 | 11.9 | 25 |
| D. Hobson | 10 | 2 | | 72 | 9.0 | 24* |
| G. Stretton | 2 | 0 | | 11 | 5.5 | 8 |
| V. Brittle | 5 | 3 | | 6 | 3.0 | 5* |

BOWLING

| | Overs | Maidens | Runs | Wickets | Average |
|----------------|-------|---------|------|---------|---------|
| K. Shaw | 121 | 41 | 258 | 29 | 8.9 |
| C. Swemmer | 148 | 43 | 323 | 29 | 11.1 |
| D. Hobson | 26 | 9 | 73 | 6 | 12.2 |
| V. Brittle | 28 | 6 | 70 | 5 | 14.0 |
| P. van Niekerk | 72 | 23 | 185 | 12 | 15.4 |
| B. Turner | 74 | 18 | 206 | 10 | 20.6 |
| J. Wellington | 61 | 16 | 154 | 7 | 22.0 |

Also Bowled: G. Stretton 1/65; K. Miles 2/0.

2nd XI CRICKET — 1st TERM 1968

During the season we played 5 school matches and 2 matches against adult sides and at all times attempted to play attractive cricket.

Our first match was against a very strong Port Alfred side who needed match practice before the Annual Pineapple Tournament. Bat-

ting first we scored 94 runs (G. D. de Jager — 29). Port Alfred replied with 158 for 3 wickets, and putting us in to bat a second time, skittled us out for 49 runs. In our defence it must be mentioned that 9 of their team were in the Port Alfred XI which beat our 1st XI the previous weekend.

Our first school match was against St. Aidan's and batting first we scored 155 runs (Oosthuizen 81, De Jager 21 and Stretton 23). St. Aidan's replied with 89 runs (Henry 3 for 25 and Walker 3 for 17).

Playing St. Andrew's, in reply to their 123 runs (Henry 8 for 54) we only managed to total 61 runs (R. Dold 22).

Against Graeme, batting first we scored 196 runs (Stretton 25, C. Van Niekerk 33, Henry 28, A. B. Hobson 27 and Crafford 21 not out). On reply Graeme scored 89 (Henry 3 for 35, C. van Niekerk 5 for 7).

In our return match against St. Aidan's we scored 170 runs for 6 wickets (Hall 47, Oosthuizen 44, and Henry 28 including 3 towering sixes). St. Aidan's replied with 57 runs for 9 wickets (Henry 6 for 24).

Playing Muir (Uitenhage) at home, we scored 104 runs (Oosthuizen 34, R. Dold 27), while Muir replied with 92 runs (Henry 3 for 40 and Walker 5 for 26).

The last match of our season was played on Founder's Day against an "Old Boy 2nd XI". The Old Boys scored 176 for 9 wickets (H. H. Collett 69, Schroeder (staff) 50) and our reply was 114 (Hobson 46, Henry 33). R. Walker took 3 'Old Boy' wickets for 32 runs.

Summary:

| | Played | Won | Lost | Draw |
|----------------|--------|-----|------|------|
| School matches | 5 | 3 | 1 | 1 |
| Other matches | 2 | — | 2 | — |

Regular members of the 2nd XI were: D. Oosthuizen (Capt.), G. D. de Jager, R. Walker, A. R. Collett, R. Dold, M. Copeland, C. van Niekerk, R. Henry, A. B. Hobson, I. Crafford, while G. Stretton, L. Pringle and H. Cillie played a few games.

A.F.B.

SECOND DIVISION CRICKET

The second division fielded two teams this year — the 3rd XI and the 4th XI. Both teams enjoyed a very successful season with most members of the division showing considerable improvement towards the end.

Results of matches played were as follows:-

3rd XI:

- vs. Graeme 3rds: K.C. 143 for 7 declared. (Mathews 30 not out, Robbins 27). Graeme: 112 all out. (Cornish 4 for 27).
- vs. St. Aidan's 3rds: K.C. 218 for 7 declared (Mathews 81 not out, Berrington 30). St. Aidan's 38 all out. (Robbins 3 for 12, Cornish 3 for 13).
- vs. St. Andrew's: K.C. 177 all out (A. R. Collett 27, Berrington 25). St. Andrew's 178 for 7 (Robbins 3 for 62, Crafford 2 for 24).
- vs. Graeme 3rds: K.C. 164 for 4 declared (Livingstone 47 not out, Mathews 35 not out). Graeme 116 for 4 at stumps. (Robbins 3 for 34).
- vs. St. Aidan's: St. Aidan's 45 all out (Robbins 4 for 20, Ciorovich 3 for 6). K.C. 46 for 4 (Livingstone 15, Jury 11).
- vs. Salem 2nds: K.C. 186 all out (Robbins 43, Pringle 28). Salem 128 all out (Pringle 4 for 21, Robbins 2 for 21, J. G. Collett 2 for 22).
- vs. Adelaide Tech 3rds: K.C. 214 all out (Ciorovich 95, Hudson 49). Adelaide 118 all out (Robbins 3 for 35, Cornish 3 for 25, Pringle 2 for 21).

4th XI:

N. C. Collett showed himself to be a vastly improved player, as did J. L. Anderton with his bowling. D. T. Burnett, F. W. Tyson, and R. M. Wilkinson all had good games during the season. Among the more notable of the matches they won was that played against Salem which they won by one run in the last over of the day. The 4th XI replied to Salem's 201 with 202 all out. K. C. Brown was the highest scorer in this match with 85.

L.R.V.

COLTS B — SPRING TERM

This team continued to play with the determination of a young and very keen team, relying not so much on individual performances but on the spirit of the team as a whole. All team members fought grimly to the bitter end in their matches, but, in many cases, age proved to be the deciding factor as the majority of the Colts B team were under 14.

The results of the matches played were:-

- vs. St. Andrew's Colts B: K.C. 139 all out (Schuddinh 34, Wellington 23). St. Andrew's 140 for 5 (Syme 3 for 19).
- vs. Graeme Colts B: K.C. 92 all out (Schuddinh 37, Kirkby 13). Graeme 121 all out (Ciorovich 3 for 7, Burnett 3 for 11).
- vs. St. Andrew's: K.C. 111 all out (Burnett 32, Stewart 17). St. Andrew's 112 for 8 (Syme 6 for 36).

L.R.V.

COLTS A CRICKET

Although this was not the most successful season, it was all the same an enjoyable one. The term was very well end by P. Sole who displayed admirable resolution in everything he did. Sydney Turner proved a useful all-rounder. He achieved a hat-trick against Grey Colts. In fact he took 5 wickets in one over which included this hat-trick. Truly a fantastic achievement!

Bradfield improved as a batsman while Staples and Wellington added their fair share toward making the season a fairly successful one.

The regular A teamers were as follows:- Staples, Kirkby, Turner, Bradfield, Wellington, Allen, Watson, Ballantyne, Sole, Dewar and Newell.

The following are the detailed results of the fixtures:-

3/2/1968:

vs. Graeme: K.C. 134 all out (Turner 30). Graeme 47 all out (Turner 4 for 8, Bradfield 2 for 7). Graeme 2nd Innings 94 for 8. **Result:** K.C. won by 87 runs on the 1st innings.

10/1/1968:

vs. St. Aidan's: St. Aidan's 1st Innings 69 all out. (Turner 4 for 9, Bradfield 2 for 15). K.C. 1st Innings 93 all out (Bradfield 30). St. Aidan's second Innings: 63 all out (Wellington 7 for 34). K.C. 2nd Innings: 43 for 5. **Result:** K.C. won outright.

17/2/1968:

vs. St. Andrew's: St. Andrew's 1st Innings: 95 all out (Allen 5 for 15, Bradfield 2 for 12). K.C. 1st Innings: 17 all out. **Result:** K.C. lost by 78 runs.

20/2/1968:

vs. Graeme: K.C. 1st Innings: 163 all out (Bradfield 51, Allen 57). Graeme 1st Innings: 119 all out (Turner 6 for 41, Allen 2 for 14). **Result:** K.C. won by 44 runs.

24/2/1968:

vs. St. Aidan's: St. Aidan's 1st Innings: 114 all out. (Wellington 5 for 43, Turner 3 for 41). K.C. 1st Innings: 130 for 7. (Staples 24, Turner 54 not out). **Result:** K.C. won by 3 wickets.

9/3/1968:

vs. Grey P.E.: Grey 1st Innings: 92 all out. (Wellington 4 for 32, Turner 5 for 30). K.C. 1st Innings: 58 all out. (Turner 31). Grey 2nd Innings: 102 for 4 declared. K.C. 2nd Innings: 63 for 4. (Wellington not out 45). **Result:** Grey won on 1st Innings.

UNDER 14B CRICKET — 1st TERM 1968

Although the season was very short and only two matches were played against other schools, there was plenty of enthusiasm among the players. Many of the players had never before had individual coaching, and in this respect the coaching of Mr. Goble, especially as far as batting is concerned, was very valuable. Peter Dold, with his leg spinners, was the most successful bowler, taking 6 wickets in the two matches at an average of 2.5 runs. Of the batsmen P. McLeod with a score of 46 against St. Aidan's had the best average, followed by H. Butler, P. Collett and R. O'Neill.

The following players represented the team: T. Lombard (Captain), J. Cumber, M. Vorster, T. Sparg, K. Brown, P. McLeod, P. Collett, R. O'Neill, H. Butler, M. Shaw, G. Hobson, B. J. Engelbrecht, R. Fridericks, P. Dold.

Results of matches:-

10th February 1968:

vs. St. Aidan's: St. Aidan's 44 all out; K.C. 108 for 8.

17th February 1968:

vs. St. Andrew's: K.C. 79 for 9; St. Andrew's 82 for 4.

E. TURNER.

SENIOR TENNIS — 3rd TERM 1967

Main interests during the last term were the completion of our School Championships and the outcome of the Knowling Shield.

As holders of the Shield we were naturally very keen to retain our place at the top of Gramamstown Schools' tennis. Rhodes had withdrawn and Graeme College were not a serious challenge. Our main rivals were again St. Andrew's.

In the two singles matches we seemed to be on top. H. B. Hobson disposed of his opponent in straight sets and M. Kent, after dropping the first set, seemed to be taking command when rain interrupted play. But in the meantime, in the three doubles matches, our fortunes had floundered. With A. Davies hampered by an injured back, and the St. Andrew's boys playing inspired tennis, we had to concede defeat by 3 matches to 1 with Kent's match unfinished. A. Davies and J. R. G. Collett, D. L. Hobson and V. Oxenham and T. Karg and A. B. Hobson played in the Doubles.

The School Championships produced some good tennis in exciting finals. In the Senior singles brothers H. B. and D. L. Hobson faced each other. Playing real power tennis Blake soon ran into a 6—1, 4—1 lead. Denys was not to be overwhelmed, however, and made a fine

recovery. He won the second set 7—5 playing very steadily and when he led 5—3 in the final set big brother must have been a very worried man. He rallied in good fashion to win the title by taking the final set 7—5.

Denys, still under 16, had little trouble claiming that title 6—1, 6—1 from R. Velkes and, with L. B. Turner, also won the Doubles 6—0, 6—0 from A. D. Watermeyer and R. Velkes.

The Open Doubles went to A. Davies and H. B. Hobson who proved too strong for M. Kent and J. R. G. Collett, winning 6—2, 6—3.

The completion of the Inter-House Competition brought a successful year's tennis to a close.

A. M. Davies proved a popular and efficient captain.

The following awards were made:-

Colours:

H. B. Hobson and A. M. Davies.

Standard Blazers:

D. L. Hobson, J. R. G. Collett, V. Oxenham and M. C. Kent.

SENIOR TENNIS — 1st TERM 1968

As often happens we started the year having said farewell to many of the previous year's stalwarts. D. L. Hobson, J. R. G. Collett, M. Kent and T. Karg have proved a good nucleus on which to build this year's team.

Though the "official" tennis season falls in the middle term and there has been little opportunity for practice and team-building, tennis carries on throughout the year.

Elected Captain for the year, Denys Hobson has been alive to every opportunity that presented itself for arranging matches or taking part in tournaments.

Early on, the Grahamstown Tennis Association arranged a Grahamstown Schools event for different age groups to be played off "in bits and pieces" whenever players were available. Amongst other lesser successes, D. Hobson and M. Kent have both reached the Final of the Open Singles — still to be played. D. Hobson and J. R. G. Collett lost to a St. Andrew's couple in the final of the Open Doubles. R. Velkes and R. Rein both performed well as did A. D. Watermeyer.

During the Departmental Schools' Easter holidays D. Hobson, M. Kent, J. R. G. Collett and T. Karg obtained a few days leave to take part in the P.E. and District Schools Open Championships. Without gaining any top honours they all achieved creditable results.

An informal Grahamstown Schools vs. P.E. Schools match was arranged for one Saturday during the term. D. Hobson, J. R. G. Collett, T. Karg and R. Velkes were our representatives in the Combined side and gained good experience against strong opposition.

In addition friendly games were arranged — of mixed strength — against St. Andrew's and Graeme College and over Easter Weekend a team of six boys paid a very pleasant visit to Jansenville to play against the local club — mostly O.K.'s and parents. They played Singles, Men's Doubles and Mixed Doubles — since some local ladies kindly consented to play for Kingswood.

Next term will see our School Championships commence, inter-house matches and more inter-school matches.

T. C. HARTZENBERG.

JUNIOR SCHOOL NOTES — 3rd TERM 1967

Prize-giving was upon us soon after term commenced. At this ceremony, which was preceded by a very pleasant tea in the Jacques House library, the prizes were very graciously distributed by Mrs. W. J. Busschau, wife of Dr. Busschau, the Chancellor of Rhodes, who later was guest speaker at the senior ceremony. The occasion was neatly rounded off with the Junior Choir, under the baton of Mr. Stewart Thompson, singing three songs from Gilbert and Sullivan operas.

During that Parents' Weekend entertainment was presented on two nights for the parents. The Junior Choir sang, for about twelve minutes, Sea Shanties. Their discipline and charming manner of presentation impressed the audiences. A one-act play, produced by Mrs. Carol Tarr, followed the choir. The choice of play was a happy one, and the performance was well received on both nights. The characters and the names of the players are given below. After a fifteen minute interval the senior play, produced by Mr. B. Pitman, was presented. Details of this play will be found elsewhere.

KINGS IN NOMANIA

by

PERCIVAL WILDE

Characters

In November most of Form III and half of Form II wrote National Certificate exams. The Form III boys wrote the National Std. VII Arithmetic and English, and the Form II's wrote the National Std. VI Arithmetic and English. These entries were made primarily to give these boys the experience of writing an external examination under external control. The experiment has been a great success and the results were very encouraging. The following table gives the results in a nutshell.

| Symbol: | | A | B | C | D | E |
|----------|------------|----|---|---|----|---|
| Std. VII | Arithmetic | 10 | 8 | 5 | 3 | 2 |
| | English | — | — | 5 | 14 | 3 |
| Std. VI | Arithmetic | 12 | 7 | 6 | 6 | 8 |
| | English | — | 1 | 5 | 6 | 6 |

At the close of term we regretfully said farewell to several members of staff:- Mr. P. Gavshon was returning to England; Mr. Stan Morgan was returning to Rhodes to complete his degree; Mrs. J. Dovey left to look after her family; Mrs. G. Victor, as the wife of the newly appointed housemaster of Wood House, could no longer do full-time teaching.

In December Mr. Graham Hall, assisted by Mr. and Mrs. Victor, took a party of boys on a tour of Rhodesia. The expedition was a great success, and Mr. Hall is to be congratulated on a splendid piece of organisation.

1st Term 1968:

The new year opened with a welcome to several new members of staff. Mr. André Lemmer is doing History and English, Mr. Keith Bryer, also History and English, and Mr. Arthur du Venage, an Old Kingswoodian, doing most of the Afrikaans in Form III.

The Stamp Club:

The young philatelists have been fairly active this term, adding

to their collections. A most interesting evening was spent at Jacques House when three members of the Grahamstown Philatelic Society displayed some of their pages, and we are grateful to Dr. Chutter, Mr. Van Wyk Smith and Mr. Walter Pettit for providing such an interesting exhibition.

The Angling Club:

This club has only just been formed, and its members, 27 in number, come from the Third Forms. We are deeply grateful to the Moss families of Mosslands, to Mr. Merrick Moss, and to Mr. John Berrington, for allowing the boys to fish freely in their dams. Without their co-operation the club would have been a failure.

Five outings were organised, all of them successful. The best catches were made from the Mosslands upper dam from which stretch of water many fish were taken, some of them of remarkable size. This dam is well stocked with large mouth black bass, and the best catches have been:-

Duke Staples, 5½ lb; Stephen Bell, 4¾ lb; Robert Vorster, 4 lbs: and ten fish of 3 lbs. and over, by other members of the club.

We are indebted to several who have assisted in transporting the anglers — the Hon. Mr. Justice Kotzé, Mr. Graham Pearce, Mr. Athol Petersen, Mr. Graham Hall and Mr. and Mrs. Derek Cawood.

R.Q.T.

JACQUES HOUSE NOTES — 3rd Term 1967, 1st Term 1968

The third term is always a busy one for Jacques and this one was no exception. Several of the junior boys occupied themselves getting ready for the long weekend as the junior play and the choir took up quite a lot of spare time. Athletics, tennis, soccer and hockey were other activities that went on in the afternoons after school and the whole house seemed to be kept pretty active.

Early morning prep. started up later on in the term and the majority of boys seemed to put their backs into their work.

We had a minor outbreak of chicken pox during the latter part of the term which curtailed some of our cricket fixtures against the local schools. Rain also stopped play on occasions so that the boys enjoyed a few more films than usual at the local cinemas.

On Monday, 11th September a presentation was made to Katie Philander who has worked in Jacques for thirty-seven years. She has worked in the linen room for most of the time and has a wonderful memory.

Athol Hudson (a good U13 all-rounder) was voted by a good majority to be the winner of the Jack Ellis Shield. In his own quiet

way he was a fine asset to the house and to my mind a very worthy winner.

Our prefects were led by Russel Kirkby who was ably assisted by Robert Grundleger, Richard Davies, Peter Dyke and Claude Ansley. They did a very sound job and managed a fair amount of work. Our thoughts are very much with Peter Dyke and his parents and sisters at the moment as he is rather seriously ill in Cape Town.

The new boys concert was the usual marathon affair and the prefects are to be congratulated on the best "turn".

It was with deep regret that we said farewell to Mr. Peter Gavshon at the end of this third term of 1967. He was a lively member of the Kingswood staff and had done a sound job for me in coaching several of our promising junior sportsmen in the Junior School. I would like to thank him for all he has done for the school and wish him every success in his future career.

We welcomed thirty-five new boys at the beginning of the first term 1968 and it was not long before the tears of a very few were wiped away and they were all into the swing of things. Study and sport got off to a good start and our A teams had a very successful season. Tennis continues to flourish and the arrival of a tennis machine will help Mr. Hall to intensify his coaching methods.

Health-wise we had a remarkable term, for weeks on end there was not a single boy in the San.; I think Doctor Wylde must have some magic formula he's hiding from us!

Apart from the windows we had two other breakages this term, James Hogg broke his arm doing the high jump and Miles Janet broke his nose playing cricket. James was particularly brave with his arm and Miles worked his way back into the U13A cricket team — a really stout effort.

Members of the choir were allowed to go and hear Virginia Lee sing at His Majesty's Theatre and they enjoyed her varied program.

Mr. Tarr organised a stamp display towards the end of the term. This was held in the library and several boys showed a lot of interest.

Rugby started towards the end of the term and we entertained two Muir Primary teams to lunch on 6th April. Muir won both matches against our U12A and U13A rugby teams but it was nice rugby to watch despite the wind and a bit of rain.

Major Ralph Wellington was our guest speaker at the Foundation Day Supper. His speech was well received and he was thanked by the Reverend Howard Kirkby.

Two thirds of the house slept out on the night before half term and most of the boys who stayed went for a hike with Mr. Hall on the day itself. Some of the boys have gone fishing with Mr. Tarr and we are all hoping for something really big one of these days so that all the house can enjoy it.

Mike Kent is the head prefect this year and he is assisted by Roger Dold, Rodney Collett, Robert Cornish and Douglas Fraser. The prefects are doing a sound job and seem to be coping fairly well in class.

It remains for me to thank:- Miss Simpson and Mrs. Hill for all their help during the last two terms; Mr. Hall, Mr. Smith and Mr. Cooke for the many hours of extra-mural activities they put in; Dr. Wyld for his good humour and care of the boys, the prefects for their co-operation, the servants for their loyalty and hard work.

S.J.T.

CHAPEL AND CONCERT CHOIR — 3rd Term 1967, 1st Term 1968

I am pleased to report that the choir continues to flourish and that several new boys have come forward this year to keep the number over the thirty mark.

During the 3rd Term of 1967 the choir gave a repeat of its performance at the Lions concert earlier in the year. This performance was linked with the junior and senior plays and presented over the long weekend. The choir also sang at the Junior School Prize Giving. Its final performance of the year was at the Annual Carol Service held in our chapel.

During the first term of this year the choir has taken part in the Family Services as well as singing introits and anthems on such occasions as the Good Friday Service in the chapel.

Finally may I thank all the boys who help to make the choir what it is and a special word of thanks to Miss M. Robb and Mrs. D. Cawood for accompanying the choir on various occasions.

Members of the choir at the time of writing (Soloists marked with an asterisk):-

S. Abraham, B. Avery, R. Avery, G. Barlin*, G. Bladen, D. Butler, B. Curtis, M. Thompson*, W. Gibson, J. Fletcher, W. Harding, J. Fisher*, E. Harris, A. Eksteen, J. Osborn, J. Goneos*, C. Hobson, E. Lee, B. Munro, J. Hogg*, J. Reynolds, D. Raulstone, J. Painter, G. Huddy*, M. Schlesinger, D. Salmon, A. Long*, J. Skinner, H. Smith, M. Spiers, A. Summers, A. ten Winkel, G. Wade, D. Walker, G. Wilson.

Some of the items sung:-

At the plays:

"For the merriest Fellows are we", "The Mermaid", "We joined the Navy", "Row your boat", "I must go down to the Sea again".

At Prize Giving:

"The Magnet and the Churn", "Tit-Willows", "The Sentry Song".

At the Carol Service:

"See Amid the Winter's Snow", "Angels from the Reaches of Glory", "Little Jesus sweetly sleep".

As introits:

"O Thou not made with hands", "Let us with a gladsome mind", "Christ the Lord is risen again", "Come down O Love Divine", "Once in Royal David's City", "All things bright and beautiful", "Glory to Thee my God this night", "All things which live", "My song is Love unknown", "God that madest earth and heaven".

As anthems:

"Forty days and forty nights", "Round the Lord in glory seated", "Hail Gladdening Light", Let the Loud Trumpet Sound".

S.J.T.

UNDER 13A CRICKET — 3rd TERM 1967

This second half of the season saw a considerable improvement in the team. The fielding, especially the holding of catches, was very encouraging. The accurate bowling of Martin Bester, coupled with that of Clive Ingram from the other end, seldom allowed the batsmen of the opposition to settle down. Although none of our batsman really showed consistent form during the whole term, there were several useful scores put up: Roux 38 in the first match against St. Andrew's; Bester 31 in the last game against St. Andrew's; and Barnard 29 against Graeme and 25 against St. Andrew's. The bowling figures of the two opening bowlers make interesting reading:

| | Overs | Maidens | Runs | Wickets | Average |
|--------|-------|---------|------|---------|---------|
| Bester | 108.4 | 34 | 203 | 21 | 5.16 |
| Ingram | 82 | 20 | 248 | 14 | 17.43 |

The following players represented the side:- C. Ingram (Captain), R. Hobson (Vice-Captain), J. Cumber, P. Roux, H. Moss, A. Hudson, N. Pike, M. Bester, P. Dold, B. Barnard, K. Brown, J. Clews, P. Collett, R. Fridericks

The following matches were played:-

10th Oct. 1967: St. Aidan's under 14A 117 for 6; K.C. 45 all out.

4th Nov. 1967: K.C. 136 for 8; St. Andrew's 85 for 3.

8th Nov. 1967: Graeme 71 all out; K.C. 109 for 6.

11th Nov. 1967: St. Andrew's 115 all out; K.C. 98 for 5.

15th Nov. 1967: St. Andrew's 147 for 6; K.C. 97 for 8.

18th Nov. 1967: Woodridge 35 all out; K.C. 87 all out. Second Innings:

Woodridge 51 for 5; K.C. 58 for 4.

E. TURNER.

UNDER 13 CRICKET — 1st TERM 1968

The U 13A side experienced a very successful second half to the 1967/1968 season. In all, five matches were played, of which four were won.

The side was well led by D. Elliott, with A. Turner as his understudy. Other regular players were: B. Turner, L. Swart, M. Bladen, G. Huddy, S. Oosthuysen, S. Fitzhenry, K. van Straaten, M. Janet, L. Crafford and C. Wood.

Although both batting and bowling were of a high standard, it was the excellent fielding that will long be remembered. Of the 50 dismissals we had, 23 were due to catches, and the boys soon began to believe and appreciate the truth in the saying "held catches win matches".

Of the new-comers to the side, Crafford proved to be a useful medium pace swing bowler. Whereas some of the 'old boys' did not quite live up to their reputations, Huddy and Elliott did extremely well, the former with both bat and ball.

Summary of matches played:

7/2/68. vs. St. Andrews Prep. (Home):

K.C. 71 all out. (Oosthuysen 27). St. Andrew's 60 all out. (Crafford 5 for 7). Match won by 11 runs.

14/2/68. vs. Graeme College (Home):

Graeme 64 all out. (Huddy 5 for 15, Crafford 3 for 17). K.C. 47 all out. Match lost by 17 runs.

17/2/68. vs. Muir College (Away):

This match was one of the highlights of the season, mainly due to the fact that it was their first match away from home. The boys thoroughly enjoyed the fixture and we hope that it can be made an annual event.

K.C. 131 all out. (Elliott 27, Oosthuysen 27, Huddy 21). Muir 91 all out. (Huddy 3 for 20, Swart 3 for 14). Match won by 40 runs.

2/3/67. vs. St. Andrew's (Away):

K.C. 174 for 7 declared. (Huddy 53, Elliott 45 not out, B. Turner 25). St. Andrew's 107 all out. (B. Turner 4 for 20, Crafford 3 for 22). Match won by 67 runs.

6/3/68. vs. Graeme (Home):

Graeme 104 all out. (Huddy 7 for 32). K.C. 105 for 8. (Elliott 39 not out, Swart 20). Match won by 2 wickets.

B. SMITH.

UNDER 12A CRICKET — 1st TERM 1968

The under 12A's enjoyed a very successful season playing 6 matches, 5 of which were won and the other ending in a tie. A feature of their success lay in the enormous depth of both the batting and bowling which is normally unusual in the juniors sides. Special mention must be made of Ewart Lee who gained invaluable experience as skipper of the side, Alexander Meiring who notched up 3 consecutive 50's and Michael Bradfield who had a successful season with the ball including a hat trick against St. Andrew's. Neil Hartzenberg as vice-captain, improved with every game both with his batting and as wicketkeeper.

Regular members of the side were: E. Lee (Capt.), N. Hartzenberg, S. Long, A. Meiring, D. Butler, G. Bladen, M. Bradfield, R. Burmeister, G. Bell, C. Sparkes, C. Wade, A. Long, B. Miles and G. Sephton.

Detailed results of the matches played were:

K.C. vs. St. Andrew's:

K.C. 1st Innings: 119 for 8 declared. (Meiring 33, Lee 35 not out. Price 5 for 39). St. Andrew's: 18 (Bradfield 5 for 6 including a hat trick). RESULT: K.C. won by 101 runs.

K.C. vs. St. Aidan's Prep.:

St. Aidan 1st Innings: 47 (Lee 4 for 18, Bradfield 2 for 16, Meiring 2 for 1). K.C. 1st Innings: 57 (Hartzenberg 34 not out — Tighe 5 for 9, Watts 3 for 7). RESULT: K.C. won by 10 runs.

K.C. vs. St. Aidan's Prep.:

St. Aidan's 1st Innings: 93 (Hebel 26, Tighe 16, Bradfield 3 for 30, Lee 3 for 30, Bladen 2 for 6). K.C. 1st Innings: 93 (Burmeister 22, S. Long 15, Watts 4 for 17, Beckett 4 for 12). RESULT: A tie.

K.C. vs. St. Andrew's:

K.C. 1st Innings: 107 (Meiring 51, Long 23 — Price 6 for 20). St. Andrew's 1st Innings: 68 (King 15, Bradfield 5 for 35, Lee 4 for 23). RESULT: K.C. won by 39 runs.

K.C. vs. Graeme College:

Graeme 1st Innings: 48 (Bradfield 7 for 14, Lee 3 for 13). K.C. 1st Innings 91 for 3 (Meiring 51 retired). RESULT: K.C. won by 7 wickets.

K.C. vs. St. Aidan's Prep.:

St. Aidan's 1st Innings: 73 (Bradfield 4 for 35, Meiring 5 for 8). St. Aidan's 2nd Innings: 64 (Bradfield 4 for 1). K.C. 1st Innings: 136 for 5 (Meiring 51, Lee 32, Burmeister 16 not out). RESULT: K.C. won on 1st innings by 6 wickets.

R.B.C.

UNDER 11A CRICKET — 3rd TERM 1967

The under 11A team only played three matches this term due to the many rainy days we had. Nevertheless Kingswood did well in these matches, winning two and drawing one. By this time the side had developed a good team spirit which was to prove invaluable in their following season.

Regular members of the team were:- A. Meiring, C. Sparkes, R. Burmeister, E. Lee (Capt.), N. Hartzenberg, G. Sephton, M. Bradfield, G. Bell, A. Long, J. Fletcher, C. Wade and B. Miles.

Detailed results of the matches played were:-

K.C. vs. Southwell:

K.C. 1st Innings: 109 for 6 (Lee 18, Sephton 18, Bradfield 24 not out). Southwell 1st Innings 37 (Lee 3 for 7, Meiring 2 for 0, Burmeister 3 for 0). RESULT: K.C. won by 79 runs.

K.C. vs. Graeme College:

K.C. 1st Innings: 112 for 7 (Meiring 43 not out, G. Bell 13, Wade 15). Graeme 1st Innings: 28 for 8 (L. Wicks 18 — Lee 3 for 10, Bradfield 5 for 5). RESULT: Draw.

K.C. vs. St. Andrew's:

St. Andrew's 1st Innings: 55 (Norton 13, Dane 14 — Bradfield 5 for 18, Meiring 3 for 9). K.C. 1st Innings: 66 for 3 (Meiring 34 not out, Hartzenberg 19 not out). RESULT: K.C. won by 7 wickets.

R.B.C.

U 11A CRICKET REPORT — 1st TERM, 1968

Members:- Van Niekerk, Sephton, Purdon, Turner, Hobson (Capt.), Berrington, Salmon, Thompson, Butler, Moss, Walker, Stewart, Birch, Hogg, Smith.

The U 11A's finished the season on a high note. Several matches were played against other schools, including — St. Andrew's; St.

Aidan's; Southwell, etc. Not one match was lost, while most of those played were either won or drawn in our favour.

The most outstanding players were Barry Hobson who consistently made high scores, including a half-century against St. Andrew's; Robert Turner, Berrington, Butler and Sephton.

We trust that the team will keep up its keen enthusiasm for the game in the 3rd term, when even better things are expected of them.

Finally the team would like to thank Mr. Thompson for his enthusiasm, in arranging matches every week.

A. LEMMER.

CAKE MATCH CRICKET

3rd Term 1967:

There were so many players available that it was possible to run six teams. In the limited time, however, only one full round could be completed, a round which "D" team won with 8 points, with "E" team runners-up with 7 points. The winning team was captained by Alistair Matthews, the runner-up team by Norman Collett.

1st Term 1968:

Five teams were formed from the available players, and two rounds were completed before the season closed. The winners were the members of "E" team captained by Brian Gibbons, with "A" team the runners-up, captained by Hans Botha. The matches were keenly contested and excitement ran high. Although the batting was not of a very high standard, there was some very good bowling, and the wicket-keeping was a little better than usual.

R.Q.T.

COOKIES CRICKET — 3rd Term 1967, 1st Term 1968

The "Cookies" league continues to flourish and the competition and appetite for the cake is as keen as ever.

There are four teams in this division and whilst two of them "fight it out" on Little Field the other two have nets and fielding practice.

T. Purdon's team won the 3rd term series and he and the other captains J. Botha, J. Painter and Kotzé are to be congratulated on their keenness.

The captains for the 1st term of 1968 were J. Fletcher, I. van Niekerk, G. Wilson and A. Moss. They also did a very sound job and the first round was won by Fletcher's team whilst the second was a draw between Wilson's and Van Niekerk's.

In closing I would like to thank Messrs. S. Morgan, R. Cooke and K. Bryer for their regular help in coaching these young cricketers.

S.J.T.

O.K. Notes

Old Kingswoodian Club Secretaries

Grahamstown, E. N. Turner, Kingswood College.

Johannesburg: Graham Larkin, P.O. Box 94, Jeppestown, Johannesburg.

Pretoria: Hugh Stocks, 390 Clark Street, Waterkloof, Pretoria.

Cape Town: D. Tunstall, 15 Arthur's Court, High Level Road, Sea Point.

Port Elizabeth: Trevor Stewart, 164 Cape Road, Port Elizabeth.

East London: Peter Hunter, P.O. Box 792, East London.

Umtata: L. A. Dangerfield, P.O. Box 35, Umtata, Transkei.

Midlands: Jannie van Niekerk, Albert Vale, Bedford, C.P.

Salisbury: John Dunlop (Jnr.), 28 Alfred Road, Greendale, Salisbury.

Durban: Barry Paynter, P.O. Box 162, Pinetown, Natal.

OLD KINGSWOODIAN BURSARY

Value R150 p.a.

This Bursary is intended to help the Old Kingswoodian who, for financial reasons, cannot send his son or dependant to Kingswood, or to keep him there.

For further details apply to:

The Trustees,

Old Kingswoodian Club Endowment Fund,
Kingswood College,
Grahamstown.

Applications are to arrive not later than the last day of the 15th May, 1968 preceding the year for which the Bursary is required.

O.K. News

Cappy Rich, very well after a summer holiday in Switzerland, thoroughly delighted everyone when he arrived to take part in Foundation Day celebrations, having come from Port Alfred with Garnett Griffiths. Cappy has since become a grandfather.

Richard Barrett, in Johannesburg for the past few years, is now back in Cape Town as Branch Manager of a firm of Insurance Brokers.

A. C. Clayton, "Spook" to his friends, called to book in his two young sons at Kingswood. He is an engineer on the Luanshya mines, and has always lived in Zambia, which, he says, is a delightful country.

John Hewson is at Kearsney College, and during vacations works on his research for his Master's degree in Geography. He is keenly interested in Bushman paintings, and has a number of beautiful slides.

Glyn Hewson is now at the University of Wisconsin, at Madison, in the States, where he is reading History. His American adventure is proving a stimulating experience.

Peter Hewson, at Oxford, is engaged in nuclear physics research, and hopes to complete his thesis this year. Both Peter and Glyn were at the wedding, in London, of Barry Andrews, when Rev. Kirkby officiated. Peter gave the bride away, and Glyn was bestman!

Paul Beck is reading Economics, Law and Science at the Dublin University. He is Director of Edible Oil Company, and represented his father at a conference in Brussels. He and his brother, Hartley, both enjoy London very much, and are members of the Hurlingham Country Club, and of the famous Stoke Poges Golf Club.

Hartley (Laddie) Beck is studying at the City of London College. He last summer completed 4 years at Kingswood School in Bath, as captain of the tennis team, and representing his school at rugby, cricket, tennis and chess. His parents thank the old school for the good grounding given their boys!

Lynton Wilkinson, after studying in London, is now in Johannesburg in an interesting job with the Minnesota Mining and Manufacturing Company. He has recently met **Geoff Levy** — doing Chemical Engineering at Wits — **Eric Wepener** and **Peter Stocks**. Peter has become engaged. Lynton often sees **Neil Plumstead**, **Tabs Fox** and **Tony Merris** when he visits his folk in Lesotho.

D. A. Coombs writes that although he is enjoying being at Grosvenor Boys' High, he badly misses Kingswood!

Richard Stern is an assistant to one of the Vice-Presidents of a Wholesale firm in Canada, and finds life pleasant and interesting. He, too, hopes to visit us this year. His brothers are "spread out all over the world" — **Maxwell** in Paris, **Robert** in Cape Town, and **Peter** in Johannesburg.

Percy Compton, well and enjoying his bowls in Berea, Durban, sends greetings to all at Kingswood.

Clarence S. W. Paver, mentioned by "The Motorist" as a prominent rugby player and the contemporary at Kingswood of three fly-halves who were later to become Springboks — **Bennie** and **Stanley Osler** and **Tiny Francis** — is now Vice-Chairman of the A.A.

Board of Management. His long experience of A.A. matters has given him a sound understanding of the affairs of the A.A., and an insight into the promotion of the interests of the motorist in South Africa.

Dr. Norman Plummer of Harley Street, London, gives us news of **Dr. G. Dingemans**, who, he writes, "is a very flourishing doctor in the beautiful county of Sussex, where he has been for 30 years or more." He sends greetings to Kingswood, and to the O.K. Club, and hopes to visit us next year with his wife, "to see all the changes."

Barry Andrews, in thanking the O.K. Club for their good wishes on his wedding day, says "we were such a long way from home that every good wish from South Africa meant a great deal to us." He and his wife are now at the Colorado State University, U.S.A.

Roger Ridley, at Natal University, says there is a large number of O.K.s in the Durban district, and they were looking forward to an O.K. braaivleis arranged by **Barry Paynter** at his home.

Ian D. Graham-Ivy lives in Newlands, and is Assistant General Manager of Cantley (Pty) Ltd. He gave us the address of his uncle, **R. Hewitt-Ivy**, who was at K.C. in 1911. After retiring from the Sebasa Reserve in N. Transvaal, where he had lived as a bachelor nearly all his working life as Native Commissioner, he has now married, and is farming in Rhodesia. Ian writes "His work in the Sebasa Reserve was quite fantastic, and received both local, government and overseas acclaim. He has turned author, as well as farmer, since his retirement. The local Salisbury O.K. Club should contact him, and get more dope — if they are interested... Next time the French come out to S.A., please be sure to invite them to an O.K. vs. Snozzles match. They've a lot to learn — particularly the meaning of "sportmanship" as taught to so many of us by Jack Slater."

Robert Drakes, matriculated 1964, is doing his Accountancy articles in Pietermaritzburg. At the end of 1967 he was placed first in Natal, with Firsts in Accounts, Mercantile Law I and II and Seconds in Company Law in Economics — a very stout effort!

Congratulations to **Peter Collett** on obtaining a First in his M.A. Psychology at U.C.T. last year!

R. C. Best, helpfully sending addresses of "gone losts", mentions that **Owen Frances Booysen** (1937—38), is now South African representative in New York, as Consul General.

Tim Thornton, who last saw K.C. passing through on his honeymoon in 1948, hopes to visit us next time he is in the E. Cape on business. He is with the Shell Company in Cape Town, and has moved all over the Republic in connection with his work, as well as spending a couple of years in the U.K., studying the marketing of Liquid Gas.

Peter Townshend has left Zambia and is living in Pinetown, Natal, attending the University in Durban. He says "...our newly elected hon. secretary, **Barry Paynter**, is performing his duties admirably. A braaivleis at Barry's home for Natal O.K.s was well attended and proved to be a very happy re-union."

John Shingler is Assistant Professor of Political Science at McGill University, Montreal, where he and his wife are very happy.

Rob Davis, proud father of two, is Area Manager with a large Computer Company, I.C.T., and lives in Bryanston. He congratulates "you people down there" for keeping distant O.K.s in touch with the School, specially mentioning the O.K. President's Newsletter.

Russell Barty left South Africa in 1957 for Auckland, New Zealand. He is married, and has two daughters and a son "who should have a great rugby future, being a Springbok — All Black cross! However, at 9 months of age it's a bit early to say." Russell met an old All Black, Bert Grenside, who played against Jack Slater when on tour in S.A. in 1928.

An extract from "The Rhodesia Herald" starts: "The scene is a ram-shackle farmhouse, where an aged African sits under a tree whittling bows and arrows. Here a Norton farmer, **Mr. John Dunlop** and his wife manufacture African curios which they export all over the world. Mr. Dunlop learned in his childhood the traditional African methods of making spears, shields, musical instruments and dress... His men from Malawi, Mozambique and different parts of Rhodesia have brought them knowledge of diverse African crafts." Mr. Dunlop's son, **John Junior**, is the local hon. secretary of the Salisbury O.K. Club.

T. S. Haynes, of Mufulira, Zambia, kindly sent us addresses of "missing ones". He says **Barry van Niekerk** is working for a firm of Consulting Engineers in Nairobi, and is married. Barry has a private pilot's licence, and flies a lot. He also entered the East African Safari Motor Rally.

Mike Young, now out of the Army and working for Government Forestry, is enjoying the life. On his way to the Forestry College in George this year he hopes to come in and see us.

We were sent an extract from a Pittsburgh paper referring to "**Warne Boyce**, a South African, an Old Blue from Oxford, and the executive Vice-President of the Megator Corporation, a British firm that makes suction pumps... He no longer plays rugby himself. Somebody on the team, Boyce can't remember who, telephoned him three years ago to referee a game, and the next thing he knew he was coaching. In rugby, the coach is properly called the trustee." "He's not a dominating personality at all," explains Boyce. "He might pass on a few words of criticism, or advice or encouragement, but the fellows play the game themselves."

Thanks to **Peter Hunter**, hon. sec. of the East London O.K. Branch, for news of the following; **Norman Cooper** is doing his housemanship at the Frere Hospital in East London. **William Ellender**, with a B.Com. from Natal University, is with the Netherlands Bank. **Terry Walker** is settling down to his exams at the Allied Building Society. **Jeremy Step** has joined his father at Modern Bricks. Congratulations to **Rene Botha** on opening his own Photographic Studio in Caxton Street. **Richard Bryant** has been transferred to Barclay's Bank in Butterworth. **Derek Goldhill** and his wife left for overseas recently, and **Bill Berrington**, who farms near Jansenville, passed through East London lately. **Thor James**, whose son is at K.C. has his own business in Kingwilliamstown. **Stoen Thwaites** has made an excellent recovery after his illness.

T. J. Friderichs is studying Medicine at U.C.T.

W. C. Brookes retired as Headmaster of Pretoria Boys' High School in 1967. He was at K.C. from 1911—18, a B.Sc. student at Rhodes, and a Captain in the S.A.A.F. in the Second World War.

R. B. Stephen, who left K.C. in 1934, called in at the O.K. office. He lives in Sea Point, and is still coaching Under 19 rugby, and is on the W. Province Under 19 Selection Committee. He says his old bed is in the same place in School House, his clothes box as well — but the swimming bath is very different!

D. R. D. Purdon joined the Post Office staff in Grahamstown 43 years ago as a learner, at the princely salary of 20 cents a day! He has now retired. While on the relieving staff, and as Inspector, he travelled all over the country. After 6 years in the Army, he was made Senior in charge at the Post Office in Graaff-Reinet, where he and his wife will continue to live.

Barry M. Gribben, after many adventures in the Congo, under Col.

Mike Hoare, was wounded three times, and discharged with the rank of Lieut. Acting Captain (Medical) in 1966. He then joined the R.D.E. "with a view to becoming an instructor in our own Commando forces". Unfortunately, a severe ankle fracture put an end to his military career, and he is now with the S.A.R. He and his wife have a little daughter.

John Roberts, in the Durban City Engineers Department, has met **Douglas Baker**, a surveyor busy with computers and "electric brains", married and living in Glenashly. He tells us that **Mike Strange**, the high jumper, is also in Durban, with the City Electrical Department. Mike too is married, and has two sons and a daughter.

G. C. Maasdorp is managing an experimental farming venture for T.G.M.E. in Pilgrims Rest, and sends greetings to all at Kingswood.

Wesley G. Shields has recently returned from England and will be living permanently in Johannesburg.

Ian Small, Angus, Scotland, is at Dundee Commercial College, studying for a Certificate in Business Management. In June he will rejoin his parents in this country, where they have settled. He sends good wishes to the staff.

N. van der Westhuizen mentions the great interest the O.K.s in Carnarvon took in Ralph Wellington's visit in connection with the "Second Phase" of K.C.'s Fund raising campaign — "a grand scheme, and my best wishes to you all in your effort on behalf of Kingswood!"

Lindsay Barclay, L.D.S., R.C.S., England, in a charming letter "fills in a couple of gaps in your list of the 'lost legion.'" He writes "It is seldom that I find myself in Grahamstown, but must record having spent a delightful, if nostalgic, two hours wandering around one sunny morning in July. What changes! And what improvements! I had not seen the Chapel before, or, of course, the swimming bath. My sentimental journey naturally included Commem. Crime, of course, does not pay! Nonetheless, the innumerable illegalities perpetrated on those long-suffering pews have probably done as much to weave a web of brotherhood as all the team photos mouldering in the cupboards under the stairs! Dr. Barclay was here from 1918—1919!"

Mr. R. H. Matterson paid us one of his periodic visits in September after attending a Sons of England conference in Port Elizabeth.

We are grateful to Mrs. Solomon (senior) who continues to send

the school bound copies of the Geographic Magazine; and P. G. Gane for regular copies of "The Scientist".

Percy Hartley and his wife called in from Johannesburg where he is Administrative Manager of The National Development and Management Foundation of S.A. He gave news of son **Quinten** who was married during 1967 and is Assistant Field Manager of Ubombo Ranches Ltd., Big Bend, Swaziland.

Bruce McFarlane called in with his wife, having arrived in Port Elizabeth the same morning on the Pendennis Castle. After qualifying in Mining Engineering at Cambourne in Wales he worked in Canada and Sweden, went back to Cornwall and then decided to return to Zambia.

Peter van Breda, who is in business (Fashions) in Cape Town, called in with his uncle, Mr. Elliott, who is an ex-pupil of Kingswood School, Bath.

Justin Steyn, who has completed his Commerce course at Stellenbosch University, has been in; also **Alan Pike** who had just finished his course at the Air Force Gymnasium.

Michael Plumstead, after writing matric at the end of last year, passed his car driver's licence and pupil pilot's licence tests all within 24 hours. He is now at the Air Force Gymnasium.

R. D. Pilson has been a recent visitor. He is Senior Research Entomologist at the Tsetse Branch of Veterinary Services, Causeway, Rhodesia. He has entered two sons to follow him at K.C.

Julian Levitan called in with his wife and baby son. After completing his medical course at Stellenbosch he is now doing his year's housemanship at Pietersburg hospital.

Norman Samuels, M.D., F.R.C.S., who is practising as a surgeon in Poplar, Montana, U.S.A., sends his very best regards to any who may remember him.

Kenneth Colbourn, who is now living in Australia, has been called into the Australian Army under National Service on account of the Vietnam war.

John Jackson, after graduating at Rhodes University, has joined the Brian Brooke Company in Johannesburg.

Allison Tyson has retired from Johannesburg to Pietermaritzburg where he has a post with the Natal Provincial Administration.

Malcolm Barnes has been awarded a varsity scholarship of R200 for outstanding work during the past year at Natal University. This

is in addition to the Certificate of Merit awarded to him for Physics. Only two such certificates are awarded during the year — one for Physics and the other for Chemistry.

Three Grey Collett Brothers recently met in Grahamstown where each has a son at Kingswood. John is now farming at Ingogo in Northern Natal, Maurice is mining at Roodepoort and Wilfred is ranching in Rhodesia.

Allan Poole, who is a B.Sc. Hons. graduate of Rhodes University, has recently returned from a year's research at S.A.N.A.E. in the Antarctic. Allan left the Republic at the end of December 1966 and returned at the end of February this year. Every year the Department of Physics recommends a post graduate student for final selection by the Department of Transport to carry out research in the Department's ionospheric study programme. The results Allan obtained from his study will be used in the Rhodes research programme, as well as being published overseas. He hopes to use the results of the eclipse, which occurred over the base, for an M.Sc. thesis in the future.

Louis Berrington has returned to South Africa after spending six years in the United States, where he has recently been living about 30 miles from Los Angeles at Malibu. Before that he had two years on the radio staff at Lourenco Marques and a similar period on Springbok Radio. He has now taken a B.A. degree with theatre and television as his major subjects at the Pasadena Playhouse, which is attached to the California State College of Los Angeles. He then went into stage work and did a lot in and around Hollywood. In addition to his stage work he has done radio work for the big McLendon Corporation, and television work on the A.B.C.

We wish **Geoffrey Faulding** a very happy overseas trip!

The School is deeply indebted to **DENNIS CARLSTEIN**, at Kingswood from 1945 to 1947, now living in Welkom, for the gift of a brand new Clipper Kombi, which he personally delivered to us on Good Friday, complete with K.C. crest and mottoes on the doors. This vehicle, together with the Kombi the School already owns, is proving a great boon to those coaches who take teams away to fixtures.

Eddie Conradie has kindly given us several wanted addresses. He, Jack, Jim and Michael Moffett are all members of the Ramblers Club in Bloemfontein and often see each other. "Should any O.K.s find themselves at a loose end in this town they need only contact one of us." **Gerald Rabie**, **Gerald** and **Alan Jones** are others Eddie frequently meet.

John Hicks was asked at the O.K. Dinner in Johannesburg to send us news of O.K.s who were at K.C. in his time — 1961. **Michael Miller** is doing a housemanship at Baragwanath Hospital. **Norman Cooper** is in a similar job in East London. **Glen Witte** is with a computer firm in Johannesburg, **Eric Wepener** at Wits, **Des Whitehead** farms near Germiston, **"Tommy" Thompson** works with Liquidair, **John Hicks** is a 5th year medical at Wits, **John Miller** a student at U.C.T. and **Robert Hicks** at Natal University. Since he left K.C. **Vic Stewart** has been in Australia and is now in New Guinea.

The E.P. Herald published recently a picture of **W. Vorster**, a Graaff-Reinet farmer, with his Border Collie, "Maid", and some of her handsome trophies. "Maid" is the reigning South African National Champion, and gave exhibitions of sheep-handling at the Cradock show. She was imported by Mr. F. W. Kingwill, also farming near Graaff-Reinet.

Alwyn Q. Davies is the first South African in more than 100 years of its existence in this country, to become Chairman of the Standard Bank of South Africa. His first year of office has been marked by two events which he has handled with competence, states an article in a Johannesburg newspaper, the slashing of overdrafts to comply with the Government credit squeeze measures, and the issue of shares to South African citizens — also the first in the history of the bank.

E. S. S. "Gar" Nash is now Marketing Manager of African Car Hire in Johannesburg. During the last war, as Wing Commander in the R.A.F. he was awarded the D.F.C. and the A.F.C. After the war he was a pilot with S.A.A., before joining C.A.A. in Rhodesia and then being Sales Manager of Air Rhodesia. He is married and has four daughters.

L. Turberville left for New Zealand last year, and is in Hastings, N. Island, feeling very happy that he has found a good job, and a good school for his children.

Letters of appreciation, commenting on the excellence of the Newsletters and the news items in the Magazines and their great value in keeping O.K.s in touch with the School have been received from Stan Booth of Benoni; Richard Barrett of Cape Town; Eric Falkenberg of Ixopo, Natal; Richard Stern of Ontario, Canada; Roger Ridley of Durban; I. Graham-Ivy of Newlands; Tim Thornton of Rondebosch; D. G. Bell of Port Elizabeth; Peter Townshend of Pinetown, Natal; K. C. Payne of Plumstead, Cape; Rob Davis of Bryanston, Transvaal; Russell Barty of Auckland, New Zealand; T. S. A. Haynes of Mufulira, Zambia; and G. C. Maasdorp of Pilgrims Rest.

We regret to learn that **Mr. Gilbert K. Tucker**, O.K. (1901-1906), of East London has, because of advancing years and his wife's ill-health, resigned as a Trustee of the Kingswood Foundation Trust, an office he has held since July, 1962. In his stead the Trustees have rather fittingly elected his son, **Mr. Roland M. Tucker**, O.K. (1935-1938), of Johannesburg. Both father and son are Chartered Accountants (S.A.).

We are grateful to **Dr. Philip Gane** who continues to send us regularly copies of the periodical "New Scientist".

Kenneth Wohlters has been working in Bulawayo for the past 18 months or so. He has been given an education grant to attend Cape Town University to take a degree for teaching.

Anthony Wohlters is still in the Military Police and now has two children.

ENGAGEMENTS

Neville Conacher to Suzanne MacFarlene of Nkana, Zambia.

Charles Ronald Letcher to Catherine Logher-Clarke of Tzaneen.

Alan C. Hart to Carol Carmichael of Grahamstown.

Richard Phillpotts to Marilyn Verster of Grahamstown.

Weymeyer Deas to Susan van Aswegen.

Michael Knight to Rosemarie Gaylard.

Stephen van Niekerk to Vega Vosloo of Somerset East.

Justin Mildenhall to Eleanor Ross of Graaff-Reinet.

Gordon Knott to Jinty Clark.

Alan Cherrington to Carol Coetzee of Uitenhage.

Trevor Fish to Sherrill Watson of Port Elizabeth.

Peter Hunter (Hon. Sec. East London Branch O.K. Club) to Penny Preston.

Brian Walker to Kathryn Williams.

BIRTHS

To Alan and Rosemary Moore, of Adelaide, Australia, a daughter (Kathleen Lavinia) on 28th December 1966.

To Arthur and Mary Walker of Port Alfred a son on 1st July 1967.

To John and Pat Slater at Port Elizabeth a daughter (Mary Frances) on 16th August 1967.

To Jim and Jeanette Stretton a son at Molteno on 7th September 1967.

To Charles and Anne Breen a son on 28th October 1967.

To Hugh and Marie Drakes of Bulawayo a second daughter (Paula Adrienne) on 20th November 1967.

To Cecil and Denise Jones-Phillipson a son at Settlers Hospital, Grahamstown, on 14th December 1967.

- To Michael and Marion Beaumont a son at Settlers Hospital, Grahamstown, on 14th December 1967.
- To Stan and Betsy Booth a daughter at Springs on 16th December 1967.
- To Ashley and Averil Westaway a son at St. Joseph's Hospital, Port Elizabeth, on 26th December 1967.
- To Paul and Ann Marsh a daughter at Grahamstown on 27th December 1967.
- To Tom and Loy Ansley a daughter at Johannesburg on 10th January 1968.
- To Cecil and Brenda Steinhobel a daughter and sister for Carol and Vernon at Queenstown on 8th February 1968.
- To John and Jennie Gush a daughter at Grahamstown on 23rd February 1968.
- To Clive and Jean Turner a son at Somerset East on 2nd March 1968 (Vaughan).
- To Matthew and Heather Rich a son (Julian William Oliver) at Kingbury Nursing Home, Claremont, on 5th April 1968.
- To Boet and Mollie Minnaar, of East London, a son (Philip).
- To Colin and Ruby Werner, of East London, a daughter (Sharon).
- To Pitt and Joy Fennell, of East London, a daughter (Caitlen).

MARRIAGES

- Piet du Plessis to Dawn Anderson in the Anglican Church, Walvis Bay, on 10th September 1966.
- Graham John Muddiman to Ann Shirley Watson in the Rosebank Chapel, Johannesburg, on 4th February 1967.
- Frans Badings to Anneke Geervliet in Cape Town on 30th March 1967.
- Bruce McFarlane to Marion Northey at Cambourne, Cornwall, England, on 6th May 1967.
- Lionel Wicks to Pamela Els in the Methodist Church, Umtata, on 23rd September 1967.
- Keith Hoare to Anne Titterton in the Cathedral of St. Michael and St. George, Grahamstown, on 7th October 1967.
- Neil Paul Plumstead to Marjorie Ann Austin of Cheshire, England, in Kingswood Chapel by the Rev. H. F. Kirkby on 11th November 1967.
- Norman Harold Shuttleworth to Gillian Mary Davies at Johannesburg on 1st December 1967.
- Clive A. Ulyate (Staff) to Sally Sparks (V.G.H.S. Staff) at Adelaide on 16th December 1967.
- Graham Poole to Sally Warner at the Parish Church of Fahan, County Donegal, Republic of Ireland, on 6th January 1968.
- David Rubin to Lyn Cohen at Cape Town on 14th January 1968.

- Richard Phillpotts to Marilyn Verster in the Methodist Church, Fish Hoek, by the Rev. J. H. Boyd on 27th January 1968.
- Cedric Hayward to Molly Outram of Jansenville in St. John's Methodist Church, Port Elizabeth, on 3rd February 1968.
- Barry Bartlett to Penny Hewlett in St. Columba's Presbyterian Church, Port Elizabeth, on 6th February 1968.
- Leopold Bergh to Colette Theron in the Dutch Reformed Church at Aasvoëlkop, Johannesburg.
- John Job to Margaret Martin in the Methodist Church, Walmer, in February 1968.
- Ken Creighton to Rene Riddin in Wesley Church, Port Alfred, on 2nd March 1968.
- Basil Michaelides to Margaret Kinsley at Cape Town on the 23rd March 1968.
- Melville Ellis to Patricia Mary Wood at Wimborne Minster, Dorset, England, on 30th March 1968.
- David Jones-Phillipson to "Kinchie" Penny in the Cathedral of St. Michael and St. George, Grahamstown.
- Mitford Thomson to Jill Kirsten at Trinity Church, East London.
- André Lemmer (Staff) to Isobel Porter at Port Elizabeth on 20th April 1967.
- Andrew P. Louwrens (Staff) to Susan Jeanne Vogel of Delmar, New York, in Christ Church, Grahamstown, on 27th April 1968.

DEATHS

- Douglas A. Lederle (1945-46) killed in a motor accident on 5th March 1966.
- H. K. Painter (1902) on his farm "Belmont", Bedford, on 21st April 1967.
- Bert Gardner Rayner (1914-1921) on his farm "Glenmore" in the Cradock district on 11th August 1967.
- T. Gordon Bennett (1906) at East London on 18th August 1967.
- Arthur Leslie Stirk in Johannesburg on 28th August 1967 at the age of 74.
- Rex Smale (1923-26) at East London on 16th October 1967.
- Stanley C. Rix (1922-24) at East London on 22nd October 1967.
- George Chapman Collett (1903-04) at Grahamstown on the 28th October 1967 at the age of 82.
- Martin Jubb (1898-1900) at Grahamstown on 28th October 1967.
- Colin L. Geach (1925-28) at Alice on 15th November 1967.
- William Whitaker (Jim) Hutcheson (1953-56) passed away suddenly as the result of a tragic motor accident on 1st December 1967 at the age of 28.

Claude Walter Clarence Plummer (1917-1920) died peacefully in his sleep on 6th December 1967 at his home in Epsom, England.

R. Henderson Matterson (1900-03), Old Kingswoodian, ex-member of K.C. staff and ex-Headmaster of Kearsney College, died in his sleep at Botha's Hill, Natal, on 21st February 1968.

Walter James Knight (1902-10) at his home in Port Alfred on 21st January 1968.

Henry Errol Ross Fitchat at Port Elizabeth on 23rd January 1968.

Sidney Southey Stirk (1894-98) at his home in Grahamstown on 1st February 1968 in his 91st year.

Lex T. Bayes (1900-07) in Johannesburg on 22nd April 1968.

IN MEMORIAM

SIDNEY SOUTHEY STIRK died in Grahamstown on 1.2.1968 after a long illness, in his 91st year. He was at Kingswood from 1894 to 1898. He was our oldest O.K. and was always most loyal to his School. A man with many and varied interests, he was also a great sportsman, and had the distinction of being the first Cricket Captain of Kingswood. Besides excelling at cricket, he was an expert shottist and marksman, a keen tennis player, golfer and, later, as a bowler he was Captain of the Grahamstown Bowling Club for many years — up to the time of his death. His Xhosa name "Tandabantu", meaning "he who loves everyone", pictures vividly for us this kind and gentle man.

ROBERT HENDERSON MATTERSON died in his sleep in Natal on 21.2.1968, aged 81. He had suffered recently from an enlarged heart. He was at Kingswood from 1900 to 1903 and, after attending Dulwich College in England, went on to Cambridge University where he graduated M.A. He returned to Kingswood and was Science Master from 1912 to 1922. In 1923 he became Headmaster of Kearsney College, Natal, until 1947, when he retired, but retained a keen interest in the School, living close to it and helping in many ways, particularly with the raising of funds to enlarge the Chapel, of which he was Treasurer. He never forgot Kingswood and was a regular and generous subscriber to the funds of the Foundation. He is survived by two daughters, both of whom are married and live in Natal.

WALTER JAMES KNIGHT died suddenly while asleep on 21.1.1968. He was at Kingswood from 1902 to 1910. After attending the Agricultural College at Potchefstroom he enlisted and served during the First Great War, both in South Africa and on the Western Front where he was wounded and where he won the M.C. with two bars. He was President of the O.K. Club in 1953 and was a member of the College Council from 19.3.1928 until his death — almost 40 years. In spite of an unfortunate impediment in his speech and hearing he served this Council most loyally and ably.

His funeral service was conducted by the Rev. H. F. Kirkby in the Kingswood College Chapel.

THOMAS GORDON BENNETT, at Kingswood in 1906, was not only a good scholar, but an excellent sportsman, playing in the School First XI, as well as in the First XV. He lived for many years as an attorney in Peddie where he died last year — a man who loved his old School.

We received the following self-explanatory letter last month, followed in a few days by the arrival of a very handsome Cup, together with ten Miniatures. What a splendid gesture!

The Secretary,

March 1968.

Old Kingswoodian Club,
Kingswood College,
GRAHAMSTOWN.

Dear Sir,

In conversation with Mr. Norman Pohl in Grahamstown during the last Christmas holiday period a parent, now resident in Vereeniging, of an Old Kingswoodian was informed that a need existed for a trophy to be presented to the most improved rugby player each year.

In consequence the undersigned (O.K.'s and ex parent) resident in and around Vereeniging, have purchased a suitable trophy to be known as the Vereeniging Old Kingswoodian Cup, which we forward herewith together with ten miniatures (to cover the first ten years) and we would appreciate it if you will present these to the School on our behalf. Our only stipulation is that the trophy should not be restricted to members of the 1st XV only, but should be open for award to all rugby players in the school.

Yours sincerely,

G. A. Bles (father of Basie Bles)
57, Henry Street, Risiville,
Vereeniging.

O. J. Carey (1928—1931)
P.O. Box 6, Vereeniging.

H. F. Forsyth (1935—1938)
8 San Michel, Dee Drive,
Three Rivers, Vereeniging.

J. B. M. Hill (1928)
15, Duggie Morkel Street,
Unitas Park, Vereeniging.

J. T. Oosthuizen (1934—1935)
10, Athlone Drive, Three Rivers,
Vereeniging.

MODERN PRINTING WORKS—GRAHAMSTOWN
