mzcn NATIONAL CONGRESS (scum AFRICA)
W's SECTION ammo.

1 C ERAW EFFORT,

The commention of August 91:11 was procooded by thru dirtilb't limits of intense oolollectivo participation of manhorahip. Further, these phases moi characterised by the ammonia; political discussion, igioh in the process assessed the nuns um! mm of mung thin historinl date in tho rtmmnz men of our country a. mou. And indeed, it ended in tho moses we envisagod. The phases of the oomemoration wore as follows:

a) PRE- 5mm: w: PREPAggEQ.

Our healthy comradely relations with the cm are worth mentioning hm, for w. constantly not to discus- hmv w. are to commas, the day. Thou mtivo participation contributod nmnlly to tho realiution of the date. Further, it ms thrush them (OM! National Swrdarid) thgt g sorios of intorvim wort organiud with thc pron (Notions and Tempo) ma. radio (Radio Hombimzo). It me through these means of social comnication that m were able to reach tho nombim commity in moral to our struggle and tho specific role the woman of our country an involved in; the task of 21th11; au- country m. delonuu- a ml-foottng with our mule comrades. A team led by our chairperson Cd. mama as involved in 12h... discussion interviews. The coverage m wide and broad. In than into an preparations loading to tho occasion, we invited all women organisations from the Socialist countries , a all :- tho duoontic men: organisations from the capitalist countries, roprountod in tho Peopbu Ro-public of Mombiquo. Those sistor organizations nth who- m mjoy mural. 'rowcionn rospoadud positivuy to our imitatims, u it to be sun later n the the wtual urtipication in the promo.

Besidos muons at the political Incl, our amp mo involvod in null working groups, in order to bmadun tho nuld-bo promo. Sane commas: were to Micipctc in swing, outunl and mum activities. This joint '86" In to b. nu in tho humanism mug relations within our nah, which boom the cornerstone of ormintiml mouse.

HW

Our program. for the day m divided into two mum the morning and tho mm unions.
