re: re list of guests to Conference on last page of Report

I wish to bring to your attention that the names of the organisations from Finland have been incorrectly recorded and request that reprints, if there are going to be any, should be corrected.

There were four(not three) organizations from Finland represented at Conference:

1. Social Democratic Party of Finland
2. Leftwing Alliance (Finnish name: Vasemmistoliitto)
3. Central Organisation of Finnish Trade Unions
(note the acronym is SAK, standing for Suomen Ammattiliittojen Keskusjärjestö, COFTU is not a valid acronym in Finland or elsewhere)
4. The Isolate South Africa Campaign(EELAK)
(a front representing approx. 70 NGOs)

Note: The delegate that represented (3) is also the chairperson of (4) and was thus mandated to represent both organisations.

I send herewith a copy of my original fax to DIA indicating the guests from Finland.

M. Hussein

(Two pages transmitted).
