Dear Quintin,

A. Reference my Memo of 2718192

A copy of my Memo dated 27/8/92 is enclosed. Please send a response as soon as possible with regards to (1) an updated list of scholars in Tanzania, their sponsor, courses, duration, progress; (2) certificates for Solomon Ramasodi (Zenzile Mamba) . and George Thusi (Peter Make) .

I have had another request from Solomon Mduli whose motor mechanics certificate from the GDR was left at either DSM or Mazimbu.

Please check. with Cde Makopo whether all the files of the National Scholarship Committee have been sent to the University of Fort Hare. If not, I propose that you retrieve whatever files are still there as they may contain important documents, such as original certificates.

B. VTC Qakawa

I am sending you a copy of my Memo of 12/10/92 to Cde Makopo. Kindly liaise with him and the Chief Representative on the 2 issues raised in the Memo and favour us with a response, even if it is a holding response.

. With regards ,
