INTRODUCTION

This Volume II of the Revised 1984 Development Plan for ANC Development Centre, Dakawa contains layout Plans based on

Section A - The 1984 Development Plan

Section B - Implementation of 1984 Development Plan and Current Status

Section C - The Revised 1984 Development Plan

In Section A, the layout plans of the 1984 Development Plan are based on original drawings prepared by M/S Norplan N8, of Oslo Norway and as contained in :

ANC Development Centre Dakawa, Tanzania

Development Plans

Drawing

Volume3

September 1984

The various facilities and infrastructure services indicated in this drawing are as described in Chapter 2.0 of volume I of the Revised 1984 Development Plan.

The Section B, Layout Plans Indicates facilities and infrastructure services constructed and those under implementation based on the original 1984

Development Plan. The drawings in this section are prepared in consultation

and assistance received from ANC, Planning and Construction Dept. at Dakawa.

The facilities and infrastructure services or those under implementation are described in Chapter 3.0 of Volume I.

The last Section C, contains layout plans based on Revised 1984 Development Plan for the ANC Development Centre, Dakawa. The layout plans are based on discussions and consultation held with ANC representative and intended for a reduced population of 2500 inhabitants. The various facilities and infrastructure services indicated in this drawings are as described in Chapter 4, 5, 6, 7 & 8 of, Volume I.

SECTION A 1984 DEVELOPMENT PLAN

DRAWINGS :

604/A/01 VILLAGE/ROAD NETWORK

604/A/02 WATER SUPPLY/SEWERAGE

604/A/03 DRAINAGE

604/A/04 ELECTRICITY

604/A/05 VILLAGE V3-V4 - MODEL LAYOUT

604/A/06 MAIN CENTRAL AREA - MODEL LAYOUT

604/A/07 VILLAGE V5-V6/V9-V10 - MODEL LAYOUT

604/A/08 VILLAGES V1-V2/V7-V8 - MODEL LAYOUT

604/A/09 PRIMARY SCHOOL EAST - MODEL LAYOUT

The 1984 Development Plans as shown in this Section A are based on Drawings originally prepared by M/S Norplan A/S, Oslo, Norway and as indicated in "ANC Development Centre, Dakawa, Tanzania.
