Dear Mrs. Eriksson,

We wish to thank you for your letter of January 23 together with photostat copy of a letter addressed to our Secretary-General, Mr. Alfred Nzo, on August 16 last year in connection with an application for scholarship for Mr. Anthony Mongalo. There is certainly no trace of the original of that letter in our files.

I am now directed to confirm that Mr. Mongalo is our representative in Italy. In the short time that he has been there, he has, according to his reports and the information received from all the leadership that has since visited Rome, done extremely well both in the discharge of his various tasks and creating and enhancing the good image of our Organisation.

Apart from his dedication to the cause of struggle, Mr. Mongalo is an intelligent and conscientious person. We have no doubt that by acquiring a sound knowledge of the Italian language, he will be able to broaden his scope of activities in Italy for the benefit of our people and their struggle.

We therefore wish to recommend him for the scholarship assistance he has requested.

Yours sincerely,

M. MSIMANG
Secretary for Administration.
