Dear Mr. Tikly,
Subject: ANCL921002 - Post-secondary Education and
Professional Trainin for ANC Students

I am writing belatedly to acknowledge receipt of your letter
dated 5 May 1993 on the above-mentioned project.

. Your request to include, retroactively, 23 students in the on-
going project activities is noted. However, given the resource
constraints we are presently experiencing, we regret our inability
to do so. UNESCO, Paris, is fully aware of our position under the
circumstances.

Yours sincerely,

Alieu M. Sallah
