Dear Thuthu,

So ' - - w' ' V'

The accompanying document outlines 21 School-twinning Project

. through the use of video. The Project is the Proposal of the

Anti-Apartheid Movement in the Netherlands (AABN).

We are looking for 3 secondary schools that wish to participate

in this Project. If your school is interested, please let us

know. Note that a modest amount of resources (postage, tele-

communications costs) and a firm commitment to adhere to the time

schedule will be required from each school.

Claartje Sadee of the AABN will be in South Africa from September

27th to October 22nd to implement the Project.

Your early response will be appreciated.

Yours sincerely
