EXHIBITION CLOSES 5 MARCH

The idea of an exhibition focussing on detention germinated in May, 1987. Artists were asked to contribute a picture. The response from the artists has resulted in an exhibition covering painting, sculpture, photography and ceramics. The D.P.S.C. would like to thank the artists for their commitment, the Market Galleries for their co-operation, and the Goodman Gallery and Broederstroom Press, whose assistance has made this Exhibition possible.

The proceeds of this exhibition will go to the support of detainees.

The D.P.S.C. was founded in September 1981, by the relatives and friends of detainees, to fight for the release of detainees, and for an end to all detentions without trial. It is an affiliate of the United Democratic Front, and is therefore committed to the idea of Universal Franchise in a nonracial unitary state.

The work of the D.P.S.C. includes

- * Repression Monitoring and Research.
- * Publicising the issues around detention.
- * Helps trace detainees and assists in obtaining visits to detainees.
- * Refers their families to Lawyers.
- * Organises cash or food parcels for detainees.
- * Arranges medical treatment and psychological counselling by professionals, who work with the D.P.S.C.

The D.P.S.C. operates advice offices in all major centres, and in several small towns.
