Given that SAFIR has been in place for several months now, it seems like a good idea to let you know what has been happening. The professors John McManus from BioResearch, Ireland, Hans A. Winter from Linköping University - Sweden, Jochen Hellmann from Hamburg University and the Director of the European Institute of Aeronautic Maintenance, Roger Lalanne from Bordeaux University will be coming to talk about the stages which will lead to the operational phase of the "SAFIR Community Action Programme" ,put into place by the European Commission in Brussels. Furthermore we will have the opportunity of welcoming Mr. Olivier Flechais, from the University of Cape Town in South Africa and Judge Alain Girardet, Vice President of the Tribunal de Versailles who recently was involved in the development of the future constitution of South Africa.

I therefore have the pleasure of inviting you to participate in the meeting which will be held on the 12th of July 1993 from 3.30pm. to 6.30pm. at the Amphitheatre 3, Building D, the Faculty of Law, Rouen University, 76130 Mont Saint Aignan. I would like to thank you in advance for your participation.

Best Wishes

Yours sincerely,

W
