Dear Stella

I apologise sincerely for the delay in replying to your letter dated 21/07/88. This was partly due to my absence from my desk for a fortnight.

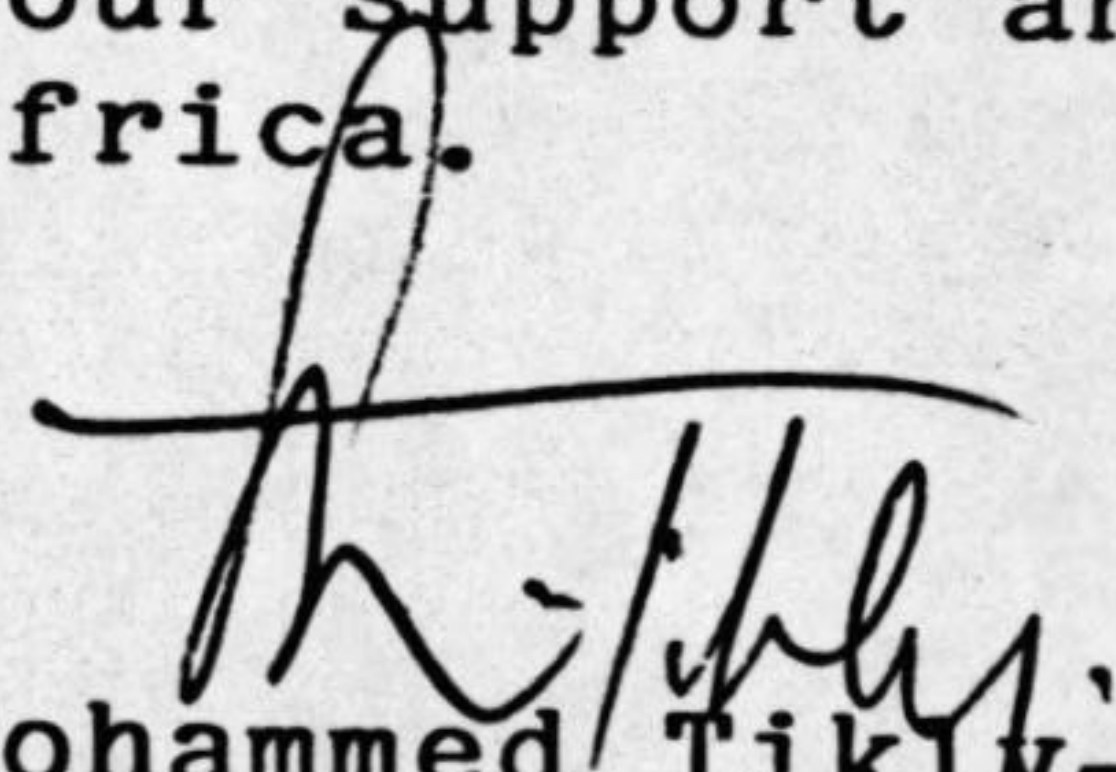

The offer by your co-authors, Bev Bryan, Susanne Scafe and yourself is indeed very welcome and will be highly appreciated by the students and staff of the Solomon Mahlangu Freedom College. I am today sending them a copy of your letter and no doubt they will come up with a proposal about how best to utilise the annual donation of around £200.00 which accrues as royalties from the sale of THE HEART OF THE RACE.

I shall inform you about the method of transfer of the donation once we have decided what to spend it on.

As for the books you wish to donate to the school Library, they will be appreciated. If the quantity is small, they could be sent by post or through our London Education Committee. Please contact Babette Brown (Tel: 446 - 7056) to make the transfer arrangement.

I am looking forward to receiving a copy of your book and will be grateful if at least two copies could be sent to our Library at SOMAFCO. One of these copies will be sent to our Library at our second major settlement in Tanzania, called the ANC DEVELOPMENT CENTRE, DAKAWA.

With sincere thanks to you, Bev Bryan and Suzanne Scafe for your support and solidarity with the oppressed people of South Africa.
