Attention: Comrade V. Shubin

Dear Comrade,

During the brief discussion I had with the comrades of the African Institute, we reiterated our request that a delegation of the African National Congress be permitted to attend the forthcoming Seminar of African Institutes of the Socialist countries which is due to be held from 12th - 17th November in Moscow. The delegation which we hope will participate on our behalf will be composed of comrades

Francis Meli! ANC (SA) Lusaka, Zambia

M.P. Naicker: ANC (SA) London

Tonny Seedat: ANC (SA) London

Comrade Meli will proceed to New Delhi from Moscow.

We request the assistance of the Soviet Afro-Asian Solidarity Committee for the travel of our delegation to Moscow to enable them to participate at the seminar.

We request you to send Comrade Meli's ticket to Dar-es-Salaam. From Moscow he will be proceeding to New Delhi where he will be attending an "International Conference against Military Bases in the Indian Ocean and for making Indian Ocean a Zone of Peace." This Conference is organised by the World Peace Council.

Looking forward to hearing from you soon, and with best wishes.

Amandla - Maatla!
