SOLOMON MAHLANGU FREEDOM COLLEGE

To: The Principal Fran I. J. Phambe

Boarding Department

28th July, 1982.

re: MTHAKAZI NGALO AND THABISO LEDJUMA.

According to the decision arrived at by Comrades Zindela, Arthur and Maseko "Hunu and Thabiso must be taken back to the Boarding Department."

As you must have noticed that the two girls are still staying with their parents. I approached the Ngalo family in my Capacity as Acting harden and requested them to comply, but in vain.

The following are their reasons for not complying:u

a) The problem that might have led to the taking of the above mentioned decision was jointly solved by the inmates of their residence. At present they are in peace and brotherhood at their residence.

b) That early this year, it was decided by the Directorate. endorsed by the National Commissar and announced by Comrade Maseko , in an A.N.C. Branch meeting, that parents who wished to stay with their children could do so;

0) They have requested the intervention of the Chief Representative, Comrade Stanley.

bggestion:

To wait for the outcome of the appeal.

Conclusion: \_

This case is not an easy one. Care must be taken when dealing with such cases. Persuasion can be used only no other method.

Yours in the Year of Unity in Action!

Amandla!!! Maatla!!!
