Dear Mr van der Veen,

I acknowledge with thanks your letter of 6/5/83, Ref DSm 990 Juridical. The name of Bajegile Josephine used in your letter puzzled us for some time and this explains our delay in answering your letter. We/know that your letter refers to Joyce /now Nonkonyana. She has some problems with the ANC, mainly of a religious nature and these might arise again we think. But these problems are really hers.

With regard to the children there is really no objection on the part of the ANC. We shall be glad to have them in SOMAFCO and they will be accorded every opportunity to grow and benefit under our guidance.

Yours in the Struggle,

Stanley Mabizela.  
Chief Representative
