Dear

### AMANDLA CULTURAL GROUP:

### CANADIAN TOUR.

For a number of years speakers from South Africa have visited Canada on various speaking tours enlightening the Canadian public in general on the question of legalised racism under the system of apartheid. Audiences, both in terms of numbers and interest have varied.

The evaluation of our office is that usually these public and other forums attract the same audiences with some new faces emerging from time to time. There is much interest in Canada around the South African question. This interest needs to be tapped and informed. It is important that Canadians be educated about a situation which is of concern to them and in which there is Canadian involvement.

Wider knowledge of the dilemma that the oppressed black people of South Africa are confronted with, is essential. New formats are necessary to attract Canadians to forums of information on the subject.

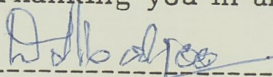

It is with this perspective that the ANC is bringing over the AMANDLA CULTURAL WORKERS on a tour of Canada next Spring (April/May). (see enclosed itinerary)

Cultural and musical endeavours with a message of the struggle against apartheid is likely to attract much larger audiences and new constituencies.

We appeal to your organisation to assist us in making the AMANDLA tour of Canada a reality by sponsoring the tour. Any contribution towards the enclosed budget would be most welcome.

Should you require any further information or materials or have any questions, please call our offices or write to us.

Thanking you in anticipation,

Don Mooljee.

African National Congress.
