BATLAGAE TRUST W

16/07/92

Dear Tutu

Thank you for returning the contract, I have sent a copy to you for your own records.

Could you please inform us of any progress which has been made with regard to employing a suitable person. We need to make arrangements for salary payments etc. We would like to suggest that Batlagae transfers the monthly payment to your account on the 24th of each month.

We would also like to request a brief report every quarter on the progress of the appointment to keep donors informed regularly.

Please let us know if these arrangements suit you.

Regards

Anne Hilton
