Dear Miss Nontobeko P. Mtangha

I refer to your request for assistance under the United Nations Educational and Training Programme for Southern Africa.

A large number of applications have been received this year for assistance under the Programme. The Selection Panel considered your application along with those of other eligible candidates applying for assistance. However, the number of awards granted is limited by funds available under the Programme from voluntary contributions. I regret that after a careful review, it was not possible to consider your request favourably.

Yours sincerely,
