subject: Succession Mrs. Gonnies van Zalinge

Dear Sir,

Please allow me to invite your attention to the following.

Let me first of all express my appreciation for the possibility to continue our co-operation via the succession of Maud Kortbeek (I like to refer to the letter of ANC Department of Arts and Culture of 3 March, 1989 of which you received a copy). I have advised our headquarters to start recruitment.

Furthermore I like to learn your position concerning the succession of Mrs. Gonnies van Zalinge. Could you please advise me about your point of view?

May I avail myself of this opportunity, Cde Masondo, to assure to you our feelings of respect for your struggle.

Yours faithfully,

Dr. Rob Visser

Dear Marjatta Lahti,

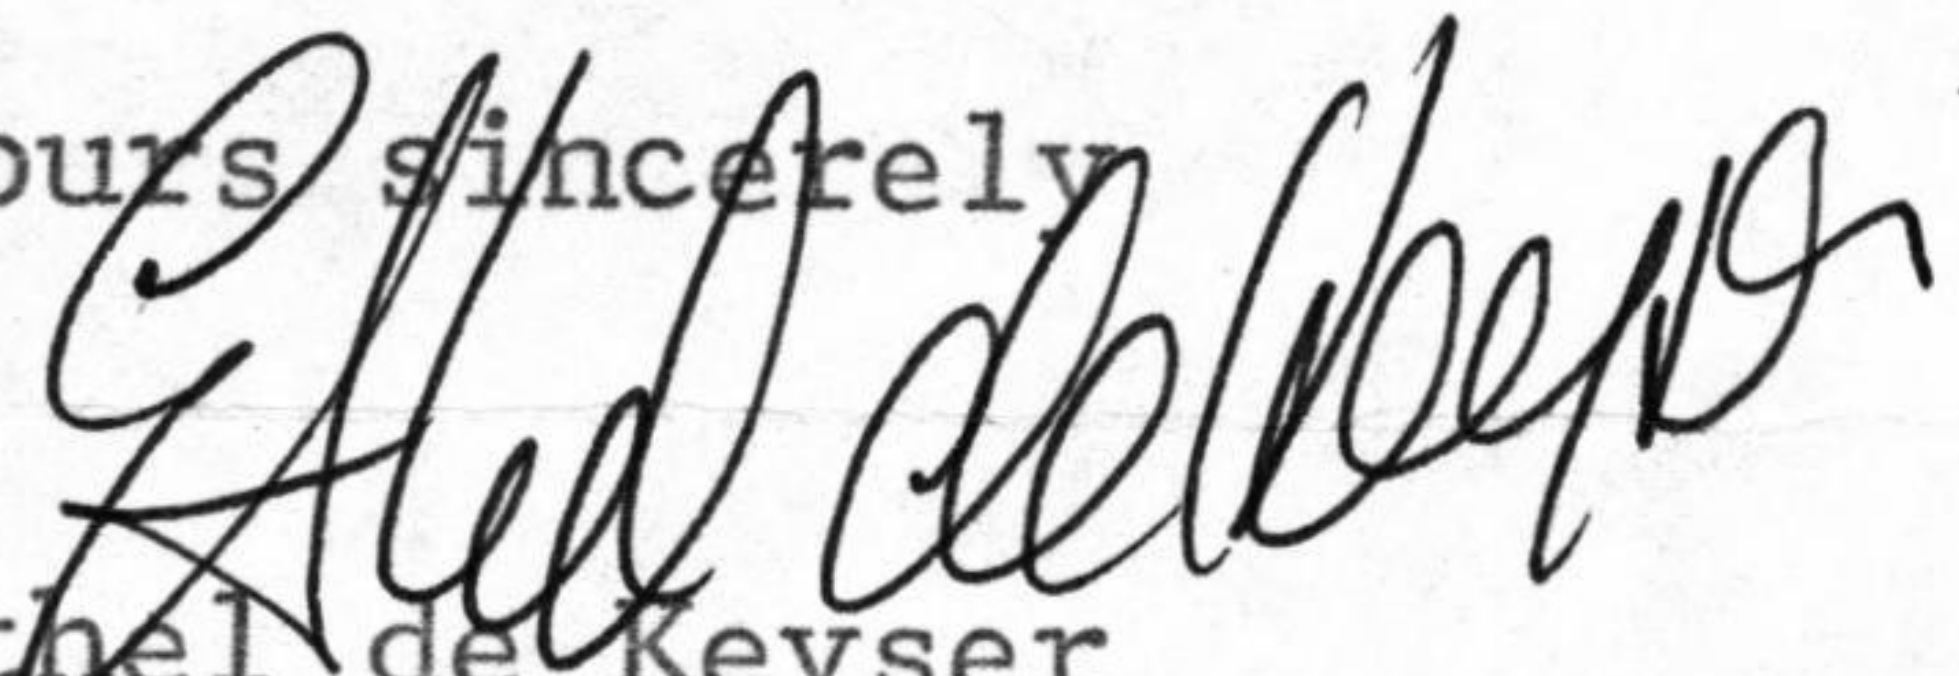

Thank you for your letter. I would be pleased to see you in London and would suggest Friday, 5 May at about 12 p.m. We would be happy to provide you with a sandwich lunch during which we could discuss the administration of scholarships for ANC librarians in the UK.

Could you let me know whether the students who will be taking this course have A levels. I ~~would~~ ^{will} investigate further but as far as I am aware the librarianship course is a three-year degree course and with the changes in the education system in Britain, the diploma courses have been cut down. As I say, however, I will look into it further but it would be useful to know what qualifications they have.

I trust the date is convenient but if it isn't, I hope you will let me know.

With good wishes,

Yours sincerely,

Ethel de Keyser
