1. Researched data on all of the above areas.

On this score the ANC Economics Department is already preparing material to be ready by the 13th of March 1992.

The National Campaigns Committee of the ANC Youth League will in addition seek more information on the self-governing states and homelands. This information should be processed and ready by the 13th of March 1992. By this day there should also have been drafts of memoranda/ultimata on what we demand the govt to do and what we expect the govt to say when it announces its budget on the 18th of March 1992.

3. The setting up of task forces in all the regions to focus mainly on all campaign issues. These task forces must be set up the beginning of NEXT WEEK.
