H.E. The Foreign Minister of
Finland
Helsinki.

Your Excellency,

Re: Appointment of ANC representative in Finland

May I present the compliments of the National Executive Committee and my own greetings to the Ministry of Foreign Affairs of Finland.

May I, Your Excellency place on record the deep-felt appreciation of the ANC for the assistance we continue to receive from the government and people of Finland. The ANC is especially appreciative of the offer made to it to open an information office in Finland. It is our conviction that such an office will contribute immensely to the strengthening of the ties between the ANC and people of Finland.

In this regard I am pleased to inform you that the National Working Committee has appointed Mr. Mohamed Hussein to serve as ANC representative heading the Information Office in Finland.

Mr. Mohamed Hussein is a senior member of our movement who is no stranger to the Nordic countries since for a number of years he was based in Sweden attached to our office. We trust that the government of Finland will find the appointment favourable.

May I, Your Excellency, seize this opportunity to reiterate to the Ministry of Foreign Affairs of Finland the assurances of our highest consideration.

Alfred Nzo
Secretary-General
