I have received a copy of the letter written to you by Sedibe Phenyane, SANSCO Chairperson (UDW) and would like to know what actions you have taken in relation to it.

However, I have not as yet received any notification of the intentions of the University of Durbanâ\200\224Westville to confer an honorary doctorate to me.

CDE NGOAKO
Assismnt to the President, CD8 CLR. TAMBO

Cortâ\200\230tradc

It has come to the notice of our organisation that Comrade Tambo has been offered a Honorary Docu'ate at the University of Durban-Wesville.

It is the view of SANSCO that consultation occurs with the Student movement on the campus. as well as other constituencies (staff. graduates and parents) before such an acceptance, if any , is communicated to the university administration. Our university is in a state of transition and the university community has to be particularly aware of not isolating its constituencies . We wish to avoid the situation that occurred last year whe n Comrade Mandela accepted a doctrate at UC'I'. You would agree . that similar controversies should be avoided. It is our appeal that Comrade Tambo is made acquainted with all the necessary facts before making any decision.

We hope that the views expressed in this letter are communicated to Comrade President.

Thanking you.
