Dear Marjatta,

Enclosed you will find Nonkululeko's air ticket and I hope Ike's will surface this coming weekend. It's very difficult to get all of the tickets at the same time.

We received a very nice letter from Nonkululeko which says that she is finding the course challenging ^{and} ~~but~~ that they are suffering from cultural shock.

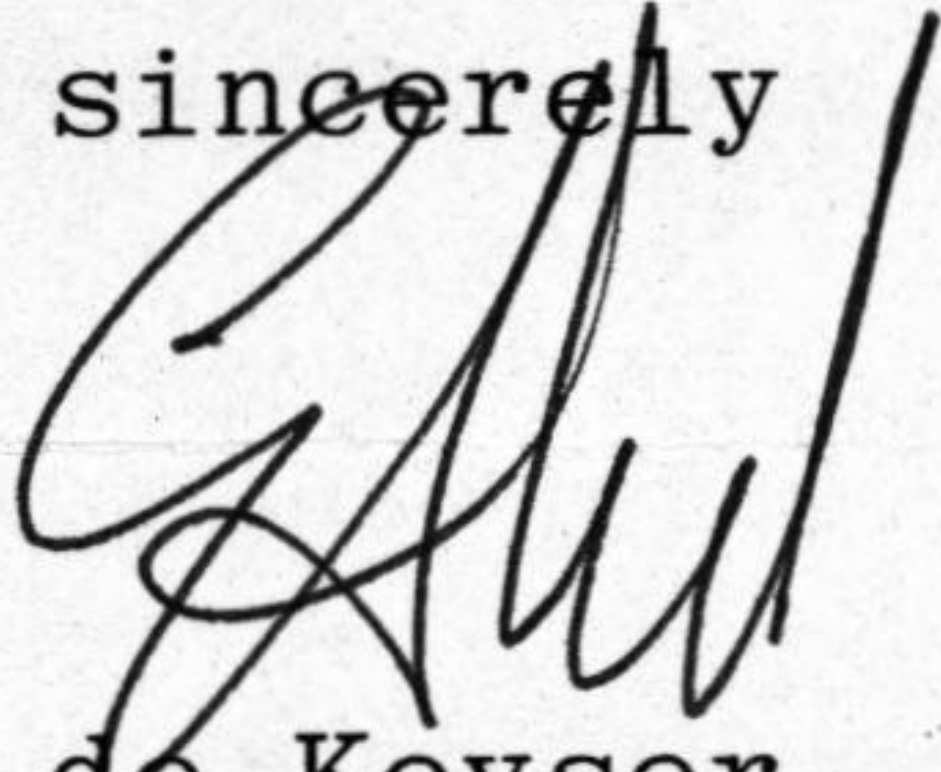

She also says "I had done Library and Information Science before, now my biggest problem is to unlearn what I had already learned, which is either outdated or I never really got right from the beginning", but she is happy with the course.

We may not be able to find them holiday accommodation in London over Christmas but they are looking and so are we.

Hope you are well.

With kind regards,

Yours sincerely
