Mr. Oliver Tambo  
President

African National Congress of South Africa

Dear Mr. Tambo:

On behalf of the Council on Foreign Relations, I would like to renew our invitation for you to address our members at a meeting here in New York when

you next visit the United States. We were disappointed that you were unable to

visit the Council last spring, but remain hopeful that we can reschedule a mutually convenient date for a meeting in the near future. We remember with pleasure your visits here in November 1982 and April 1985.

The Council, as you may recall, is the premier international affairs institution in the United States. Meetings are traditionally off-the-record to encourage candid, high-level discussion.

Council members would greatly appreciate the opportunity to hear your views on any number of issues. Of course, the specific topic of your remarks

is your choice.

I look forward to an early and favorable reply and to welcoming you back to the Council.

Sincerely,

Margaret Osmer-McQuade
