Issued by the Com

02/01/85

Our combatants carried out a series

of daring raids to free comrades held by Swazi police.

05/01/85

Major Loubser and constable Tlou of the Bophuthatswana police force were killed while two other policemen sustained injuries following a confrontation with one - MK combatant, Jerry Nene, who subsequently took away his life with an explosive device rather than be captured. The battle took place at Sewedingstad, five kilometres from Mmabatho, the capital of the Bophuthatswana bantustan. :

14/01/85 :

A white policeman, Lt Janse van Vuuren was killed in a shootout in the Nongoma area, Northern Natal, about 50 km from Vryheid;

24/02/85

The houses of two councillors. J Dikole and P Thiba. and one policeman were simultaneously attacked by hand grenades in Hu- hudi, a black township near Vryburg in the north-western Cape.

04/03/85

A bomb exploded in the office of the Kroonstad branch of the National Party. causing extensive damage. 3

17/03/85 Ee

A police vehicle was devastated by

a limpet mine in Mamelodi. A policeman, a member of the security branch, narrowly escaped death.

22/03/85

Two hand grenades were hurled at the Jabavu Administration Board

building in Soweto. In another in-

cident, a government building in Soweto was sprayed with ANC slogans before it was damaged by two hand grenade explosions.

About 10 window panes and a net-

ting wire over one of the windows were damaged.

Vincent Tshabalala (Mike Mkhari), fell
bravely in a violent shootout in Alexand 4
er township. â\200\231

14/04/85

Three powerful explosions shook
Brakpan, a small town in the East
Rand. The blasts, a few hours .be-
forÃ© the funeral of trade union :
leader, Andries Raditsela, occurred
at the police barracks single quart-
ers, the commissionerâ\200\231s court and
the Messenger of the court of-
fices. All three buildings are â\200\230situa-

ted within a 500 metre radius. The
explosions damaged roofs, ceiling gs,

windows, doors and window
frames. a =
