Mr. Joe Saloojee,
ANC Toronto Committee,

Canada.

Dear Joe,

How are you, brother? I hope you are not offended by the tone of the last letter which on reading appears rather impersonal. You know I have just got to Africa to do the administration of the Fund Raising Committee and one tends to be a little business-like and even officious at first.

Thanks for the confirmation of transfer of funds through Friedberg & Co. to the London Office.

When Zaher was out our way he mentioned that on his return he would tackle the question of clearing Kay's entry into Canada to represent the organisation as by then games would be over. We hope that you are having some progress towards this end. It seems that personal contact with donors is essential as letters appear to elicit very little response, and a representative in Canada is becoming very essential.

Carol Belleuvu has taken over from Denise Caron at SUCO in Montreal. Could you kindly keep in touch with her and push for acceptance of some of our projects.

The Mechanics Project was submitted to SUCO through John Martin who has also got a The poultry project. He needs to be chased as well.

Hope to hear from you soon. Kind regards to all our comrades.

Yours in the struggle,

for FUND RAISING COMMITTEE OF THE ANC(SA)
