## New ones and favourites

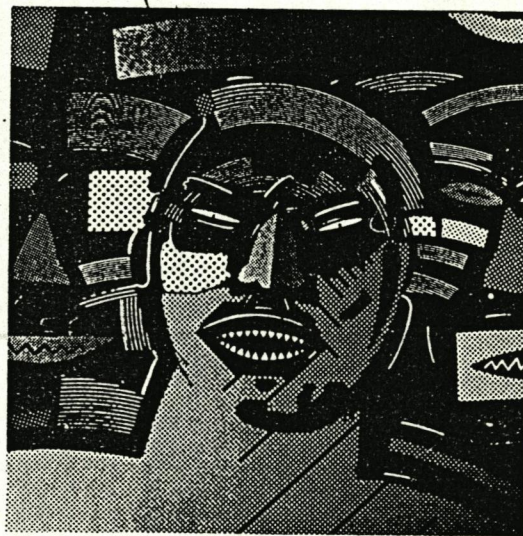

Among the artists displaying at the Amadlozi Art Centre group exhibition at Gold Reef City is a new talent, **Thomas Kgope**, an example of whose work is above. Also on view are works by Norman Catherine (below) and Walter Battiss, V Mzimba, Solomon Sekhaolelo, Hargreaves Ntswana, Godfrey Ndaba, David Mbele, **Ben Macala**, Puseletso Mohl and Lamberth Moraloiki.

Said gallery curator Mrs Jadwiga Cort: "The promotion of an artist is as important as the selling of his work; it makes a name for the artist and he is not unknown any more.

"We try to give an artist a professional platform to spring from. It is important to promote burgeoning talent. It's not enough

to just stock and sell an artist's work for handy cash.

"We are happy to be the first gallery to promote and exhibit Thomas Kgope and will have a bigger exhibition of his work in a few months' time."
