Dear Comrade Njobe,

re: Nduku Pompei withdrawal

The above-named comrade, personally decided to be withdrawn from the on-going course of Instructors for the VTC-Dakawa.

His main reason is that he could not cope up well with the colleague-Silas Shiburi. He has given a reason of saying that, the comrade constantly undermining him as illeterate and ignorant; and as far as scorning him as a cadre of MK. He therefore could not concentrate to his studies effectively.

Apart from his main reason given above; Comrade Nduku had an unhealthy relationship with the very comrades in the group and also the Finnish schoolmates. As a result, the office could not persuade him to change his initial descretion taken. The office certified his reason before his departure and agreed thereafter.

2.

We therefore, hope that you had already discussed
with him in depth about this matter.

It is saddening to inform you that the friends are
unhappy about these developments in our first group
on this project.

In the year of United Action for Peoples Power!

Yours in the struggle,
