FINANCIAL SUPPORT FOR THE ANC - OFFICE IN OSLO.

We refer to a telephone conversation between the Secretary, Mr. Arne Jensen, and Mr. Kjell Gulbrandsen.

As you know, our organisation is fighting for a united, democratic, non-racial society in South Africa. President F. W. de Klerk keep telling the world that with the Government's reforms, there will no longer be apartheid in South Africa.

But we know that the cornerstones of the apartheid system are still there, and we see great challenges ahead. The demands of our struggle and hence our responsibilities grow with every new day.

To enable us to fulfil our task here, which is not only informing the Norwegians about ^{the} developing situation in South Africa, but also to consolidate the international pressure on the South African regime; the ANC office is welcoming any contribution.

The ANC in Oslo wishes to express its appreciation for the support and solidarity you are extending; it will not be forgotten.

In the Year of People's Action for a Democratic South Africa!
