Dear Comrades,

Greetings.

We have today sent you 100 buttons: 'Stop: James Mange: Execution'

It was recently agreed that, because of low costs in Winnipeg, that ANC have this part of solidarity publicity work done in Wpg.

Our cost to you is 30¢ per button (\$30.00) for 100.

As you are aware that at the recent CCSA meeting in Toronto on Nov. 17/18 a decision was taken to launch a vigorous campaign to try to save the life of comrade James Mange. The sale of buttons will be part of this campaign.

We are presently awaiting for CCSA National to announce a date for Canada action. In the mean time we are dispatching buttons across the country.

In Solidarity,

Dennis

ANC Toronto,

Please note that Wpg has decided to send the above items to Regina to facilitate the work of solidarity to save time and costs of sending goods to Toronto and then back to Regina. While we are aware that the 'channels of communications' are incorrect we are using common sense.

Dennis.
