Re: The Project Proposal for FINNIDA

The whole proposal has been more or less reformulated, but important facts have not been changed (development objectives have been reduced from eight to four, outputs have been specified, etc.)

The period now covers July 1988 - December 1990 instead of the previous July 1988 - 1989.

The sums in the budget (in Finnish marks) have been changed as follows:

	-88	- 89	-90
Previous proposal:	381 755,-	1 363 724,-	-
Present proposal:	410 000,-	1 530 000,-	1 230 000

Money has been added mainly for books and stationery according to the recommendation by FINNIDA.

The ANC previously agreed to the plan for - 88, but wanted to still confirm about -89 (see the enclosed letter addressed to Ms. M. Luoto of FINNIDA office in Lusaka). This was because of Cde Molefe's comments, which we dealt with at the Library Committee meeting.

It would be good to present this basic proposal to FINNIDA, even if the confirmation for -89 and -90 will be done later on - changes can always be made at a later stage.
