Dear Rochelle

Gladys Mgudlandlu

Marilyn has asked me to reply to your letter dated 23 May 1996 - my  
apologies for the delay in getting back to you.

Attached is a list of works by Gladys Mgudlandlu in our collection. In  
principle, we certainly would be interested in hosting the exhibition.  
You should contact George Curtis of Quagga Trading for information on  
works in private collections. His telephone number is (Cape Town)  
7882752. I'll follow up the other queries in your letter and I'll also  
ask our photographer to let you have the photographs as soon as  
possible.

Regards

Wf
