Dear Comrade Tim,

RE: PROCUREMENT AND SHIPPING COURSE

With further reference to the above matter, we regret to advise that this seminar will, at the instance of the sponsors, now be held from 21 September to 2 October 1987.

A further communication in this regard will be addressed to you well in advance of that date.

Again, do kindly accept our sincere apologies.

With best wishes

Dear Comrade Mandy

RE PROCUREMENT AND SHIPPING COURSE

I wish to thank you for your letter of 2nd April 1987, informing us about the postponement of the above course to September 21 - October 2 1987.

I would, however, like to express some concern over the identification of the course participants as reflected in your communications of 14 and 16 March 1987. The course being related to the Treasury Department, I would have expected you to have requested the Regional Treasurer to select the participants who, of necessity, should be attached to treasury.

My personal view is that our participation in any workshop/seminar must bear direct benefit to the relevant department. The deferment of the above course, therefore, gives us a chance to identify suitable candidates. I presume, you have also looked into the utility of the above course to our mission in Luanda.

By copy of this letter, Comrade Khaya is alerted of the new date and the need to reselect the participants.

In the Year of Advance to People's Power!

T K Naseko

Chief Administrator
