reference : Transfer of HIVOS South Africa Programme

Dear friends,

, I I

HIVOS policy of 'decentralizing the monitoring and management of its programmes in Southern Africa has resulted in the establishment of a HIVOS regional office for Southern Africa in Harare, Zimbabwe.

Up to date our programmes in Botswana, Mozambique and Zimbabwe have been initiated and managed by the staff in the Regional Office.

As per April 1st 1991 HIVOS has decided to decentralise its South Africa programme as well. We therefore have the pleasure to inform you that Ms. Irene Dubel will be stationed as a programme officer in Harare. From April let you are therefore kindly requested to forward all your correspondence to the below given address.

With kind regards,

i
